LOGIN

MCR EHR is accessible at <https://th.figg.health/mcrehr/>. This link will prompt the user to login using their registered Email and Password. The screenshot of the page is shown below.

Forgot Password

The user needs to provide email registered with MCR EHR. If the email is a registered email a password reset link will be shared on that email. Otherwise, system does not send any email

Email

An email is sent to the registered email address with the registered user name. The email has a unique link for the latest reset password request. Email prompts the user to take action within 48 hours or the link will expire.

The format and message of this email is customizable. The email address from which this email is sent is also customizable. This ensures that all email communication is as per MCR Health security protocols and policies.

A sample email screenshot is shown below,

Welcome to MCR EHR

Hello **Amy**,

We are excited to have you onboard.

First you need to set a password for your account. Click the following link to set a password.

[Set Password](#)

You can also copy and paste the link into your browser. This link is valid for next **48 hours** only.

If you have any queries, just reply back this email. We are always here to help.

Thanks,

MCR EHR Support Team

Reset Password

This form is unique for each user and will expire in 48 hours after the generation of the link, or if it is already used once. Security protocols ensure the same link cannot be used to reset password more than once even with-in 48 hours.

Reset Password

New Password

Confirm Password

Password must have at least 8 characters including one or more special characters i.e. @ # \$ % etc

SETUP

A single window to control and set up the complete MCR EHR. This allows to configure options and values for EHR from a single page. This structure allows for easier scalability for future options, as all new options will be configured here as well. The options included setup configuration for

- Appointment Profiles
- Billing Profiles
- CDS Rules
- Chart Notes Templates
- Chief Compliant List
- Consent Forms
- Emergency Access
- eRx Settings
- eRx Settings for Controlled Substances
- Fee Schedule
- List Items
- Locations
- Order Delegations
- Payers
- Providers
- Reminder Settings
- Schedule Slots
- Specialization
- Staff
- User Role

The screenshot shows the MCR EHR interface with a dark blue sidebar menu on the left and a light gray content area on the right. The sidebar includes icons for Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup (selected), Reports, and Help. The main content area is titled 'Setup' and contains a grid of 16 items, each with an icon and a brief description:

Icon	Description
	Providers Set up provider's information and details
	Locations Set up location's information and details
	Staff Set up staff related information and details
	Consent Forms Set up consent forms for different patients and procedures
	Appointment Profiles Set up appointment profile information and details
	Specialization Set up specialization information and details
	Schedule Slots Set up provider schedule information and details
	User Roles Set up user roles
	Chief Complaint List Add, Edit and Delete Items in Chief Complaint list
	eRx Settings eRx Settings and Setup for eRx Prescription.
	eRx Settings For Controlled Substances eRx Settings and Setup for eRx Prescription.
	Payers Manage Payers
	Billing Profiles Manage Billing Profiles
	Fee Schedule Manage Fee Schedule
	Reminder Settings Update Reminder Settings
	Order Delegations Add, Edit and Delete Items in Order Delegations
	CDS Rules Add Edit CDS Rules
	Emergency Access To show all providers/staff having emergency access
	Chart Notes Templates Add, Edit and Delete Items in Chart Notes Templates
	List Items Add, Edit and Delete Items in List Item

In the top right corner of the content area, there is a user profile for 'Naveen Acharya' from 'Cardiology Services' with icons for notifications, messages, and power.

Healthcare Providers

List

The list of all healthcare providers configured in the system. The list can be filtered and details can be viewed by clicking on any provider.

Name	Primary Location	Personal NPI	Specialty	Email	Cell #	Action
Shahid Saleem	AMA Health Bayview Medical	3490909090	AMA Health	shahid@figg.health	(111) 111-1111	
Carnegie Patrick	RiverSide Medical Center	5345345345	Cardiology	pcarneige@mcr.health		
Abid Ali	AMA Health Bayview Medical	5464555555	Cardiology Services	abid@figg.health

Freddie Figgers	RiverSide Medical Center	8590004111	Cardiology	freddie@figg.health		
Lillian J. Vargas Bernier	RiverSide Medical Center	4566644	OB/GYN	Lillian@gmail.com		
Hierak Robert	Southeast Family Healthcare Center	11111113	Family Practice	rhierak@mcr.health	(941) 773-1056	

Search Providers

Healthcare providers can be searched by using any or a combination of,

- First Name
- Last Name
- Email
- Cell
- Location
- Specialty
- NPI

The search is not case sensitive and allows for partial matches for greater usability.

Add/Edit Provider

The adding or editing the healthcare provider. This includes the Primary Location as well as Other Locations where this healthcare provider can make appointments or create schedules.

Delete Provider

Authorized users can delete a provider. System shows a prompt to confirm before marking this healthcare provider as deleted.

	Carnegie Patrick	RiverSide Medical Center	5345345345	Cardiology	pcarnegie@mcr.health			
	Abid Ali	AMA Health Bayview Medical	941-405-1170	Cardiology Services	abid@figg.health			
	Naveed Razzaq	RiverSide Medical Center	8590004111	Cardiology	naveed@figgers.pk			
	Neil Remi	AMA Health Bayview Medical	941-405-1170	Cardiology	Remi@mail.com			
	Maverick Christopher	AMA Health Bayview Medical	941-405-1170	Cardiology	Christopher22@mail.com			
	Naveen Acharya	RiverSide Medical Center	8590004111	Cardiology Services	saeed@figg.health	941-405-1170		
	Freddie Figgers	RiverSide Medical Center	8590004111	Cardiology	freddie@figg.health	941-405-1170		

All past data, encounters, and appointments etc. of the deleted healthcare provider is preserved and available in relevant reports

Locations

List

The list of all locations (Practices) configured in the system. Authorized users with relevant access can add new location or modify the detail of the existing location. Only one location can be configured as primary location.

Location Name	Address	Cell #	Start Time	Close Time	Action
RiverSide Medical Center	300 Riverside Drive East Suite 2010 Bradenton	(941) 405-1170	08:00 AM	05:00 PM	
AMA Health Bayview Medical	5309 State Rd 64		08:00 AM	05:00 PM	
AMA Health Westside	demo address		08:00 AM	05:00 PM	
AMA Health Bradenton	5309 State Rd 64	(941) 747-9818	08:00 AM	05:00 PM	
Miami Headquarter	Miami		08:00 AM	05:00 PM	
AMA Health Parkway	2415 University Parkway, Bldg 3, Suite 111	(941) 359-3337	08:00 AM	05:00 PM	
AMA Health Gulf Coast Pediatrics	Demo location		08:00 AM	05:00 PM	
Riverview Foot and Ankle	300 Riverside Drive East Suite 1500	(941) 741-3338	08:00 AM	05:00 PM	
AMA Health Arcadia	425 Nursing Home Drive,	(863) 993-2966	08:00 AM	05:00 PM	
AMA Health Manatee	701 Manatee Ave West Suite 101	(941) 748-3065	08:00 AM	05:00 PM	

Add / Edit location

User can use locations screen to add new location (Practice) to the system or he can edit the existing location information. User can add opening and closing hours. Individual practice rooms can also be configured.

Locations screen can also be used to configure billing related information which is used for patient claim submission.

Edit Location

- Reset**

Delete Staff

Authorized users can delete a staff account. System shows a prompt to confirm before marking this healthcare staff as deleted.

The screenshot shows the MCREHR software interface. On the left is a dark sidebar with various menu items: Dashboard, Schedule, Clinical, Billing (with a dropdown arrow), Patients, Messages, Tasks, Setup, Reports (with a dropdown arrow), and Help. The 'Staff' item is selected, indicated by a grey background. The main area has a light grey header with the MCREHR logo, a search bar ('Enter Search Query'), and user information ('Naveen Acharya Cardiology Services'). Below the header is a table titled 'Staff' with columns: Name, Primary Location, Primary Provider, Email, Cell #, and Action. The table lists nine staff members. A modal dialog box is overlaid on the table, centered over the third row. The dialog contains a large orange question mark icon at the top, followed by the text 'Are you sure, you want to delete this staff?'. At the bottom of the dialog are two buttons: 'OK' (dark blue) and 'Cancel' (light grey). The table rows are as follows:

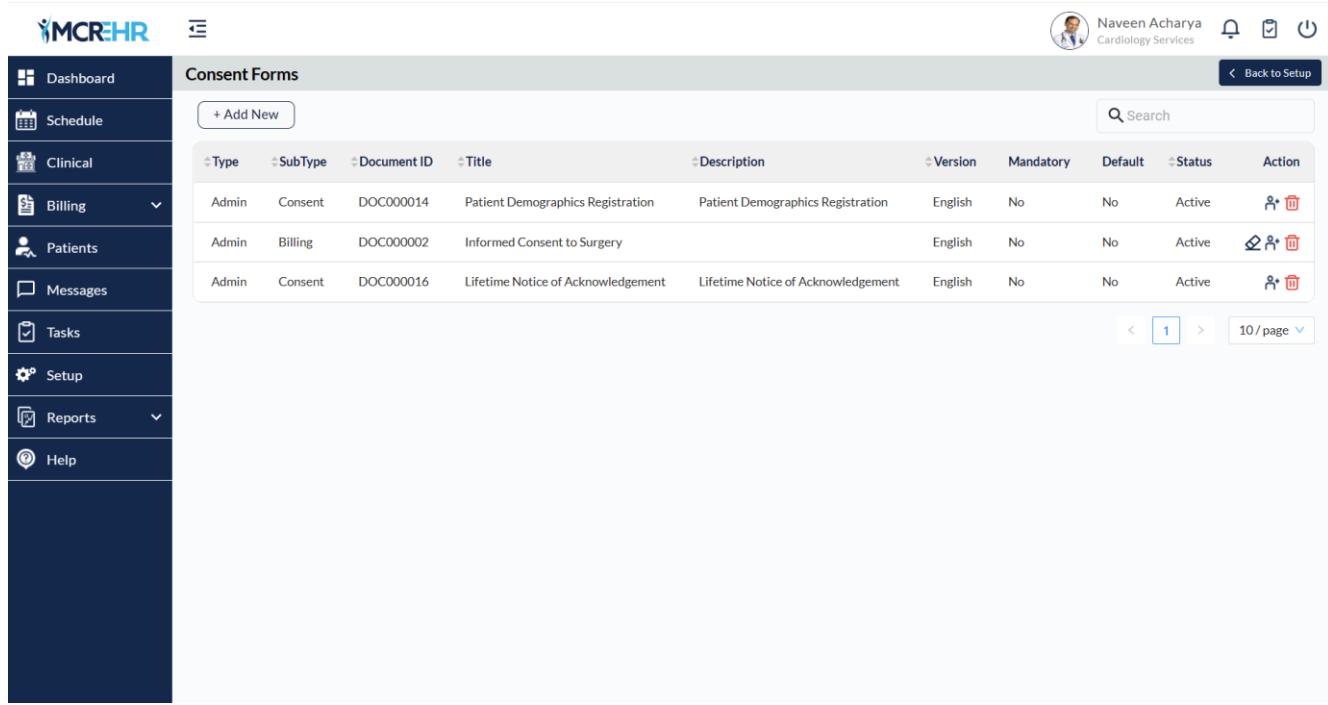

Name	Primary Location	Primary Provider	Email	Action
Khurram Hayyat	AMA Health Bayview Medical	Abid Ali	kjanjua@figg.health	
Khurrum Janjua	AMA Health Bayview Medical	Abid Ali	khurrum@mailinator.com	
John Doe	AMA Health		naveedrazaq22@gmail.com	
Peter Ken	AMA Health		shahid@figgg.health	
Miles Elias	AMA Health		Elias@mail.com	
Ali Azmet	AMA Health		abid@figgers.pk	
Elon Karsyn	AMA Health		sundus@figgers.pk	
Isabelle Baird	AMA Health Bayview Medical	Naveen Acharya	isabelle@gmail.com	
Hoang Raphael	RiverSide Medical Center	Dedrix Daka	Ho@mcr.health	

At the bottom right of the main area, there are navigation icons for back, forward, and search, along with a page number indicator '10 / page'.

Patient Forms

List

This screen lists all forms available in the system. User can upload custom documents and assign the forms to the patient. Assigned forms can be printed from appointment screen and uploaded in the patient document section or while starting the patient encounter.

The screenshot shows the 'Consent Forms' list page within the MCREHR application. The left sidebar contains navigation links for Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help. The main content area has a header 'Consent Forms' with a search bar and a 'Back to Setup' link. Below the header is a table with columns: Type, SubType, Document ID, Title, Description, Version, Mandatory, Default, Status, and Action. Three rows of data are listed:

Type	SubType	Document ID	Title	Description	Version	Mandatory	Default	Status	Action	
Admin	Consent	DOC000014	Patient Demographics Registration	Patient Demographics Registration	English	No	No	Active		
Admin	Billing	DOC000002	Informed Consent to Surgery		English	No	No	Active		
Admin	Consent	DOC000016	Lifetime Notice of Acknowledgement	Lifetime Notice of Acknowledgement	English	No	No	Active		

At the bottom right, there are navigation buttons for page 1 of 10.

Add /Edit form

Add new forms to the EHR, User can make the form status as active/inactive, user can assign respective category and subcategory for ease of access. System will assign the form on new appointment if “Assign by default on new appointment” is selected.

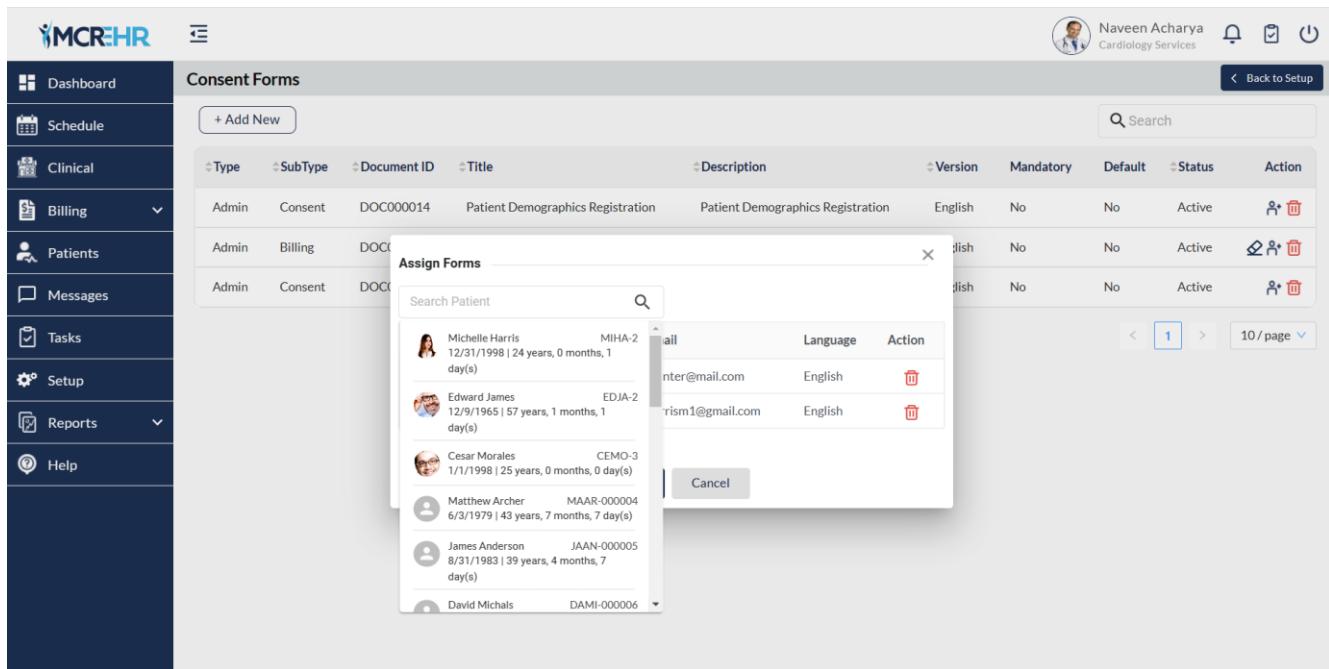

The screenshot shows the MCREHR software interface. On the left is a vertical navigation menu with icons for Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help. The main area is titled "Edit Consent Form". It contains a form with the following fields:

- Title*: Informed Consent to Surgery
- Type*: Admin
- Sub Type*: Billing
- Status*: Active
- Version*: English
- Description: Description
- Checkboxes:
 - Assign by default on New Appointment
 - Mandatory

At the bottom are buttons for Save (dark blue), Delete (red), Reset (light gray), and Logs (dark blue).

Assign Forms to Patient

User can use this screen to assign form to single or multiple patients. User can use the delete button against respective form to remove it from patient assignment list. These assigned forms will be available at the time of appointment.

The screenshot shows the MCREHR software interface. On the left is a dark sidebar with various menu items: Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help. The main area is titled "Consent Forms" and displays a table of forms assigned to patients. A modal dialog titled "Assign Forms" is open in the center, showing a list of patients with their names, birthdates, and ages. The table in the main area has the following data:

Type	SubType	Document ID	Title	Description	Version	Mandatory	Default	Status	Action
Admin	Consent	DOC000014	Patient Demographics Registration	Patient Demographics Registration	English	No	No	Active	
Admin	Billing	DOC000015			English	No	No	Active	
Admin	Consent	DOC000016			English	No	No	Active	

The "Assign Forms" modal contains the following data:

Search Patient	Language	Action
Michelle Harris 12/31/1998 24 years, 0 months, 1 day(s)	MIHA-2	
Edward James 12/9/1965 57 years, 1 months, 1 day(s)	EDJA-2

Delete Patient Form

Authorized users can delete the form from the list. System shows a prompt to confirm before marking this form as deleted.

The screenshot shows the MCREHR software interface. On the left is a dark sidebar with various menu items: Dashboard, Schedule, Clinical, Billing (selected), Patients, Messages, Tasks, Setup, Reports (selected), and Help. The main area is titled "Consent Forms" and displays a table of forms. The table columns are: Type, SubType, Document ID, Title, Description, Version, Mandatory, Default, Status, and Action. Three rows are visible: 1. Admin Consent DOC000014 Patient Demographics Registration Patient Demographics Registration English No No Active 2. Admin Billing DOC000002 Informed Consent to Surgery English No No Active 3. Admin Consent DOC000016 L... English No No Active. A modal dialog box is overlaid on the table, containing a large orange question mark icon at the top, followed by the text "Are you sure, you want to delete this consent form?", and two buttons at the bottom: "OK" (dark blue) and "Cancel" (light gray). The status bar at the top right shows the user's name "Naveen Acharya" and "Cardiology Services" along with icons for notifications, search, and power.

Type	SubType	Document ID	Title	Description	Version	Mandatory	Default	Status	Action
Admin	Consent	DOC000014	Patient Demographics Registration	Patient Demographics Registration	English	No	No	Active	
Admin	Billing	DOC000002	Informed Consent to Surgery		English	No	No	Active	
Admin	Consent	DOC000016	L...	ment	English	No	No	Active	

Appointment Profiles

Appointment profiles provide a unique way to create and manage unique profiles for appointments. Different type of appointments has different duration, visit reason and perhaps associated Consent Forms to be signed by the patient. This feature allows to define profiles that are simply selected at appointment time. Making appointment easier, error free and time efficient.

Listing & Search

By default, all the active appointment profiles are shown. These can be sorted on ascending and descending order by clicking the information column name.

Name	Duration	Visit Reason	Consent Form(s)	Action
Reverse scheduling	10 Mins	Reverse scheduling	0	
Video Visit	30 Mins	Video Visit	0	
New patient visit	60 Mins	New patient visit	1	
Urgent Visit	10 Mins	Urgent Visit	0	
Follow-up	30 Mins	Follow-up visit	2	
Nursing Only	15 Mins	Nursing Only	1	

Searching is in real time and automatically filters the complete listing on the entered information, as shown in screenshot below

Name	Duration	Visit Reason	Consent Form(s)	Action
New patient visit	30 Mins	New patient visit	1	

Add or Edit

User can use this screen to create a new appointment profile or edit the existing appointment profile.

The screenshot shows the MCREHR software interface. On the left is a dark blue sidebar with white icons and text for navigation: Dashboard, Schedule, Clinical, Billing (with a dropdown arrow), Patients, Messages, Tasks, Setup, Reports (with a dropdown arrow), and Help. The main area has a light gray header with the MCREHR logo, a user profile for Naveen Acharya, and a 'Back to Appointment Profiles' button. Below the header is a form titled 'Edit Appointment Profile'. The form fields include: 'Name:' (text input), 'Profile Name*:' (text input containing 'Reverse scheduling'), 'Duration*:' (dropdown menu showing '10 mins'), 'Visit Reason*:' (text input containing 'Reverse scheduling'), 'Consent Forms:' (text input), and 'Consent Form:' (dropdown menu showing 'Select Consent Form(s)'). At the bottom are four buttons: a dark blue 'Save' button with a white icon, a red 'Delete' button with a white icon, a light gray 'Reset' button, and a dark blue 'Logs' button with a white icon.

Delete

Authorized users can delete an appointment profile. System shows a prompt to confirm before marking this appointment provider as deleted.

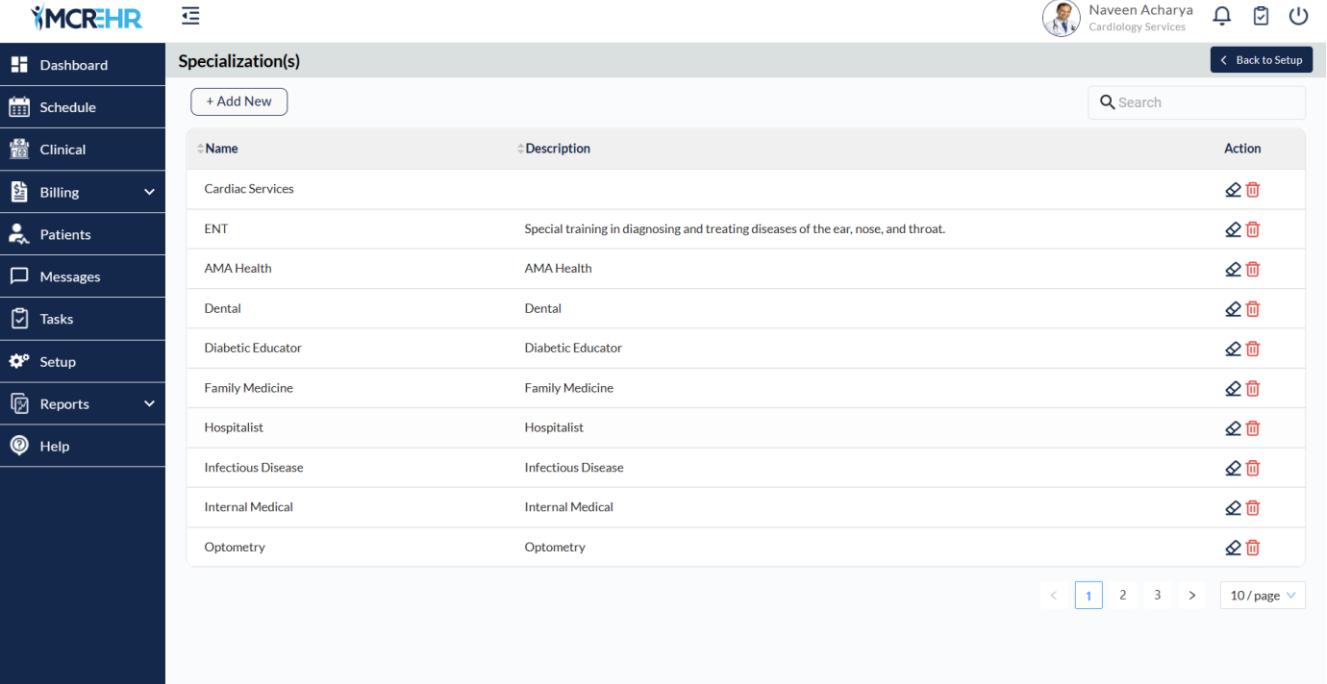

The screenshot shows the MCREHR software interface. On the left is a dark sidebar with various menu items: Dashboard, Schedule, Clinical, Billing (with a dropdown arrow), Patients, Messages, Tasks, Setup, Reports (with a dropdown arrow), and Help. The main area is titled "Appointment Profiles" and contains a table with columns: Name, Duration, Visit Reason, Consent Form(s), and Action. The table lists six rows: Reverse scheduling (10 Mins, Reverse scheduling, 0, edit/delete), Video Visit (30 Mins, Video Visit, 0, edit/delete), New patient visit (1, edit/delete), Urgent Visit (0, edit/delete), Follow-up (2, edit/delete), and Nursing Only (1, edit/delete). A modal dialog box is centered over the table, containing a large orange question mark icon at the top, followed by the text "Are you sure, you want to delete this appointment profile?", and two buttons at the bottom: "OK" (dark blue) and "Cancel" (light gray). The top right corner of the screen shows the user's name "Naveen Acharya" and title "Cardiology Services", along with icons for notifications, settings, and power.

Name	Duration	Visit Reason	Consent Form(s)	Action
Reverse scheduling	10 Mins	Reverse scheduling	0	
Video Visit	30 Mins	Video Visit	0	
New patient visit			1	
Urgent Visit			0	
Follow-up			2	
Nursing Only			1	

Specializations

List

List of all provider specializations.

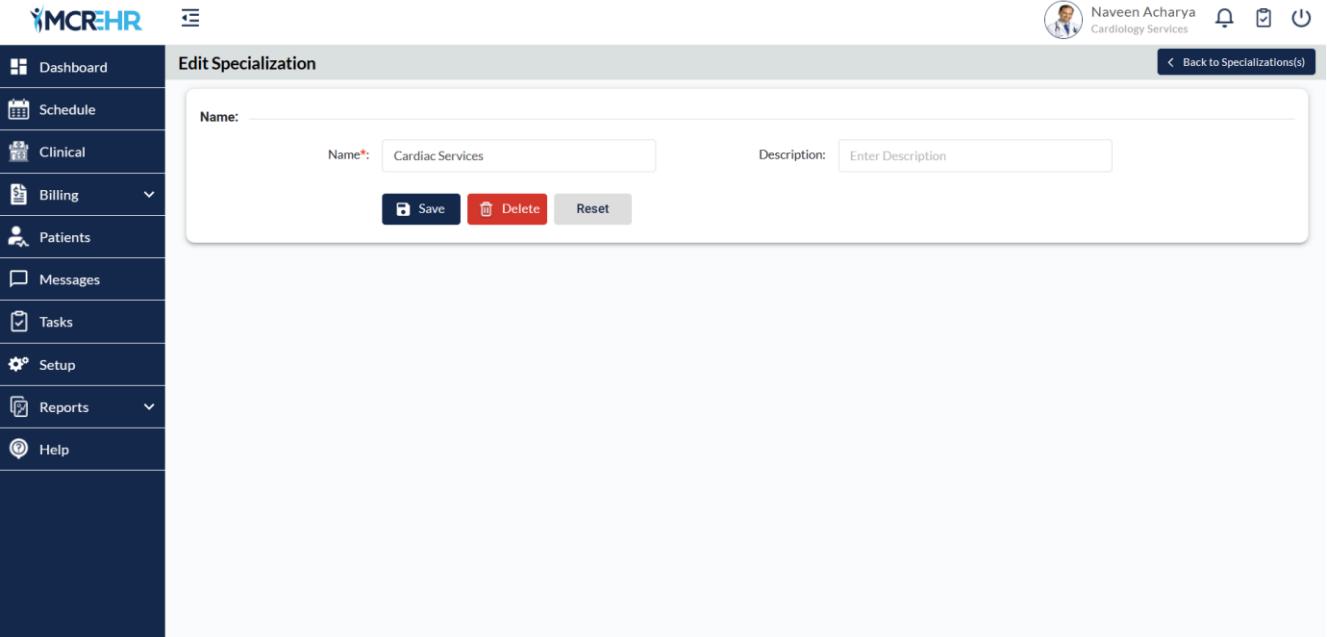

The screenshot shows the 'Specialization(s)' page in the MCRHR application. On the left is a vertical navigation menu with icons for Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help. The main content area has a header 'Specialization(s)' with a 'Back to Setup' link. It includes a search bar and a table with columns for Name and Description. The table lists ten specializations, each with edit and delete icons. At the bottom are navigation links for page 1, 2, 3, and 10 / page.

Name	Description	Action
Cardiac Services		
ENT	Special training in diagnosing and treating diseases of the ear, nose, and throat.	
AMA Health	AMA Health	
Dental	Dental	
Diabetic Educator	Diabetic Educator	
Family Medicine	Family Medicine	
Hospitalist	Hospitalist	
Infectious Disease	Infectious Disease	
Internal Medical	Internal Medical	
Optometry	Optometry	

Add/Edit

Add a new specialization or edit the name and description of existing specialization.

The screenshot shows the 'Edit Specialization' form. The left sidebar is identical to the previous screenshot. The main area has a header 'Edit Specialization' with a 'Back to Specializations(s)' link. It features a 'Name:' label with a required field indicator (*), a 'Name:' input field containing 'Cardiac Services', and a 'Description:' input field with placeholder text 'Enter Description'. Below these are 'Save', 'Delete', and 'Reset' buttons.

Delete

Authorized users can delete a specialization. System shows a prompt to confirm before marking this specialization as deleted.

The screenshot shows the iMCREHR software interface. On the left is a dark sidebar with various menu items: Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help. The 'Specialization(s)' page is currently active, displaying a list of specializations with columns for Name, Description, and Action (edit/delete). A modal dialog box is centered over the list, containing a question mark icon and the text 'Are you sure, you want to delete this speciality?'. At the bottom of the dialog are 'OK' and 'Cancel' buttons. The main table data is as follows:

Name	Description	Action
Cardiac Services		
ENT	Special training in diagnosing and treating diseases of the ear, nose, and throat.	
AMA Health		
Dental		
Diabetic Educator		
Family Medicine		
Hospitalist		
Infectious Disease	Infectious Disease	
Internal Medical	Internal Medical	
Optometry	Optometry	

Pagination controls at the bottom right show page 1 of 10.

Provider Schedules

Before a provider/staff can make patient appointment a provider Schedule need to be created. Once schedule is created system shows the list of all the provider schedule slots.

List

Date	Time	Location	Provider	Patient	Reason	Status
12/26/2022	08:00 AM	RiverSide Medical Center	Naveen Acharya			Open
12/26/2022	08:10 AM	RiverSide Medical Center	Naveen Acharya			Open
12/26/2022	08:20 AM	RiverSide Medical Center	Naveen Acharya			Open
12/26/2022	08:30 AM	RiverSide Medical Center	Naveen Acharya			Open
12/26/2022	08:40 AM	RiverSide Medical Center	Naveen Acharya			Open
12/26/2022	08:50 AM	RiverSide Medical Center	Naveen Acharya			Open
12/26/2022	09:00 AM	RiverSide Medical Center	Naveen Acharya			Open
12/26/2022	09:10 AM	RiverSide Medical Center	Naveen Acharya			Open
12/26/2022	09:20 AM	RiverSide Medical Center	Naveen Acharya			Open
12/26/2022	09:30 AM	RiverSide Medical Center	Naveen Acharya			Open

Create New Provider Schedule

Provider can create the schedule by selecting location, start date, end date and he can select the starting and end time and the time duration for the appointment.

The screenshot shows the MCREHR software interface with a dark blue sidebar on the left containing various navigation options: Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help. The main content area is titled "Create Schedule". It includes a "Provider Scheduling:" section with fields for Provider (Naveen, Acharya), Location (RiverSide Medical Center), From Date (12/26/2022), To Date (01/26/2023), From Time (08:00 AM), To Time (06:00 PM), Duration (10 mins), Days (Mon, Tue, Wed, Thu, Fri checked; Sun, Sat, Break unchecked), Overbooking (unchecked), and a checkbox for Break. At the bottom are "Save" and "Reset" buttons.

Create Schedule Breaks

User can use schedule screen to configure schedule breaks. Select appropriate date and time, Days and break reason i.e. (Lunch break, Meeting etc.). Once created, breaks will be visible on the appointment schedule screen.

Change Appointment Location

User can change the appointment location if the same provider schedule is available for other locations.

Block Schedule Slots

User can block/unblock the appointment using this screen. Once blocked this slot won't be available on the schedule screen. Already booked appointment will be marked as Orphan while blocking the schedule slot(s).

The screenshot shows the MCREHR software interface with the following details:

- Left Sidebar:** Includes links for Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help.
- Header:** Shows the user profile of Naveen Acharya from Cardiology Services and navigation icons.
- Main Content:** The "Schedule Slots" page displays a grid of appointment records. The columns are: Date, Location, Provider, Patient, Reason, and Status. The status for all rows is "Open".
- Context Menu:** A context menu is open over the first row (December 26, 2022, 08:20 AM). The menu items are: Date, Block, Unblock, Delete, and Change Location. The "Block" option is highlighted.
- Confirmation Dialog:** A modal dialog box is centered on the screen, containing a question mark icon and the text: "Are you sure, you want to block selected record(s). Please note, system will move selected slots appointments to orphan state." It has "OK" and "Cancel" buttons.
- Pagination:** At the bottom right, there is a pagination control showing page 1 of 10.

Delete Scheduled Slots

Provider or relevant staff can delete the appointment slot(s). If there are existing appointments system will have marked them as Orphan.

The screenshot shows the MCREHR software interface with the following details:

- Left Sidebar:** Includes links for Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help.
- Main Header:** Shows the user profile of Naveen Acharya (Cardiology Services) and includes a Back to Setup button.
- Top Bar:** Includes search fields for "From: 2022-12-26" to "To: 2023-01-25", "From: 08:00" to "To: 18:00", and an "Enter Search Query" field.
- Schedule Slots Page:** Displays a table of scheduled slots. The table has columns for Date, Location, Provider, Patient, Reason, and Status. The data shows multiple slots for Naveen Acharya at RiverSide Medical Center on December 26, 2022, between 08:00 AM and 09:30 AM.
- Modal Dialog:** An orange-bordered modal box is centered over the table. It contains a question mark icon and the text: "Are you sure, you want to delete selected record(s). Please note, system will move selected slot's appointments to orphan state." It has "OK" and "Cancel" buttons.

User Roles

User roles are defined to configure access level on a Staff and Provider screens to designate which areas they can have access in the EHR and is based on the role they perform in the practice.

List

List of all the Roles listed in the EHR. Mostly Roles are configured once and roles are assigned to every user as per job.

Role Name	Description	Action
Administrator	Administrator	
Provider	Provider that has access to the entire system	
Billing Staff	Billing Staff which requires access to only billing information.	
Office Manager	Office/Practice Manager manages the office and other staff/doctor accounts	
Staff	Staff that has access to fundamental system tasks.	
Nurse	Nurse / PA that requires supervising signature	

Add/Edit

User can select the permission and type of permission (Hidden, Read Only, and Editable) assigned to the specific role.

The screenshot shows the 'Edit Role' screen in the MCRHR application. On the left is a dark sidebar with various menu items: Dashboard, Schedule, Clinical, Billing (with a dropdown arrow), Patients, Messages, Tasks, Setup, Reports (with a dropdown arrow), and Help. The 'Billing' item has a dropdown arrow indicating it has sub-options. The main area is titled 'Edit Role'. It has two input fields: 'Role Name*' containing 'Administrator' and 'Description*' also containing 'Administrator'. Below these is a section titled 'Permissions' with a table. The table has columns for 'Hidden', 'Read only', and 'Editable'. The rows list various system modules: Dashboard, Schedule, Clinical, Billing, Patients, Imaging Order, Lab Order, Patient Info, Procedure, Messages, Tasks, Setup, and Providers. For each module, there are three checkboxes: 'Hidden' (unchecked), 'Read only' (unchecked), and 'Editable' (checked). At the bottom of the permissions table are four buttons: 'Save' (dark blue), 'Delete' (red), 'Reset' (grey), and 'Logs' (dark blue).

	Hidden	Read only	Editable
Dashboard	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Schedule	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Clinical	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Billing	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Patients	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Imaging Order	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Lab Order	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Patient Info	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Procedure	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Messages	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Tasks	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Setup	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Providers	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Delete

Authorized users can delete a Role. System shows a prompt to confirm before marking this Role as deleted.

The screenshot shows the MCREHR software interface. On the left is a dark sidebar with various menu items: Dashboard, Schedule, Clinical, Billing (with a dropdown arrow), Patients, Messages, Tasks, Setup, Reports (with a dropdown arrow), and Help. The 'Billing' item has a dropdown arrow indicating it has sub-options. The main area is titled 'Roles' and contains a table with columns: Role Name, Description, and Action. The table rows are: Administrator (Administrator, Action: edit/delete), Provider (Provider that has access to the entire system, Action: edit/delete), Billing Staff (Action: edit/delete), Office Manager (Action: edit/delete), Staff (Action: edit/delete), and Nurse (Action: edit/delete). A search bar and a 'Back to Setup' button are at the top right. In the center, a modal dialog box is displayed with a yellow question mark icon and the text 'Are you sure, you want to delete this role?'. It has two buttons: 'OK' (dark blue) and 'Cancel' (light gray).

Role Name	Description	Action
Administrator	Administrator	
Provider	Provider that has access to the entire system	
Billing Staff		
Office Manager	aff/doctor accounts	
Staff		
Nurse		

Chief Complaints

List

List of all the chief complaints available in EHR.

The screenshot shows the 'Chief Complaint List' screen in the MCREHR application. On the left is a dark sidebar with various menu items: Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help. The 'Reports' item has a dropdown arrow. At the top right, there is a user profile for 'Naveen Acharya' from 'Cardiology Services' with icons for notifications, checklist, and power. Below the header is a search bar with a magnifying glass icon and the word 'Search'. A button labeled '+ Add New' is located above the main list. The main area displays a table titled 'Chief Complaint' with the following data:

Chief Complaint	Action
Immunization	
Demo cheif	
Abdominal Pain	
Anxiety	
Blood Glucose Regulation	
Blood Pressure Concerns	
Depression	
Dizziness	
Dyspnea	
Dysuria	

At the bottom right of the table are navigation buttons for page numbers (1, 2, >) and a '10 / page' dropdown.

Add/Edit

User can use this screen to add /edit a chief complaint. Once added the chief complaint will be available on the encounter screen.

This screenshot is identical to the one above, showing the 'Chief Complaint List' screen. The key difference is the presence of an 'Add' button in the top center of the main content area, positioned between the search bar and the table. All other elements, including the sidebar, user profile, and table data, remain the same.

Delete

Authorized users can delete chief complaint(s). System shows a prompt to confirm before marking this chief complaint as deleted.

The screenshot displays the 'Chief Complaint List' page within the MCREHR application. On the left, a dark sidebar menu lists various modules: Dashboard, Schedule, Clinical, Billing (selected), Patients, Messages, Tasks, Setup, Reports (selected), and Help. The main content area has a header 'Chief Complaint List' with a 'Back to Setup' button. It includes a search bar and a 'Add New' button. A table lists ten chief complaints with corresponding action icons (Edit and Delete) and a page navigation bar at the bottom.

Chief Complaint	Action
Immunization	
Demo cheif	
Abdominal Pain	
Anxiety	
Blood Glucose Regulation	
Blood Pressure Concerns	
Depression	
Dizziness	
Dyspnea	
Dysuria	

Patient Reminder Settings

The Reminder setting page is used to configure options for communicating with the patients about their appointments.

Check the “Patient Messages” toggle button to let patient exchange messages with the providers in the practice. Patient communication is secure and HIPPA compliant.

Toggle “Enable Appointment Reminders” setting ON to start sending Appointment reminders to your patients. Three appointment reminders are sent to patients prior to an appointment: 1-week prior (via email), 36-hours prior (via email), and 24-hours prior (via text message).

Reminders can be turned off for specific patients from the patient demographics screen.

The screenshot shows the 'Reminders Setting' page of the MCREHR software. On the left is a vertical navigation menu with icons for Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help. The 'Setup' option is currently selected. The main content area has a header 'Reminders Setting'. It contains two sections: 'Patient Messages' and 'Appointment Reminders'. In the 'Patient Messages' section, there is a toggle switch labeled 'Patient Messages' with the note: 'Check the toggle button on to let patient exchange messages with the provider in your practice. Patient communication is secured and HIPAA compliant.' In the 'Appointment Reminders' section, there is another toggle switch labeled 'Enable Appointment Reminders' which is turned on. Below it are two more toggle switches: 'Send Email Reminders' (which is turned on) and 'Send SMS Reminders' (which is turned off). The top right corner of the page shows a user profile for 'Naveen Acharya' from 'Cardiology Services' with icons for notifications, messages, and power. A 'Back to Setup' button is located in the top right corner of the content area.

Electronic Prescription (eRx)

Status

MCR EHR utilizes ID.me, a credential service provider, to meet requirements for identity verification and e-prescribing enablement. Your personal information will only be used to verify your identity. After verification and e-prescribing is enabled, you can:

- Reduce phone calls to the pharmacy.
- Fulfill refill requests in two clicks.
- Submit prior authorizations electronically.

The screenshot shows the 'Enabling e-Prescription' setup page. On the left is a dark sidebar with navigation links: Dashboard, Schedule, Clinical, Billing (selected), Patients, Messages, Tasks, Setup, Reports (selected), and Help. At the top right is a user profile for Naveen Acharya, Cardiology Services, with icons for notifications, messages, and power. Below the header is a progress bar titled 'Enabling e-Prescription' with the sub-section 'E-Prescription Sign-up complete'. It says 'Processing your e-Prescribing request can take up to a week'. The progress steps are: 1. Add your personal details (checkmark), 2. Verify your identity with ID.me (checkmark), 3. Wait while we verify your medical credentials (circle with checkmark). A status message 'e-Prescription signup is pending' is shown with a circle icon. A 'Next >' button is at the bottom left of the progress bar area.

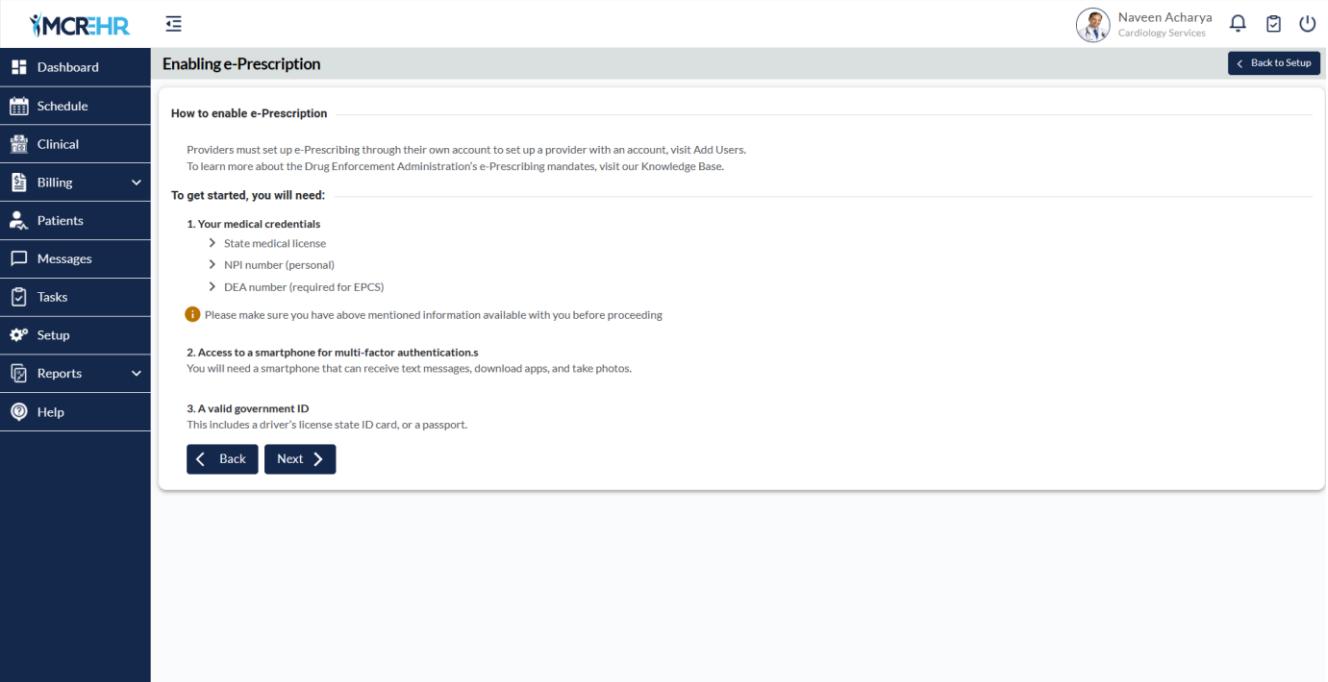

Enable

The following items contain information needed to verify personal identity and medical credentials. It is crucial that the information you enter matches the information on these documents. Confirm that you have access to all the following resources prior to beginning the eRx sign-up process:

Medical credentials for verification

A valid government-issued photo ID

Access to a smartphone

The screenshot shows the MCREHR software interface. On the left is a dark sidebar with various menu options: Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help. The main content area has a light gray header bar with the title "Enabling e-Prescription". Below this, there's a section titled "How to enable e-Prescription" which contains a note about setting up e-Prescribing through their own account and visiting the "Add Users" section. It also links to the "Knowledge Base" for more information on DEA mandates. A sub-section titled "To get started, you will need:" lists three requirements:

1. Your medical credentials
 - > State medical license
 - > NPI number (personal)
 - > DEA number (required for EPCS)
2. Access to a smartphone for multi-factor authentication.s

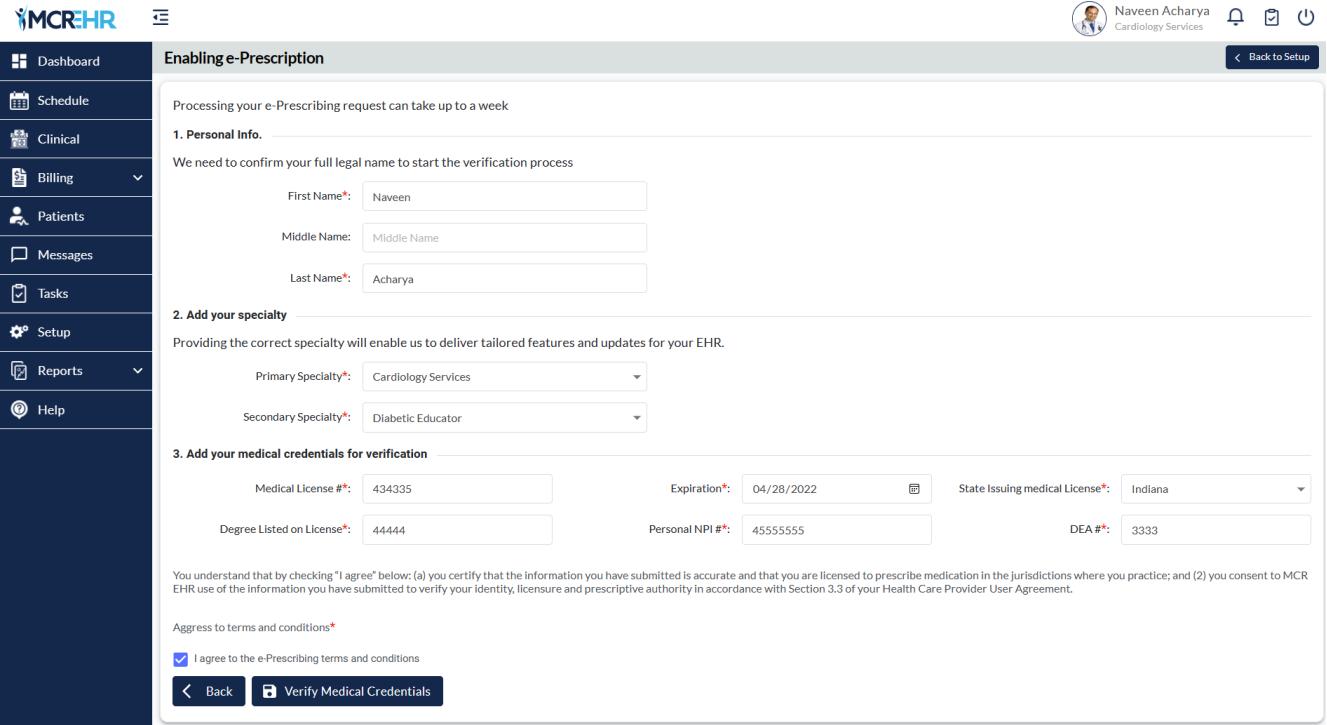

You will need a smartphone that can receive text messages, download apps, and take photos.
3. A valid government ID

This includes a driver's license state ID card, or a passport.

At the bottom of the content area are two buttons: "< Back" and "Next >". In the top right corner of the main window, there is a user profile picture for "Naveen Acharya" and the text "Cardiology Services", along with icons for notifications, messages, and power.

Profile

Enter your medical credentials and the relevant information in the required fields, marked by an asterisk. You cannot change this information after moving through the verification process. Note that DEA number is only required for EPSC sign up in the EPSC sign up workflow. Review and check the box to agree to the e-Prescribing terms and conditions.

The screenshot shows the 'Enabling e-Prescription' section of the MCREHR application. On the left is a dark sidebar with navigation links: Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help. The main content area has a header 'Enabling e-Prescription' and a sub-header 'Processing your e-Prescribing request can take up to a week'. It includes three numbered steps:

- 1. Personal Info.** A note says 'We need to confirm your full legal name to start the verification process'. Fields for First Name*, Middle Name, and Last Name* are filled with 'Naveen', 'Middle Name', and 'Acharya' respectively.
- 2. Add your specialty**: A note says 'Providing the correct specialty will enable us to deliver tailored features and updates for your EHR.' Fields for Primary Specialty* and Secondary Specialty* are set to 'Cardiology Services' and 'Diabetic Educator' respectively.
- 3. Add your medical credentials for verification**: Fields for Medical License #*, Degree Listed on License*, Expiration*, Personal NPI #*, State Issuing medical License*, and DEA #* are filled with '434335', '44444', '04/28/2022', '45555555', 'Indiana', and '3333'.

At the bottom, a note states: 'You understand that by checking "I agree" below: (a) you certify that the information you have submitted is accurate and that you are licensed to prescribe medication in the jurisdictions where you practice; and (2) you consent to MCR EHR use of the information you have submitted to verify your identity, licensure and prescriptive authority in accordance with Section 3.3 of your Health Care Provider User Agreement.'

Electronic Prescription (eRx) for Controlled Substances

Status

EPKS registration process is same as eRx registration however an additional step is required to enable EPKS. Once your credentials are verified user need to submit an approval email to practice administrator to approve your registration. Administrator will cross check your documents and approve your request.

The screenshot shows the MCREHR software interface with a dark blue sidebar on the left containing navigation icons for Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help. The main content area has a light gray header bar with the MCREHR logo, a user profile for Naveen Acharya (Cardiology Services), and a 'Back to Setup' button. The main title is 'Enabling e-Prescription'. Below it, a message says 'E-Prescription Sign-up complete' and 'Processing your e-Prescribing request can take up to a week'. A list of four steps is shown, each with a checked checkbox:

1. Add your personal details
2. Verify your identity with ID.me
3. Wait while we verify your medical credentials
4. Confirm EPKS activation

Below this list, a note says 'E-Prescription Controlled Substances signup is pending' with a checked checkbox. At the bottom left is a 'Next >' button.

Enable

The screenshot shows the IMCREHR software interface. On the left is a dark sidebar with a white header containing the IMCREHR logo and a navigation menu with items like Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help. The main content area has a light gray header with the title "Enabling e-Prescription". Below the header, there's a section titled "How to enable e-Prescription" with a note about setting up e-Prescribing through their own account and visiting the Add Users page. It also links to the Drug Enforcement Administration's e-Prescribing mandates. A section titled "To get started, you will need:" lists three requirements:

- Your medical credentials**
 - State medical license
 - NPI number (personal)
 - DEA number (required for EPSCS)
- Access to a smartphone for multi-factor authentication.** You will need a smartphone that can receive text messages, download apps, and take photos.
- A valid government ID** This includes a driver's license state ID card, or a passport.

At the bottom of the content area are two buttons: "< Back" and "Next >". In the top right corner of the main window, there's a user profile for "Naveen Acharya" from "Cardiology Services" with icons for notifications, messages, and power.

Profile

Enter your medical credentials and the relevant information in the required fields, marked by an asterisk. Clicking verify medical credentials for start the registration process.

After verifying your medical credentials, you will be prompted to indicate whether you have an existing ID.me account. If you do not have an ID.me account, you will be prompted to create one. Once the process is completed you will be re-directed to MCR EHR.

Enabling e-Prescription

Processing your e-Prescribing request can take up to a week

1. Personal Info.
We need to confirm your full legal name to start the verification process

First Name*:	Naveen
Middle Name:	Middle Name
Last Name*:	Acharya

2. Add your specialty
Providing the correct specialty will enable us to deliver tailored features and updates for your EHR.

Primary Specialty*:	Cardiology Services
Secondary Specialty*:	Diabetic Educator

3. Add your medical credentials for verification

Medical License #*:	434335	Expiration*:	04/28/2022	State Issuing medical License*:	Indiana
Degree Listed on License*:	44444	Personal NPI #*:	45555555	DEA #*:	3333

You understand by checking "I agree" below: (a) you certify that the information you have submitted is accurate and that you are licensed to prescribe medication in the jurisdictions where you practice; and (2) you consent to MCR EHR use of the information you have submitted to verify your identity, licensure and prescriptive authority in accordance with Section 3.3 of your Health Care Provider User Agreement.

Payers

List

The list of all payers in the system. Details can be viewed by clicking on any payer. To only allow insurances that are on your practice's Payer list to be selected when adding insurance to a patient's chart, check the checkbox Restrict patient insurance to this.

Users will be limited to adding payers from this list when the box is checked. Any payer not on your list will be unavailable to add to a patient's chart.

Payer / Plan	Type	Address	Status	Action
00003 - Medicaid of Missouri			Active	
62308 - CIGNA / Single-Payer			Active	
60054 - Aetna / Multiple-Payer			Active	

Add/Edit

Add new custom payer to the system or edit an existing payer from the available payers list.

Clicking on Refresh from clearing house will sync the payers from the clearing house.

The screenshot shows the MCREHR software interface with a dark blue sidebar on the left containing various menu items: Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help. The main area is titled 'Edit Payer' under 'Insurance Info'. It contains fields for Payer Name (00003 - Medicaid of Missouri), Plan Name, Plan Type (Select Plan Type), Plan Option, Address, Zip (12345), Notes, Plan Code, Copay Amount (0), City, State (Select State), Country (USA), and Status (Active). There are buttons for Save, Delete, Reset, and Logs at the bottom. The top right corner shows a user profile for Naveen Acharya, Cardiology Services, and icons for refresh, back, forward, and power.

Delete

Authorized users can delete a payer. System shows a prompt to confirm before marking this payer is deleted.

The screenshot shows the MCREHR software interface. On the left is a dark sidebar with various menu items: Dashboard, Schedule, Clinical, Billing (with a dropdown arrow), Patients, Messages, Tasks, Setup, Reports (with a dropdown arrow), and Help. The main area is titled "Payers" and contains a table with three rows of data. The columns are labeled "Payer / Plan", "Type", "Address", "Status", and "Action". The data rows are: "00003 - Medicaid of Missouri" (Type: Active), "62308 - CIGNA / Single-Payer" (Type: Active), and "60054 - Aetna / Multiple-Payer" (Type: Active). To the right of the table is a search bar and navigation buttons. A modal dialog box is centered over the table, containing a large orange question mark icon and the text "Are you sure, you want to delete the payer?". At the bottom of the dialog are two buttons: "OK" (in a dark blue box) and "Cancel".

Payer / Plan	Type	Address	Status	Action
00003 - Medicaid of Missouri			Active	
62308 - CIGNA / Single-Payer			Active	
60054 - Aetna / Multiple-Payer			Active	

Billing Profiles

Billing Profiles allow users to save codes or groups of codes to populate on a click when the profile is selected on the claim. With Billing Profiles, you can apply a combination of ICD-10, CPT, HCPCS codes you have created in your account. By creating the profiles, you can save time on billing.

List

List of all billing profiles configured in the EHR.

The screenshot shows the 'Custom Billing Profiles' section of the MCREHR application. On the left is a vertical navigation menu with icons for Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help. The 'Billing' icon has a dropdown arrow. The main area has a header 'Custom Billing Profiles' with a 'Back to Setup' button and a search bar. A table lists five profiles:

Profile	Diagnosis	Procedures	NDC	Updated	Action
Demo Run 98	C76.2	0009U		09/08/2022	
Eye Care	H01.9	1010007, 92020		03/21/2022	
Throat INF	R07.0	42800		01/12/2022	
Covid Flu	Q24.5	64726, 92020		03/18/2022	
Cardiology	I51.6, I51.7	92920, 93000, 93005, 93799	13668-118-30, 13668-141-30	03/21/2022	

At the bottom right are navigation buttons for page 1 of 10.

Add/Edit

Create or edit an existing billing profile. In order to create a new billing profile, name your profile and select your code(s). You can enter codes by number or search by keyword.

Delete

Authorized users can delete a billing profile. System shows a prompt to confirm before marking this billing profile as deleted.

Fee Schedule

List

The list of all Contracts and Fees configured in the system. Details can be viewed by clicking on any Fee Schedule.

Name	Effective Date	Payer	Fee Source	Action
Demo Run 98	09/06/2022		Manual	
Dry Run 15	04/15/2022		Manual	
Test Fee Schedule	03/24/2022	52095 - Kaiser Foundation Health of the Mid-Atlantic Stat	Custom	
Covid Fh	03/16/2022		Manual	

Add / Edit – Manual Entry

The adding or editing the Fee Schedule Manual Entry. This includes manual addition of Procedures to the Fee Schedule.

Code	Description	Modifier	Your Fee	Medicare	Action
0009U	Gene analysis of breast tumor tissue	M1	25	5	

Add / Edit –Using Custom Template

The adding or editing the Fee Schedule using Custom Template. This will create a fee schedule by bulk importing procedures and their fee from a custom excel file.

Enable/Disable

Authorized users can enable/disable a rule. System shows a prompt to confirm the change.

The screenshot shows the MCREHR Clinical Decision Support Rules page. On the left is a dark sidebar with navigation links: Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help. The main area has a header "Clinical Decision Support Rules" with a "Back to Setup" link. Below it is a section titled "Custom CDS rules" containing a table with one row. The table columns are ID, Description, Funding, Bibliography, Release Date, Active, and Action. The first row shows ID 1, Description "All patients with diabetes sho...", Active status (blue switch), and an Action button. To the right of the table is a modal dialog with a yellow question mark icon, asking "Are you sure, you want to change the setting?". It has "OK" and "Cancel" buttons. In the top right corner of the main area, there is a user profile for Naveen Acharya from Cardiology Services with icons for notifications, messages, and power.

Emergency Access

List

The list of all users for which emergency access is configured.

The screenshot shows the MCREHR application interface. On the left is a vertical navigation menu with icons and labels: Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help. The main content area is titled "Emergency Access". At the top right of this area are user profile details for "Naveen Acharya" (Cardiology Services) and several small icons. Below the title is a button labeled "+ Add New". A table lists three users with columns: Type, Name, Location, Email, Cell, Status, and Action. The users listed are: Provider Naveen Acharya (RiverSide Medical Center, saeed@figg.health, 941-405-1170), Provider Arias Dr. Carlos (AMA Health Bradenton, carias@mcr.health), and Provider Carnegie Patrick (RiverSide Medical Center, pcarnegie@mcr.health). Each row has a "Status" column with a power icon and a "Delete" column with a trash bin icon. At the bottom right of the table are navigation buttons for page 1 and a "10 / page" dropdown.

Type	Name	Location	Email	Cell	Status	Action
Provider	Naveen Acharya	RiverSide Medical Center	saeed@figg.health	941-405-1170		
Provider	Arias Dr. Carlos	AMA Health Bradenton	carias@mcr.health			
Provider	Carnegie Patrick	RiverSide Medical Center	pcarnegie@mcr.health			

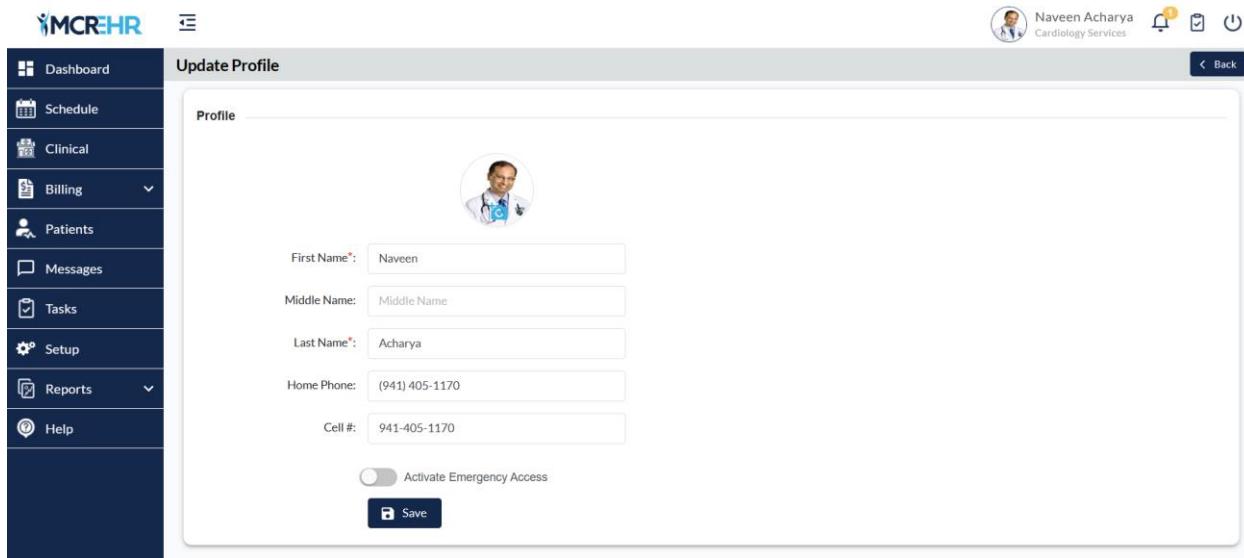

Configure Individual Access

The emergency access can be configured for each enrolled healthcare provider and staff by clicking the **+ Add New** button. The healthcare provider or staff can be selected one at a time. The cross **X** at the end of the selected allows **Chamberlain Margaret X** to delete the user.

The screenshot shows the MCREHR software interface. On the left is a vertical navigation menu with icons for Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help. The Clinical option is currently selected. The main area is titled "Emergency Access" and features a table with columns: Type, Name, Location, Email, Cell, and Status. A header button "+ Add New" is visible. A modal window titled "Allow Emergency Access" is displayed in the center. It contains radio buttons for "Provider" (selected) and "Staff". Below is a search bar with the placeholder "User Name:" and the value "Arias Dr. Carlos". There are also buttons for "Save" and "Cancel". At the top right of the main screen, there is a user profile for "Naveen Acharya" from "Cardiology Services" with icons for notifications, messages, and power.

Enable Emergency Access

The authorized users can enable the emergency access mode by going in their profile and toggling “Activate Emergency Access” toggle button. System shows a prompt to confirm. After confirmation System will logout the user and redirect to login screen. All actions performed during emergency access are logged.

Then a confirmation prompt to alert the user about the mode being active.

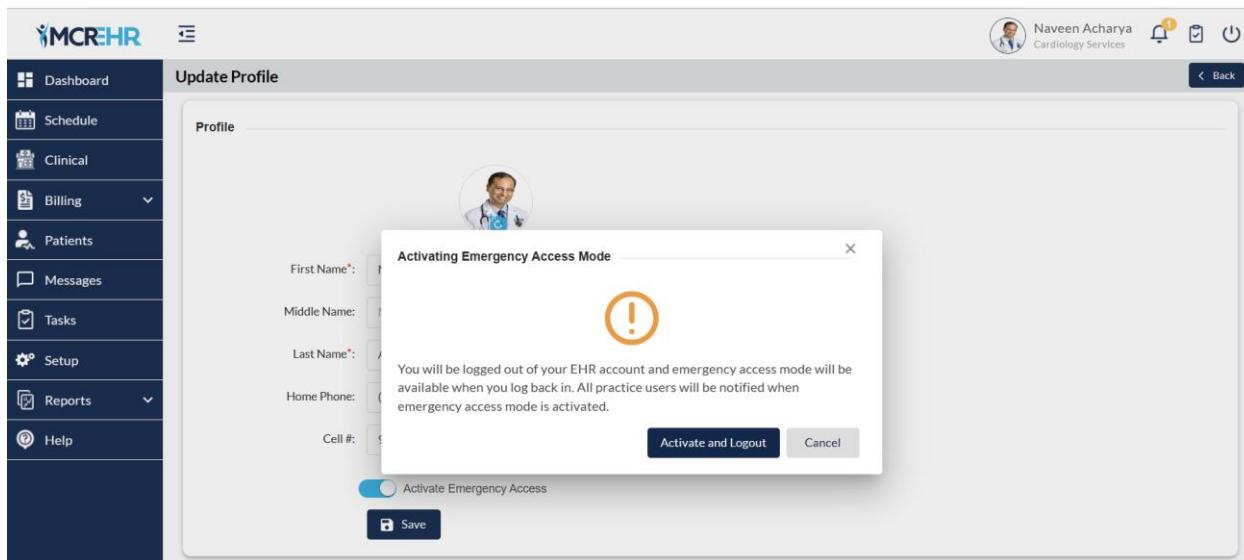

Chart Notes Templates

My Templates

The adding or editing the Chart Notes Templates configured in the system the list can be filtered and details can be viewed by clicking on any Template.

Name	Short Code	Speciality	Encounter Section	Created By	Action
Heart	/HT	AMA Health	ROS	Naveen Acharya	
Family Practices	FT9		Chief Complaint	Naveen Acharya	
Cardiology Services	CS0		Chief Complaint, Plan of Care	Naveen Acharya	
Eye	Eye		ROS, Physical Exam	Naveen Acharya	

Template Settings

The Chart Notes Templates Settings includes the Punctuation and spacing and new line settings.

The screenshot shows the MCREHR software interface with a dark blue sidebar on the left containing various icons and menu items. The main area is titled 'Chart Notes Templates' and has three tabs: 'Templates Library', 'My Templates', and 'Templates Setting'. The 'Templates Setting' tab is active. Under 'Templates Setting', there is a section titled 'Template item formatting:' with a note: 'After selecting a template item when writing your note, select the punctuation and spacing to be added:'. It offers two options: 'Predefined punctuation and spacing' (selected) with a dropdown menu showing 'Comma and space', and 'Custom' with a text input field 'Enter custom punctuation and spacing'. Below this, another note says: 'After the punctuation is added, select if there should be a new line added:'. It offers three options: 'Do not add a new line' (selected), 'Add a new line', and 'Add a double new line'. At the bottom, there is a note: 'Example template items with formatting: This is template item one. This is template item two.' A large 'Save' button is located at the bottom right.

Add/Edit Template

The adding or editing the Chart Note Template includes the Template info, Chief Complaint / HPI, Plan of care, Chart Notes, Checkout notes, Review of system and physical exam.

Delete Template

Authorized users can delete a template. System shows a prompt to confirm before marking this template as deleted.

Share Template

User can share any template to the template library and other users can use this template.

The screenshot shows the MCREHR software interface. On the left is a dark sidebar with various menu items: Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help. The main area is titled "Chart Notes Templates" and has tabs for "Templates Library", "My Templates" (which is selected), and "Templates Setting". A search bar is at the top right. Below the tabs is a table with columns: Name, Short Code, Speciality, Encounter Section, Created By, and Action. The table contains four rows: "Heart" (Short Code /HT, Speciality AMA Health, Encounter Section ROS, Created By Naveen Acharya), "Family Practices" (Short Code FT19, Speciality Chief Complaint, Created By Naveen Acharya), "Cardiology Services" (Short Code CS0, Created By Naveen Acharya), and "Eye" (Short Code Eye, Created By Naveen Acharya). A modal dialog box is centered over the table, containing a large orange question mark icon and the text "Template with name [Heart] already exist. Are you sure you want to update it?". At the bottom of the dialog are two buttons: "OK" and "Cancel".

Name	Short Code	Speciality	Encounter Section	Created By	Action

Chart Note Types

List

The list of all Chart Note Types configured in the system. Details can be viewed by clicking on any Chart Note Type.

Default	Name	Format	Status	Action
<input checked="" type="checkbox"/>	SOAP Note	SOAP	Active	
	Detailed - Chart Notes	Detailed	Active	

Add/Edit

The adding or editing the Chart Note Type includes the Name and Format with Active and Default checks.

Delete

Authorized users can delete a Chart Note Type. System shows a prompt to confirm before marking this Chart Note Type as deleted.

The screenshot shows the MCREHR software interface. On the left is a dark sidebar with various menu items: Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help. The 'Clinical' item is currently selected. The main area is titled 'Chart Note Type' and contains a table with two rows. The first row has a checked 'Default' column, 'Name' column (SOAP Note), 'Format' column (SOAP), and 'Status' column (Active). The second row has a checked 'Default' column, 'Name' column (Detailed - Chart Notes), 'Format' column (Detailed), and 'Status' column (Active). To the right of the table are buttons for 'Back to Setup', navigation arrows, and a page size selector (5 / page). A modal dialog box is centered over the table, containing a question mark icon and the text 'Are you sure, you want to delete this record?' with 'OK' and 'Cancel' buttons.

Settings

Practice wise settings for the chart note types.

The screenshot shows the MCREHR software interface. The left sidebar is identical to the previous screenshot. The main area is titled 'Chart Note Type' and shows a table with two rows. The first row has a checked 'Default' column, 'Name' column (SOAP Note), 'Format' column (SOAP), and 'Status' column (Active). The second row has a checked 'Default' column, 'Name' column (Detailed - Chart Notes), 'Format' column (Detailed), and 'Status' column (Active). To the right of the table is a 'Action' column with three rows, each with a trash bin icon. An 'Encounter Settings' modal is overlaid on the table. It has a title 'Encounter Settings' and a close button 'X'. Inside, there are two columns of toggles. The left column includes 'Allergies', 'Diagnosis', 'History', 'Medication', and 'Immunization'. The right column includes 'Chief Complaint', 'Health Concerns', 'Subjective', 'Objective', 'Observations', 'Screenings/Intervention/Assessme', 'Assessment', and 'Assessment Notes'. At the bottom of the modal are 'Save' and 'Close' buttons.

SCHEDULE

Calendar Monthly View

Patient appointments are listed on the scheduler. This is the default view of appointment schedule.

The screenshot shows the MCREHR software interface with the following details:

- Top Bar:** Includes the MCREHR logo, a search bar, and user information for "Naveen Acharya, Cardiology Services".
- Left Sidebar:** A vertical sidebar with icons and labels for Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help.

Calendar Daily View

Daily view of appointment schedule.

The screenshot shows the MCREHR application interface in 'Schedule' mode. The left sidebar has a dark blue background with white icons and text for Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help. The main area is titled 'Schedule' and shows a daily timeline from 10:45 AM to 3:00 PM. A blue box highlights an appointment at 11:45 AM for Michelle Harris in Exam Room 1. A green box highlights an appointment at 12:45 PM for Matthew Archer in Exam Room 1. Other times are shown in light gray. At the top right, there is a user profile for Naveen Acharya, Cardiology Services, and various navigation buttons like Today, Daily, Weekly, Monthly, and Exam Rooms.

Calendar Weekly View

List all patient appoints for logged in provider in the weekly view. User can switch views by clicking on the buttons available on top right corner.

The screenshot shows the MCREHR application interface in 'Schedule' mode, displaying a weekly view from Monday, February 06, to Sunday, February 12. The left sidebar is identical to the daily view. The main area shows a grid where each row represents a day of the week and each column represents a time slot from 10:45 AM to 3:00 PM. Blue boxes highlight specific appointments: one on Tuesday at 11:45 AM for Michelle Harris in Exam Room 1, another on Wednesday at 12:15 PM for Cesar Morales in Exam Room 3, and one on Friday at 12:45 PM for Matthew Archer in Exam Room 1. Other time slots are shown in light gray. The top right features the user profile for Naveen Acharya and the same navigation buttons as the daily view.

Calendar Exam Room View

View appointments as per the rooms configured in the locations. There is option available to select the room while creating a new appointment.

The screenshot displays the 'Schedule' module of the MCREHR application. The left sidebar features a dark blue theme with various icons and links: Dashboard, Schedule (selected), Clinical, Billing, Patients, Messages, Tasks, Setup, Reports (with a dropdown arrow), and Help. The main content area is titled 'Schedule' and shows a grid for Wednesday, March 01. The grid has four columns: 'Exam Room 1', 'Exam Room 3', and 'Exam Room 2'. Each column contains a single row with a small icon and the text 'Exam Room'. The time axis ranges from 12:00 AM to 4:15 AM in 15-minute increments. At the top right of the main area, there is a user profile for 'Naveen Acharya' and 'Cardiology Services' with icons for notifications, calendar, and power.

Healthcare Provider View and Filter

This view helps practice staff who is handling appointments for multiple providers. Appointments for all providers which are allocated to the logged in user (Staff) are listed, however user can apply filter to show/hide the providers by clicking the filter button.

The screenshot shows the MCREHR software interface. On the left is a dark sidebar with icons for Dashboard, Schedule, Patients, Setup, and Help. The main area is titled "Schedule". At the top of the schedule grid are buttons for "Appt. List", "Hide Filter", and "+ Add New". Below these are buttons for navigating between days ("<" and ">"), selecting the date ("Monday Feb 27"), and viewing options ("Today", "Daily", "Weekly", "Monthly", "Exam Rooms", "Doctors"). A "Providers" filter sidebar on the left lists five providers: Dedrix Daka, Freddie Figgers, Lillian Bernier, and Naveen Acharya, each with a checked checkbox. The main grid displays appointment slots from 12:00 AM to 4:00 AM for these providers. The top right corner shows a user profile for "Isabelle L. Baird" (Staff) with a notification badge (1), and icons for a bell, a document, and a power button.

APPOINTMENTS

List

The list of all patient appointments. By default, today's appointments are listed, however user can apply filter as per his choice. List shows the appointment status, Confirmation status and co-pay details.

New Appointment

Create new appointment by selecting the patient, available slots and duration of the appointment. There is an option for overbooking; once checked allow to book multiple appointments on single slot.

The screenshot shows the 'New Appointment' page in the MCREHR software. On the left is a dark sidebar with navigation links: Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help. The main area has a header 'New Appointment' with a 'Back to Schedule' button. The form fields include:

- Appt.Type:** Radio buttons for 'In Person' (selected) and 'Telehealth'.
- Appointment Details:**
 - Provider:** Edward Gill
 - Patient:** Alan Hemmings
 - Date:** 01/13/2023
 - Available Slots:** 12:10 PM
 - Duration:** 10 mins
 - Overbooking:** An unchecked checkbox.
 - Visit Reason:** Visit Reason
 - Patient Form(s):** A search bar with results: Annual Consent Form, Annual Household/Veteran Status Form, EHR Photography Consent Form / Release, Lifetime Notice of Acknowledgement, Patient Bill of Rights and Responsibilities, and Patient Demographics Registration.
- Location:** Abbott Northwestern Hospital
- Notes:** A large text input field.
- Profile:** Select Profile (dropdown), with a 'Default profile' checkbox.
- Exam Room:** Room 1
- Color:** Select Color (dropdown)
- Status:** Select Status (dropdown)
- Follow-up:** An unchecked checkbox.
- Recurring:** An unchecked checkbox.

At the bottom are 'Save' and 'Reset' buttons.

Edit Appointment

Edit any existing appointment by selecting it and getting its details. A screenshot is shown below.

The screenshot shows the MCREHR software interface with the title 'Edit Appointment'. On the left is a dark sidebar with navigation links: Dashboard, Schedule, Patients, Setup, and Help. The main area has a header 'Edit Appointment' and a sub-header 'Appt.Type:'. It includes fields for Provider (Naveen Acharya), Patient (Michelle Harris), Date (02/07/2023), Available Slots (11:45 AM), Duration (30 mins), Visit Reason (Follow-up visit), Consent Form(s) (Search Consent Form), Location (RiverSide Medical Center), Notes, Profile (Follow-up), Exam Room (Exam Room 1), Color (Select Color), Status (Arrived), and Follow-up (checkbox). At the bottom are buttons for Save, Delete, and Reset.

We, MCR HEALTH, are pleased to be your provider of health care and related services. As our patient, you have many "RIGHTS" as well as having certain "RESPONSIBILITIES" which will help us serve you more promptly and efficiently. This is a mutual partnership established between you, our patient (parent or custodian of our patient) and us, your professional staff of MCR Health. This agreement is called the PATIENT'S BILL OF RIGHTS AND RESPONSIBILITIES. It is an acknowledgement of our mutual agreement. Thank you for the opportunity to serve you.

As a patient of MCR Health you have the RIGHT to:

1. Be treated with courtesy, respect, consideration, dignity and with privacy and confidentiality by all who provide health care and other services to you at MCR Health.
2. Be given information concerning available services of MCR Health including after-hours, emergency services, and any patient support services which we have available.
3. Prompt and reasonable response to your questions and requests.
4. Choose your health care providers and know who is responsible for your care by being given proper identification by name and title of everyone who provides health care or other related services to you.
5. Be given information of MCR Health policies and charges for services including your eligibility for third party reimbursement, the Centers acceptance of assignment for Medicaid and Medicare, and any other financial assistance known to us.
6. Be given complete and current information by MCR Health concerning your diagnosis, treatment, alternatives, risks and prognosis as required by your physician's legal duty to disclose in terms and language you can reasonably be expected to understand.
7. Refuse treatment within the confines of the law.
8. Refuse to participate in experimental research.
9. Voice grievance with and/or suggest change in health care services without being threatened, restrained, or discriminated against.
10. Be given appropriate and professional quality health care and other services without discrimination against your race, creed, religion, sex, national origin, sexual preference, handicap or age.
11. A health care regime, developed to meet your personal health care needs, with periodic assessments/updates that will be reviewed with you.
12. Participate in the development of your health care regime.
13. Receive a timely appointment from MCR Health regarding your request for health care and/or other services.
14. Be given complete and current information by MCR Health so you will be able to give informed consent for your treatment prior to the start of any treatment.
15. Review your clinical record at your request within the policies of MCR Health.
16. Be given information regarding anticipated transfer of your health care to another health care facility and/or termination of health care services to you.
17. Be given information by MCR Health concerning the consequences of refusing treatment or not complying with therapy.
18. Receive an itemized bill and explanation of charges.
19. Treatment for any emergency medical condition that will deteriorate from failure to provide treatment.
20. Know rules that apply to your conduct.
21. Obtain care from other clinicians of your choice within the practice.
22. Seek a second opinion from a clinician of your choosing.
23. Seek specialty care of your choosing.

As a patient of MCR Health you are RESPONSIBLE for:

1. Giving accurate and complete health information concerning your past illnesses, hospitalization, medications, allergies, and other pertinent facts such as your past providers.
2. Reporting any unexpected change in condition.
3. Participating in the development and updates of your personal health care regime (or that of your child/dependent) and requesting further information concerning anything you do not understand.
4. Following your developed/updated health care regime.
5. Your actions if you refuse treatment or do not follow recommendations of MCR Health for your health care.
6. Keeping appointments for any scheduled service at the Center inducing clinical and financial referrals and if you are unable to keep the scheduled appointment for any reason, please notify the Center.
7. Providing MCR Health with accurate and complete financial information and paying any amounts that are required for your financial classification.
8. Assisting in maintaining a safe and clean environment and following the Center's rules for patient care and conduct.

The Joint Commission on Accreditation of Healthcare Organizations is an independent non-profit, national body that oversees the safety and quality of healthcare and other services provided in accredited organizations. Information about accredited organizations may be provided directly to the Joint Commission at 1-900-994-6610 or complaint@jointcommission.org

CLINICAL NOTES/ENCOUNTERS

Lists all patient appointments and current or completed encounters. User can use “Show Unsigned only” to view all un-signed encounters. There is an option to start the encounter.

The screenshot shows the 'Clinical Notes / Encounters' module of the MCR:HR system. At the top right, there is a user profile for 'Naveen Acharya' from 'Cardiology Services' with a notification icon showing '1'. Below the header, there are search fields for 'Select Location' (set to 'RiverSide Medical Center') and 'Select Provider' (set to 'Naveen Acharya'). There are also filters for 'Locked Status' (with an option to exclude cancelled and no-shows checked) and 'Patient Name' ('Patient Name' field is empty). The search results table includes columns for 'Patient', 'Date of Service', 'Rendering Provider', 'Locked (Rendering Signed)', 'Supervising Signed Off', and 'Action'. One result is listed: 'Michelle Harris' on '12/27/2022 03:30 PM' by 'Naveen Acharya', marked as 'No' for locked status, and has a 'Start Note' button. The bottom right of the table area shows page navigation controls (1, < >, 5 / page).

Patient	Date of Service	Rendering Provider	Locked (Rendering Signed)	Supervising Signed Off	Action
Michelle Harris	12/27/2022 03:30 PM	Naveen Acharya	No		<button>Start Note</button>

New Encounters

Clicking start encounter will create a new encounter. User can change visit type, Visit date and check-in time are auto-populated.

The screenshot shows the MCRHR software interface. On the left is a dark sidebar with various menu items: Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help. The Clinical item is currently selected. The main area has a header "Encounter" and a sub-header "Encounter(s) - Michelle Harris". Below this, there is a search bar and a list of previous encounters: "12/19/2022 In Person" and "12/18/2022 In Person CC: Abdominal Pain". A modal dialog box titled "Add Encounter" is open in the center. It contains the following fields:

- Visit Type*: In Person
- Visit Date*: 12/27/2022
- Check In Time*: 02:11 PM
- Provider*: Naveen Acharya
- Location*: RiverSide Medical Center
- Chart Note Type*: SOAP Note
- Comments: Comments

At the bottom of the dialog are two buttons: "Save" (highlighted in blue) and "Close".

Add/View Patient Forms

User can attach signed forms received from the patient to this encounter. Multiple forms can be uploaded by using the add button.

The screenshot shows the MCREHR software interface. On the left is a dark sidebar with various menu items: Dashboard, Schedule, Clinical, Billing, Patients, Messages, Tasks, Setup, Reports, and Help. The Clinical item is currently selected. The main area has a header "Encounter" and "Encounter(s) - Michelle Harris". It displays three encounters: 12/27/2022 (In Person, CC:), 12/19/2022 (In Person, CC:), and 12/18/2022 (In Person, CC: Abdominal Pain). A modal window titled "Consent Form" is open, showing fields for "Consent form Title*" (set to "Consent form Title") and "Upload Consent Form*". Below the modal, there are sections for Family History, Social History, Medication, Objective, Functional Status, Cognitive Status, and Screenings/Interventions/Assessments. Each section has a note indicating no records are found.

Detail Note

HER support SOAP and details note types. Detailed note type shows all available charting sections by default however every provider can show/hide sections and change the location of every section as per his/her own need.

Chief complaint:

Anxiety (Appt time:03:20 PM)(Arrival time:03:12 PM)

HPI:

Mrs Amelia Carr is a female with a history of hypertension who presents to the emergency department for evaluation of chest pain. The pain began 3 hours ago gradually at rest, but has since resolved. He describes the pain as sharp and rates it as a 7/10. It is located in the middle of his chest and does not radiate. No other aggravating or alleviating factors. He has never had an episode like this in the past and did not try any medication to relieve the pain. He denies any fevers, cough, nausea, vomiting, light-headedness, abdominal pain, diaphoresis, shortness of breath, numbness, or reflux symptoms. He has not had recent surgeries, hospitalizations, or traumas.

The screenshot shows the MCRHR software interface for managing patient encounters. On the left is a vertical sidebar with icons for various functions like Demographics, Vitals, and Appointments. The main area is titled 'Encounter' and shows details for a patient named Amelia Carr, female, 28 years old, born 12/15/1995, seen on 01/06/2023 in person, with a chief complaint of Anxiety.

Allergies: Active: ACE inhibitor, Food Allergy; In Active: No inactive allergy recorded yet.

Diagnosis: Active: Abdominal actinomycosis; Resolved: No resolved diagnosis recorded yet.

History: Medical History: Allergic Rhinitis, GRED; Family History: Cousin: Dead; Social History: No social history recorded yet.

Medication: Active: (+)-Panthenol, SIG: TAKE 0 TABLET Daily, 01/06/2023; In Active: Patient has no past medicines.

Immunization: Administrated: adenovirus vaccine, type 7, live, oral; Historical: No historical immunization recorded yet; Refused: No refused immunization recorded yet.

Note Details: Note Created by: Jessica Henderson; Signed by: Edward Gill, Optometry.

Chief Complaint: Anxiety.

HPI: Mrs. Amelia Carr is a female with a history of hypertension who presents to the emergency department for evaluation of chest pain. The pain began 3 hours ago gradually at rest, but has since resolved. He describes the pain as sharp and rates it as a 7/10. It is located in the middle of his chest and does not radiate. No other aggravating or alleviating factors. He has never had an episode like this in the past and did not try any medication to relieve the pain. He denies any fevers, cough, nausea, vomiting, light-headedness, abdominal pain, diaphoresis, shortness of breath, numbness, or reflux symptoms. He has not had recent surgeries, hospitalizations, or traumas.

Health Concerns: Patient has no health concerns.

Subjective: Amelia Carr reports that he is feeling 'tired' and that he can't seem to get out of bed in the morning. Amelia Carr is struggling to get to work and says that he 'constantly finds his mind wandering to negative thoughts. Amelia Carr stated that his sleep had been broken and he does not wake feeling rested. He reports that he does not feel as though the medication is making any difference and thinks he is getting worse.

Objective: Objective Notes: Amelia was unable to come into the practice and so has been seen at home. Amelia's personal hygiene does not appear to be intact; he was unshaven and dressed in track pants and a hooded jumper which is unusual as he typically takes excellent care of his appearance. Amelia appears to be tired; he is pale in complexion and has large circles under his eyes.

Functional Status: Activity: Bathing; Ability: Able to and Does.

Cognitive Status: Abdominal actinomycosis.

Screenings/Interventions/Assessments:

A sample print for the above SOAP note is shared as below,

SUBJECTIVE NOTES

Amelia Carr reports that he is feeling 'tired' and that he can't seem to get out of bed in the morning. Amelia Carr is struggling to get to work and says that he 'constantly finds his mind wandering to negative thoughts. Amelia Carr stated that his sleep had been broken and he does not wake feeling rested. He reports that he does not feel as though the medication is making any difference and thinks he is getting worse.

OBJECTIVE NOTES

Amelia was unable to come into the practice and so has been seen at home. Amelia's personal hygiene does not appear to be intact; he was unshaven and dressed in track pants and a hooded jumper which is unusual as he typically takes excellent care of his appearance. Amelia appears to be tired; he is pale in complexion and has large circles under his eyes.

Amelia's compliance with his new medication is good, and he appears to have retained his food intake. Weight is stable and unchanged.

ASSESSMENT

Amelia presented this morning with a low mood and affect. Amelia exhibited speech that was slowed in rate and reduced in volume. His articulation was coherent, and his language skills were intact. His body posture and effect conveyed a depressed mood. Amelia's facial expression and demeanor were of someone who is experiencing major depression. Affect is appropriate and congruent with mood. There are no visible signs of delusions, bizarre behaviors, hallucinations, or any other symptoms of psychotic process. Associations are intact, thinking is logical, and thought content appears to be congruent. Suicidal ideation is denied. Short and long-term memory is intact, as is the ability to abstract and do arithmetic calculations. Insight and judgment are good. No sign of substance use was present.

PLAN

Diagnoses: The diagnoses are based on available information and may change as additional information becomes available.

Major depressive disorder, recurrent, severe F33.1 (ICD-10) Active

Link to treatment Plan Problem: Depressed Mood

Problem: Depressed Mood

Amelia's depressed mood has been identified as an active problem requiring ongoing treatment. It is primarily evident through a diagnosis of Major Depressive Disorder.

Long-term goal:

Amelia will develop the ability to recognize and manage his depression.

Short-term goals and interventions:

- Continue to attend weekly sessions with myself
- Continue to titrate up SSRI, fluoxetine
- To walk Jingo once a day
- To use a safety plan if required

HPI (History of Present Illness)

This screen is used to note patient history of presence illness. User can type in or use templates to quickly perform this task.

The screenshot shows the MCRHR software interface. On the left, there's a sidebar titled 'Encounter' with a list of recent encounters for 'Michelle Harris'. The main area is titled 'Chief Complaint' and contains a text input field with 'Anxiety' typed in. Below it is a large text area labeled 'HPI' with a rich text editor toolbar. At the bottom of this panel are buttons for 'Add Template', 'Edit Template', 'Previous HPI', 'Save as Template', 'Save', and 'Close'. To the right of the main panel, there are sections for 'Caffeine Use' (which is empty) and 'Medication' (with a sub-section for 'Active'). The top right corner shows the user's name 'Naveen Acharya' and 'Cardiology Services' along with standard application icons like sign-in, print, and settings.

Vital Signs

This screen is used to record patient vitals related to this encounter. System allows to record vitals in Imperial and Metric units.

Physical Exam

Provider record physical examination data using this screen, they can type in or use the templates to quickly perform this task. Data from previous physical exam can be imported by clicking the “Previous Physical Exam” button.

The screenshot shows the MCREHR Clinical Notes application. On the left, there's a sidebar with various icons for navigation. The main area has a header with the user's name, Naveen Acharya, and a "Back to Clinical Notes" link. A "Physical Exam" dialog box is open in the center. At the top of the dialog, there's a "Templates" section with a "Eye" template selected. Below that is a "Physical Exam" section with fields for "Exam Due to:" and "Comments: [comments]". Under the "Physical Exam" heading, there are two columns: "Positive" and "Negative", each with several checkboxes. The "Positive" column includes checkboxes for Cataract, Discharge, and Pterygium. The "Negative" column includes checkboxes for No cataract, No Discharge, and No pterygium. There's also a "All Normal" checkbox. At the bottom of the dialog are "Save" and "Close" buttons. Below the dialog, there are sections for "Medication" (Active), "Checkout Notes" (No lab order recorded yet), and "Tobacco Smoking" (Current every day smoker). There's also a "Caffeine Use" section.

Procedures

Provider can select procedures regarding this encounter. CPT, HCPCS, HCPT codes are available for recording. They can use left grid to quick select procedures from the frequent list.

The screenshot shows the MCREHR software interface. On the left is a vertical sidebar with various icons for navigation. The main area displays a grid of patient encounters. One encounter is selected, showing details like date (12/27/2022), location (In Person), and condition (CC:). Below the grid is a 'Most Used' list of procedures with columns for Code and Description. A modal dialog titled 'Procedure' is open, showing a search bar with dropdown options for CPT, HCPCS, or HCPT. The results table has columns for Description, Code, and Action. One result is listed: '00104 - Anesthesia for electroconvulsive therapy' with code '00104'. At the bottom of the dialog are buttons for 'Close' and '5 / page'.

Code	Description
0001U	0001U - Red blood cell antigen typing, DNA, human erythrocyte antigen gene analysis of 35 antigens from 11 blood groups, utilizing whole blood, common RBC alleles reported
00104	00104 - Anesthesia for electroconvulsive therapy
0003M	0003M - Liver disease, ten biochemical assays (ALT, A2-macroglobulin, apolipoprotein A-1, total bilirubin, GGT, haptoglobin, AST, glucose, total cholesterol and triglycerides) utilizing serum, prognostic algorithm reported as quantitative scores for fibrosis, steatosis and nonalcoholic steatohepatitis (NASH)

Lab Order

Provider clicks on Lab order link to order a new lab for the patient. Provider select lab, test and associated diagnosis. They can order multiple labs to the order.

Step - 1

The screenshot shows the MCREHR EHR software interface. On the left is a vertical toolbar with various icons. The main window has a header with the user's name, Naveen Acharya, and a 'Vital Signs' button. A sub-header says 'Lab Order'. The main content area is titled 'Select lab, studies and diagnosis for this order'. It shows a dropdown for 'Lab*' set to 'Quest Diagnostics' with a 'Collect at Lab (All)' checkbox. Below this, under 'Order Test(s)', there are two entries: 'Acetaminophen' and '17-Hydroxyprogesterone', each with a delete icon. There is also a search bar for 'Add Test*'. Under 'Order Diagnosis', there are two entries: '(000.0) - Abdominal pregnancy' and '(R83.0) - Abnormal findings in cerebrospinal fluid, abnormal level of enzymes', each with a delete icon. There is also a search bar for 'Add Diagnosis'. At the bottom are buttons for 'Save as Template', 'Save', 'Next >', and 'Close'. A 'Translation Documents' section indicates 'No translation documents attached'.

Step – 2

Provider refines the details of order selected during the first step. They can add diagnosis specific to this order. Specimen details can be added by clicking the “Add a specimen for collection”

Cognitive Status

This section is used to record patient cognitive status, User record assessments, and Normal abnormal and effective date.

The screenshot shows the MCRHR software interface. On the left is a vertical toolbar with various icons. The main area displays patient information: Social History (Tobacco Smoking: Current every day smoker, Caffeine Use: None), Medication (Cognitive Status assessment window open), Procedure (00104 - Anesthesia for electroconvulsive therapy), Lab Orders (No lab order recorded yet), and Checkout Notes (No notes yet). The Cognitive Status window has fields for Assessment*, Effective Date*, Resolved Date, and Comments, with Save and Close buttons at the bottom. The Medication section also includes Immune Status and Allergy sections.

Functional Status

Patient functional status information can be recorded in this section. Provider selects activity and select patient ability to perform the activity, his evaluation and effective dates.

The screenshot shows the MCRHR software interface. On the left is a vertical toolbar with various icons. The main panel displays patient information: Social History (Tobacco Smoking: Current every day smoker, Caffeine Use: None), Medication (Active: Patient has no active medicines, In Active: Patient has no past medicines), Immunization (Administrative: No administered immunizations, Historical: No historical immunizations, Refused: No refused immunizations), and a Procedure section (00104 - Anesthesia for electroconvulsive therapy). A central modal dialog is open under the Medication section, titled 'Functional Status'. It contains two radio buttons: 'Self Care' (selected) and 'Functional Status'. Below this are dropdown menus for 'Activity*' (Search Activity) and 'Ability*' (Please Select Ability), and another dropdown for 'Evaluation*' (Please Select Evaluation). There are date fields for 'Effective Date*' (12/27/2022) and 'Resolved Date' (mm/dd/yyyy). A text area for 'Comments:' is present. At the bottom of the modal are three buttons: 'Save' (dark blue), 'Add Another' (light gray), and 'Close'.

Upload Translation Documents

This section is used to record translation documents (If translator is used). Prover can upload multiple translation documents.

The screenshot shows the MCRHR software interface. The left sidebar includes a 'Translation Documents' icon. The main panel shows patient details: Social History (Tobacco Smoking: Current every day smoker, Caffeine Use: None), Medication (Active: Patient has no active medicines, In Active: Patient has no past medicines), Immunization (Administrative: No administered immunizations, Historical: No historical immunizations, Refused: No refused immunizations), and a Procedure section (00104 - Anesthesia for electroconvulsive therapy). A central modal dialog is open under the Medication section, titled 'Translation Documents'. It features a single input field 'Upload Files' with a browse icon and a 'Close' button. To the right of the modal, the 'Functional Status' section is visible, showing 'No functional status recorded yet'. Other sections like Lab Orders, Checkout Notes, Chart Notes, Care Plan, and Super Bill are also present with their respective status messages.

Screening/Intervention/Assessments

Provider can record patient screening / Intervention and assessment information using this screen. Procedure, its status and results are recorded.

The screenshot shows the MCRHR software interface with a central pop-up window titled "Screenings/Interventions/Assessments". The window includes the following fields:

- eCQM*: A radio button group with "The year only" selected and "All" as an option.
- Procedure*: A search bar with a magnifying glass icon.
- Status*: A dropdown menu labeled "Select Status".
- Result: A search bar with a magnifying glass icon.
- Start Date: A date input field with a calendar icon.
- End Date: A date input field with a calendar icon.
- Comments: A text area for notes.

At the bottom of the window are "Save" and "Close" buttons. The background of the main screen shows a patient profile for "Naveen Acharya" with sections for Social History, Medications, Immunizations, and Allergies, all currently empty.

OB/GN Status

Normal

This section is used to record patient OB/GN Status.

The screenshot shows the MCRHR software interface. On the left is a vertical toolbar with various icons. The main window has a header bar with the date (12/18/2022), time (In), and a note (CC: Abdominal Pain). Below the header is a navigation bar with tabs: Active (selected), Refused, and Functional Status. The Active tab displays a "History Sections" sidebar with links to Social History, Family History, Risk Assessment, OB/GYN Status, Past Medical History, Past Surgical History, and Hospitalization History. A modal dialog box titled "OB/GYN Status" is open in the center. It contains four radio buttons: Normal (selected), Pregnant, Dysmenorrhea, and Menopause. Below the buttons is a text input field labeled "Additional Info:" which is currently empty. At the bottom of the dialog are "Save" and "Close" buttons. The status bar at the bottom of the screen indicates "No HPI recorded yet".

Pregnant

This section is used to record patient OB/GN Status and pregnancy related details.

The screenshot shows the MCREHR software interface with the following details:

- Header:** MCREHR, Date: 12/18/2022, Location: In, Clinical Context: CC: Abdominal Pain.
- User Profile:** Naveen Acharya, Cardiology Services.
- Main Navigation:** History Sections (Social History, Family History, Risk Assessment, OB/GYN Status, Past Medical History, Past Surgical History, Hospitalization History).
- Active Section:** OB/GYN Status (radio buttons for Normal, Pregnant, Dysmenorrhea, Menopause; dropdowns for Age at Menarche, Parity, L.M.P., EDD, Gravida; text area for Additional Info; buttons for Save and Close).
- Other Sections:** Refused (No refused immunization recorded yet) and Functional Status (No functional status recorded yet).

Dysmenorrhea

This section is used to record patient OB/GN Status and Dysmenorrhea related details.

The screenshot shows the MCREHR software interface with the following details:

- Header:** MCREHR, Date: 12/18/2022, Location: In, Clinical Context: CC: Abdominal Pain.
- User Profile:** Naveen Acharya, Cardiology Services.
- Main Navigation:** History Sections (Social History, Family History, Risk Assessment, OB/GYN Status, Past Medical History, Past Surgical History, Hospitalization History).
- Active Section:** OB/GYN Status (radio buttons for Normal, Pregnant, Dysmenorrhea, Menopause; dropdowns for Age at Menarche, Parity, Flow, Cycle, L.M.P.; text area for Additional Info; buttons for Save and Close).
- Other Sections:** Refused (No refused immunization recorded yet) and Functional Status (No functional status recorded yet).

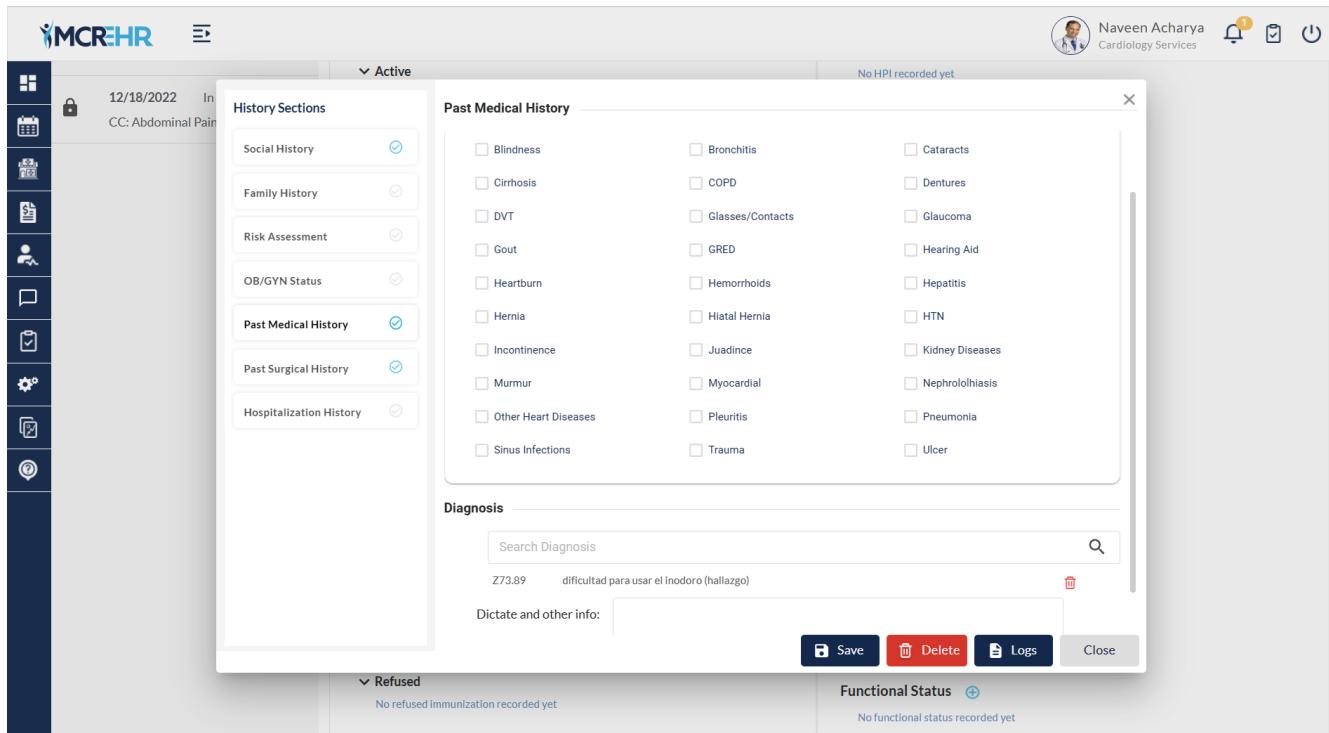

Menopause

This section is used to record patient OB/GN Status and Menopause related details.

The screenshot shows the MCREHR software interface. On the left is a vertical toolbar with various icons. The main window has a header bar with the MCREHR logo, a user profile for Naveen Acharya, and some notification icons. Below the header, there's a navigation bar with sections like 'Active', 'History Sections' (Social History, Family History, Risk Assessment, OB/GYN Status, Past Medical History, Past Surgical History, Hospitalization History), and 'Refused' (No refused immunization recorded yet). A central modal dialog box is open, titled 'OB/GYN Status'. It contains radio buttons for 'Normal', 'Pregnant', 'Dysmenorrhea', and 'Menopause', with 'Menopause' selected. There are input fields for 'Age at Menarche' and 'Age at Menopause', both currently set to 'Age at Menarche'. A text area labeled 'Additional Info:' is empty. At the bottom of the dialog are 'Save' and 'Close' buttons. The status bar at the bottom right indicates 'No functional status recorded yet'.

Past Medical History

This section is used to record patient past medical history. User can select options from the pre-defined list.

The screenshot shows the MCREHR software interface with the following details:

- Top Bar:** Displays the MCREHR logo, a user profile for Naveen Acharya (Cardiology Services), and various system icons (notification, search, power).
- Main Navigation:** On the left, a vertical sidebar contains icons for Home, Lock, Calendar, Patient List, Document, Patient Details, Tools, and Help.
- Central Panel:**
 - History Sections:** A list of sections with checkboxes: Social History (checked), Family History, Risk Assessment, OB/GYN Status, Past Medical History (checked), Past Surgical History, and Hospitalization History.
 - Past Medical History:** A list of medical conditions with checkboxes. Some are checked: Blindness, Cirrhosis, DVT, Gout, Heartburn, Hernia, Incontinence, Murmur, Other Heart Diseases, and Sinus Infections. Others are unchecked: Bronchitis, COPD, Glasses/Contacts, GRED, Hemorrhoids, Hiatal Hernia, Juadince, Myocardial, Pleuritis, Trauma, Cataracts, Dentures, Glaucoma, Hearing Aid, Hepatitis, HTN, Kidney Diseases, Nephrolithiasis, Pneumonia, and Ulcer.
 - Diagnosis:** A search bar with placeholder text "Search Diagnosis" and a magnifying glass icon. Below it is a code entry field with "Z73.89" and the Spanish text "dificultad para usar el inodoro (hallazgo)". There is also a trash bin icon and a "Refuse" button.
 - Buttons:** Save, Delete, Logs, and Close.
 - Other Sections:** Refused (No refused immunization recorded yet) and Functional Status (No functional status recorded yet).

Past Surgical History

This section is used to record patient past surgical history. User record procedure performed, date, Place and Post operation complication (if any).

The screenshot shows the MCREHR software interface. On the left is a vertical toolbar with various icons. The main window displays a list of medical records on the left and a detailed view on the right. The detailed view is titled "Chief Complaint / History of Presenting Illness" and contains sections for "History Sections" (Social History, Family History, Risk Assessment, OB/GYN Status, Past Medical History, Past Surgical History, Hospitalization History), "Add/Edit Past Surgical History" (Date, Surgical Procedure, Place of Surgery, Post-Op Complications, Notes), and "Added Surgical History" (a table with one row: Date 12/01/2022, Procedure 59051 - Fetal monitoring). At the top right, there is a user profile for Naveen Acharya, Cardiology Services, and notification icons.

Hospitalization History

This section is used to record patient hospitalization history. User record admission date, diagnosis, length of stay and related procedure.

The screenshot shows the MCRHR software interface. On the left is a vertical toolbar with various icons. The main area displays a list of medical records on the left and a detailed view on the right. The detailed view is titled "Chief Complaint / History of Presenting Illness". It shows a "History Sections" sidebar with "Social History", "Family History", "Risk Assessment", "OB/GYN Status", "Past Medical History", "Past Surgical History", and "Hospitalization History" (which is currently selected). The main panel is titled "Hospitalization History" and contains fields for "Add/Edit Hospitalization": "Hospitalization" (radio button selected), "Admission Date*" (mm/dd/yyyy input field), "Related to:" (Search Diagnosis input field), "Length of stay*" (Length of stay input field with Day(s) dropdown), "Procedure:" (Search Procedure input field), and "Notes" (text area). At the bottom are "Save" and "Add another" buttons. Below this is a table titled "Added Hospitalization History" with columns: Date, Related, Length of stay, Procedure, and Action. A message "No Record Found" is displayed. At the bottom left are sections for "Administered" (with a note about no administered immunization recorded yet) and "Historical". At the bottom right is a "Patient Instructions (Plan of Care)" section with a note about no patient instructions (plan of care) recorded yet. The top right corner shows the user's name "Naveen Acharya" and title "Cardiology Services" along with notification and power icons.

Immunizations

This section is used to record immunization details. User can record administrated, historical and refused immunizations. Option is also available to record partially administrated vaccine.

The screenshot shows the MCREHR software interface with the 'History' tab selected. A modal window titled 'New Immunization' is open. The form contains fields for: Status (radio buttons for Administered, Historical, Refused, with Administered selected); Vaccine (Search vaccine input field with placeholder 'Search vaccine' and magnifying glass icon); Dose (Dose input field with placeholder 'Dose'); Unit (Select Unit dropdown menu); Route (Select Route dropdown menu); Body Site (Select Body Site dropdown menu); Administrated By (Search Provider/Staff input field with placeholder 'Search Provider/Staff' and magnifying glass icon); Administrated Date (mm/dd/yyyy date input field with calendar icon); Location (Location dropdown menu set to 'RiverSide Medical Center'); Manufacturer (Select Manufacturer dropdown menu); Lot # (Lot Number input field); Expiry Date (mm/dd/yyyy date input field with calendar icon); Partially Administrated (checkbox); Funding Source (Select Funding Source dropdown menu); Funding Program (Select Funding Program dropdown menu); Document Type (Select Document Type dropdown menu); VIS Date (mm/dd/yyyy date input field with calendar icon); Consent Form (Select Consent Form dropdown menu); and three buttons at the bottom: Save (blue button), Reset, and Close. The background shows a sidebar with various icons and a header with user information: Naveen Acharya, Cardiology Services, and notification icons.

Add Medication

Historical

This section is used to order patient medication; Historic patient medication can also be recorded using this screen.

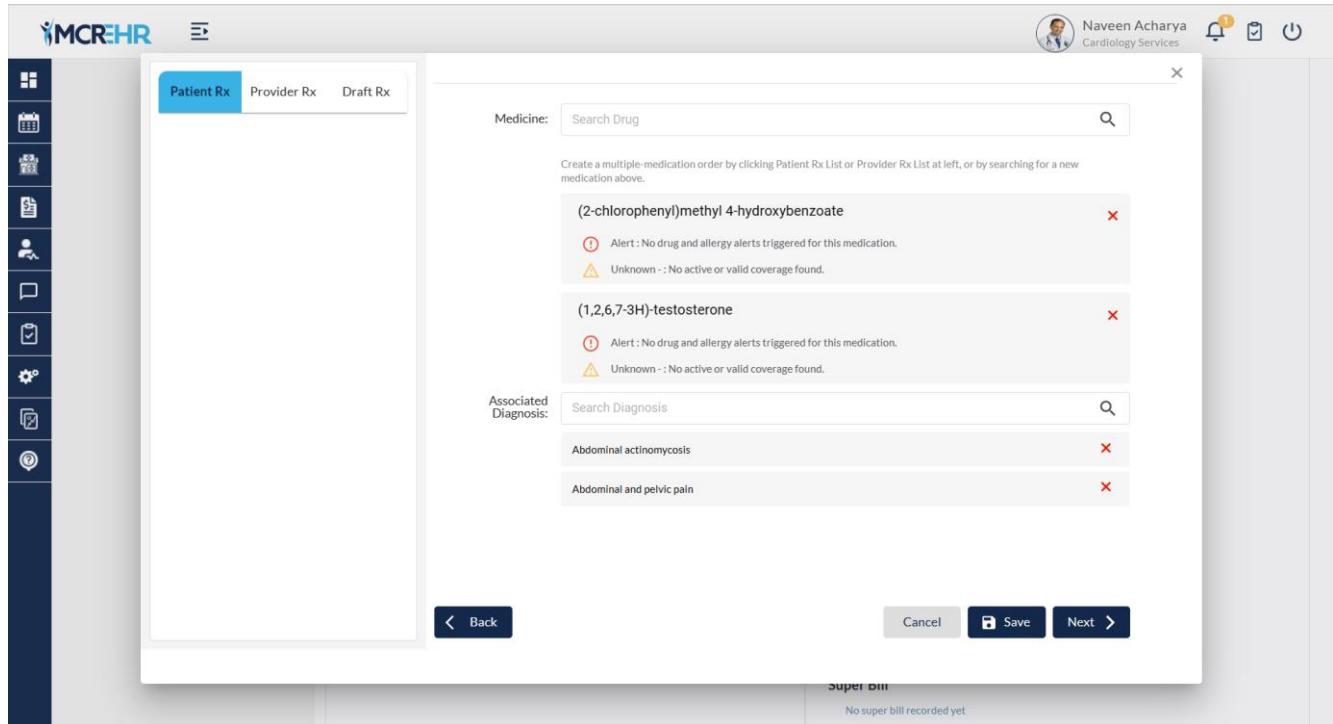

The screenshot shows the 'Add Medication' window in the MCRHR application. The window has the following fields:

- Medicine:** (2-chlorophenyl)methyl 4-hydroxybenzoate
- SIG:** 1 day(s) inhalation 2 times a day after meals x1 week
- Associated Diagnosis:** Abdominal actinomycosis, Abdominal and pelvic pain
- Start Date:** 12/27/2022
- Stop Date:** mm/dd/yyyy
- Medication Comments:** Medication Comments
- Status:** Active

Buttons at the bottom include 'Save', 'Order', and 'Close'. A note at the bottom right says 'No super bill recorded yet'.

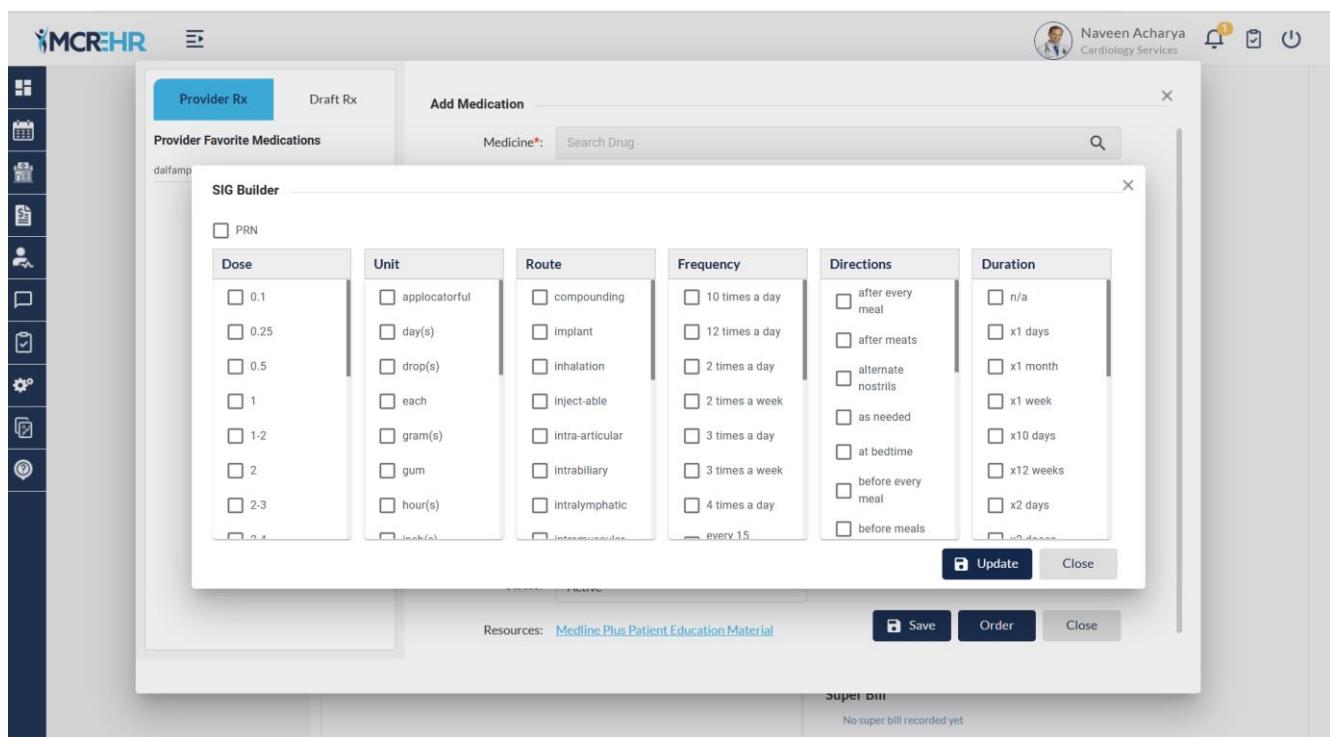

eRx

Provider can select medication from patient existing medications by using the left panel, or he can select from his frequently subscribed list. User can add multiple medication to the order and related diagnosis.

Sig Builder

User can type in custom sig or can use sig builder by clicking on setting icon.

Order Medication

Med Details

User select medication he wants to subscribe to the patient, enter associated diagnosis, Type sig details, select dispense, refill and other detail and click the next button.

- Employer Details:** Name, Phone #: (863) 993-2966, Address, City, Zip Code, State (Select State), Country (USA), Email.

At the bottom are Save, Delete, Reset, and Log buttons.

Vitals

Authorized user can view patient latest four vital readings.

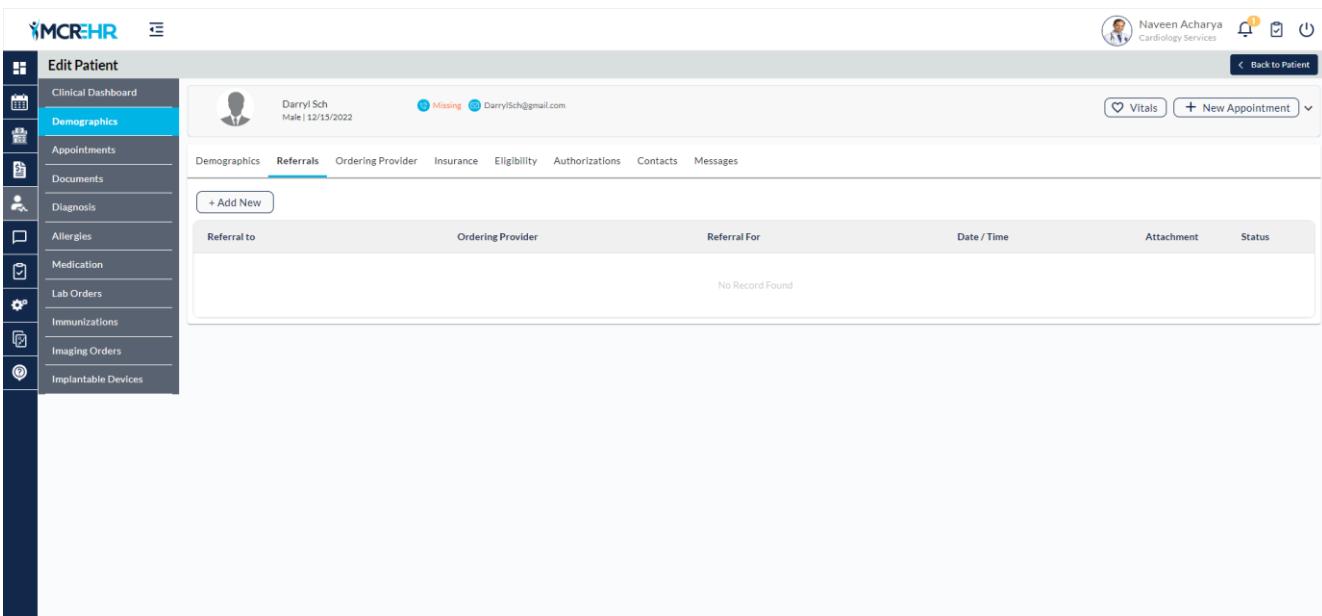

The screenshot shows the 'Edit Patient' interface for a patient named Darryl Sch. The left sidebar has a 'Demographics' section selected. The main panel displays the patient's demographic information and a 'Vital Sign(s)' overlay. The vital sign data is as follows:

Vital	Date
Height	3 in
Weight	3 lbs
BMI	1.63
Blood Pressure	3/3 mmHg
Temperature	3 F

Referral

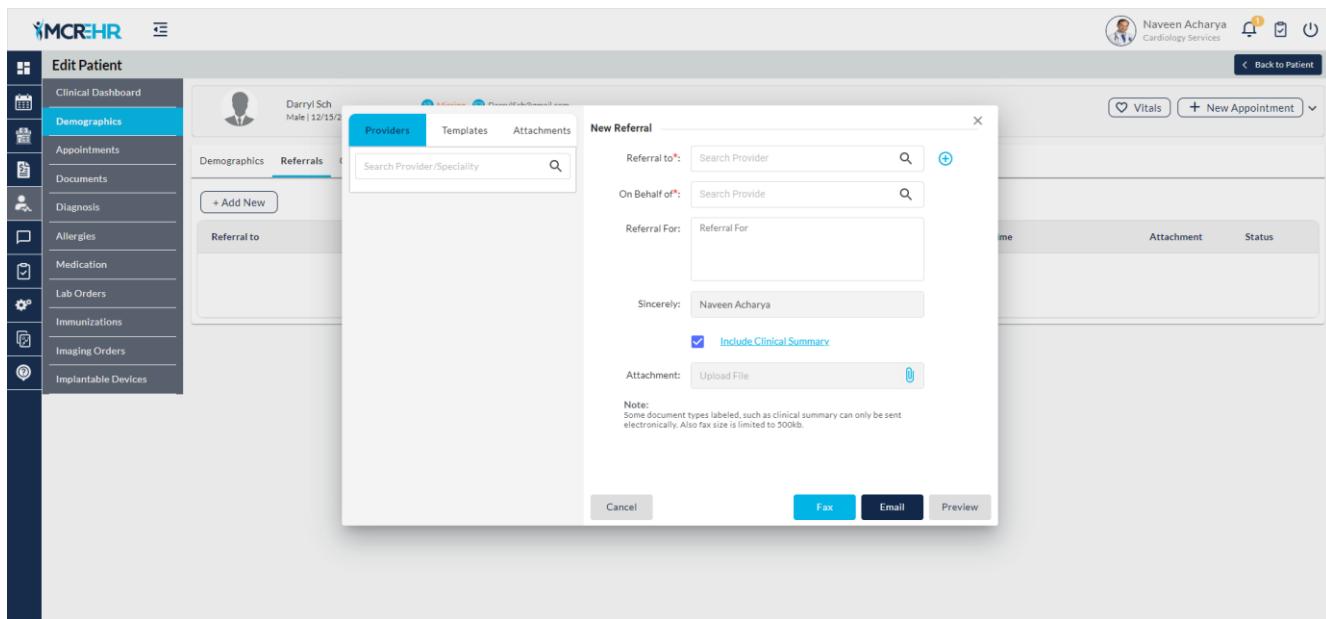

The list of all referral from the system for specific patient.

The screenshot shows the 'Edit Patient' interface for the same patient, Darryl Sch. The left sidebar has a 'Referrals' section selected. The main panel displays a table for managing referrals, which currently shows 'No Record Found'.

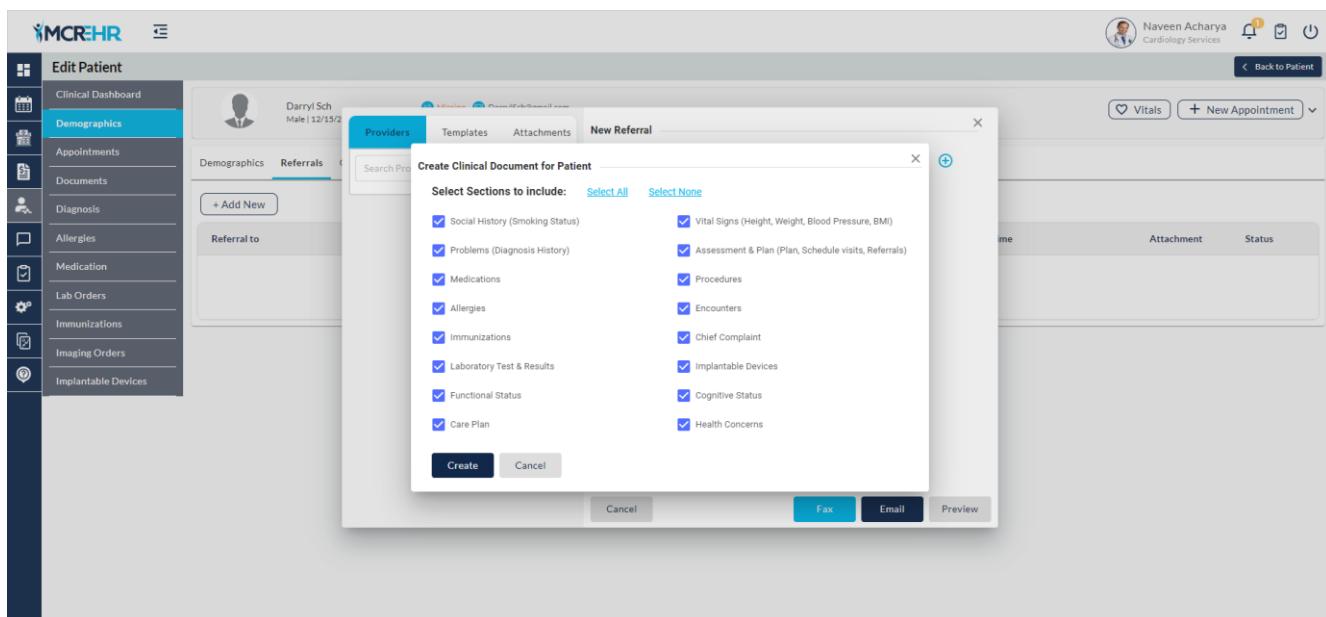

New Referral

User can refer a patient using this patient referral screen. User search the desired provider and enter referral reason. Optionally they can attach clinical summary with the referral.

Clinical Summary

While referring a patient user can attach patient summary (HL7 format). User can select which information he is willing to exchange.

Add Referring Provider

User can add new referring provider (if provider is not already available in the system)

The screenshot shows a 'New Referral' dialog box overlaid on a patient record interface. The dialog has tabs for 'Providers', 'Templates', and 'Attachments', with 'Providers' selected. It contains fields for 'First Name*', 'Middle Name', 'Last Name*', 'Specialty*', 'Email*', 'Phone #', 'Fax #', and 'Direct Address'. Below the form are 'Save', 'Reset', 'Cancel', 'Fax', 'Email', and 'Preview' buttons.

Field	Description
First Name*	Text input for the provider's first name.
Middle Name	Text input for the provider's middle name.
Last Name*	Text input for the provider's last name.
Specialty*	Dropdown menu for selecting the provider's specialty.
Email*	Text input for the provider's email address.
Phone #:	Text input for the provider's phone number.
Fax #:	Text input for the provider's fax number.
Direct Address:	Text input for the provider's direct address.

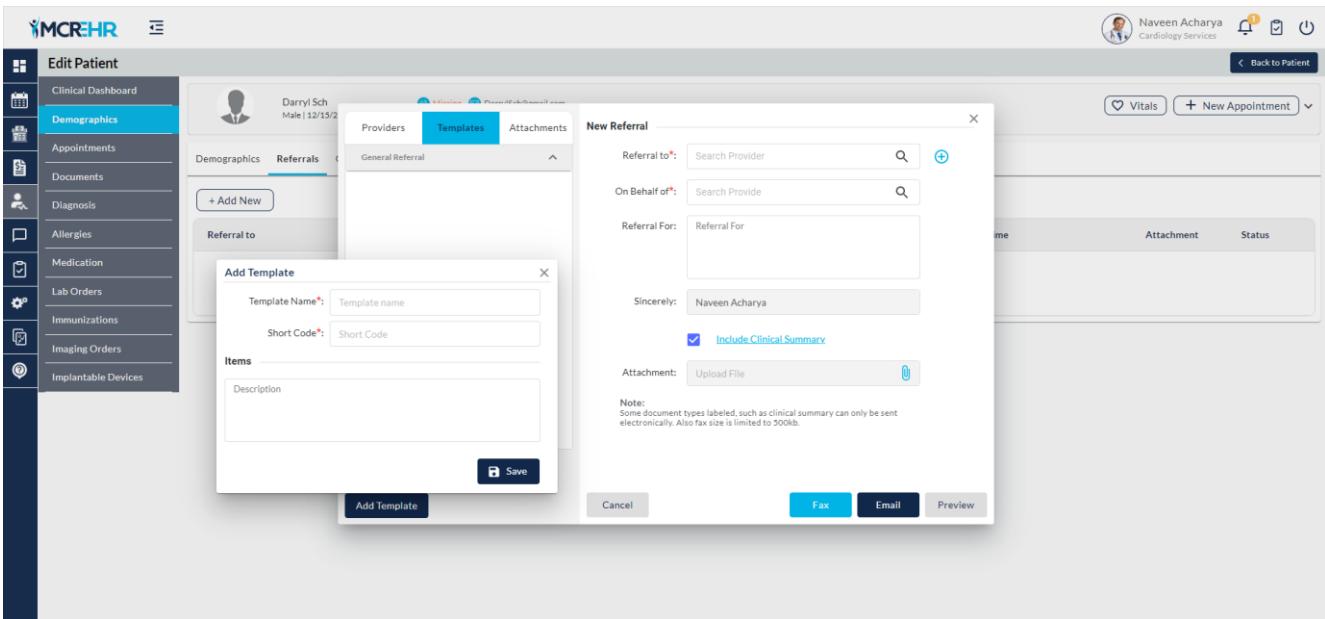

Template List

The list of all “referral for notes” template configured in the system. Referral for field can be filled automatically by clicking on the template in template list.

The screenshot shows the 'Edit Patient' screen with a sidebar containing links like 'Clinical Dashboard', 'Demographics', 'Appointments', 'Documents', 'Diagnosis', 'Allergies', 'Medication', 'Lab Orders', 'Immunizations', 'Imaging Orders', and 'Implantable Devices'. The 'Demographics' tab is selected. In the center, there's a 'Referrals' section with a 'Referral to' dropdown set to 'General Referral'. A 'Templates' tab is selected in a modal dialog titled 'New Referral'. This dialog has fields for 'Referral to*', 'On Behalf of*', 'Referral For', 'Sincerely', and 'Include Clinical Summary'. It also includes 'Upload File' and 'Attachment' sections. At the bottom are 'Add Template', 'Cancel', 'Fax', 'Email', and 'Preview' buttons.

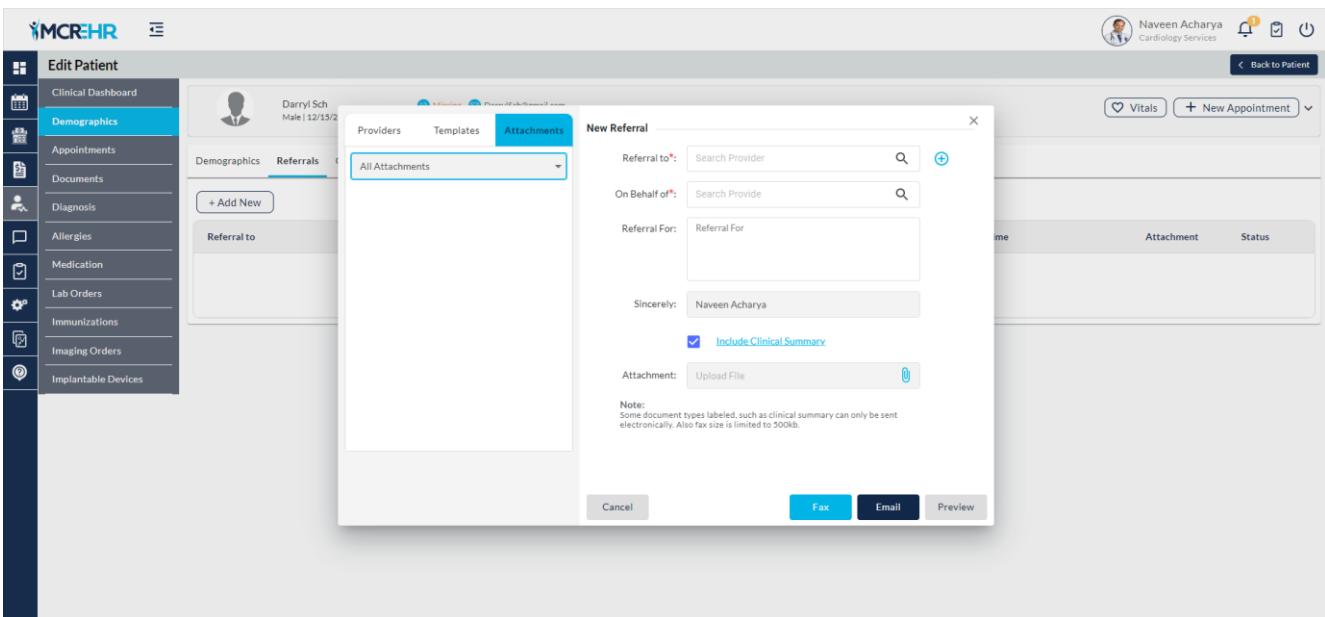

New Referral for template

User can add new referral templates. Referral templates can be used to speed up the patient referral process.

Attachments

System shows list of the patient documents which can be attached with the referral.

Ordering provider

The adding or editing the ordering provider. System allows to fill the fields automatically by selecting existing ordering provider from search list.

The screenshot shows the 'Edit Patient' interface for 'Darryl Sch'. The left sidebar has a 'Demographics' section selected. The main area displays patient details: 'Darryl Sch' (Male | 12/15/2022). Below this are tabs for Demographics, Referrals, Ordering Provider (selected), Insurance, Eligibility, Authorizations, Contacts, and Messages. The 'Ordering Provider' tab is active, showing a search bar 'Search Provider: []' and a 'Print' button. The 'Ordering Provider Info.' section contains fields for First Name, Middle Name, Last Name, Suffix, NPI #, Qualifier, Number, Address, City, State, Zip Code, and Country. Buttons at the bottom include 'Save', 'Reset', and 'Logs'.

Patient Insurance List

The list of insurances configured for the patient. The details can be viewed by clicking on edit icon.

The screenshot shows the 'Edit Patient' interface for 'Darryl Sch'. The left sidebar has a 'Demographics' section selected. The main area displays patient details: 'Darryl Sch' (Male | 12/15/2022). Below this are tabs for Demographics, Referrals, Ordering Provider, Insurance (selected), Eligibility, Authorizations, Contacts, and Messages. The 'Insurance' tab is active, showing a table with columns: Payer, Plan Type, Effective From, Effective To, Copay, Eligibility, Last Checked on, Status, and Action. A row shows '00002 - Blue Cross Blue Shield of Illinois - Primary' with 'Blue Cross Blue Shield' as the plan type, '01/01/2022' as effective from, '02/28/2023' as effective to, '0.00' as copay, 'Not available' as eligibility, and 'Active' as status. Navigation buttons at the bottom include '< 1 >' and '10 / page'.

Add/Edit Insurance

The adding or editing the patient insurance. Only one primary and secondary insurance can be added.

This screenshot shows the MCRHR software interface. On the left, there's a vertical sidebar with various icons and a navigation menu. The 'Demographics' tab is currently selected. In the center, a patient profile for 'Darryl Sch' is displayed, along with tabs for 'Demographics', 'Referrals', and 'Ordering'. A large modal window titled 'New Insurance' is open over the main content area. It contains fields for 'Payer Name*', 'Plan Name', 'Plan Type', 'Order Of Benefit*', 'Insurance ID*', 'Effective From', 'Effective To', 'Relationship To Insured', 'Copay Type', and 'Notes'. At the bottom of the modal are 'Save', 'Reset', and 'Close' buttons.

Delete Insurance

Authorized users can delete an insurance. System shows a prompt to confirm before marking this insurance as deleted.

This screenshot shows the same MCRHR interface as the previous one, but with a different modal window. The 'Edit Insurance' modal is open, showing details for an insurance entry with Payer Name '00002 - Blue Cross Blue Shield of Illino...', Plan Type 'Blue Cross Blue...', Order Of Benefit 'Primary', Insurance ID '546456', Effective From '01/01/2022', Effective To '1/28/2023', Relationship To Insured 'Self', and Copay Type 'Fixed'. Below the modal, there are 'Save', 'Reset', 'Delete' (highlighted in red), 'Logs', and 'Close' buttons. A confirmation dialog box with a question mark icon and the text 'Are you sure, you want to delete?' is overlaid on the main modal. The background shows the same patient profile and navigation elements as the first screenshot.

Patient Insurance Eligibility check

System allows to check the patient insurance eligibility from TriZetto based on patient insurances.

Patient Authorization

List

The list of the patient authorizations for the patient. Details can be viewed by clicking on any authorization. Authorizations can be used while submitting claims.

Add/Edit Authorization

The adding or editing the patient authorization. This includes start and end date. Patient authorizations can be applied on claims.

This screenshot shows the MCREHR software interface. On the left, there's a vertical sidebar with various icons and a menu. The main area displays a patient profile for 'Darryl Sch' (Male, 12/15/2022). A modal window titled 'Insurance Authorization' is open, containing fields for 'Authorization #' (with placeholder 'Authorization #'), 'Start Date*', 'End Date*', 'Specialty' (with placeholder 'Select Specialty'), 'Approved Visits*', 'Notes', and buttons for 'Save', 'Reset', and 'Close'. The background shows a grid of 'Approved Visits' and 'Remaining Visits'.

Delete Authorization

Authorized users can delete a patient authorization. System shows a prompt to confirm before marking this patient authorization as deleted.

This screenshot shows the same MCREHR interface as the previous one, but the modal window now contains a confirmation message: 'Are you sure, you want to delete the insurance authorization?'. It includes 'OK' and 'Cancel' buttons. The rest of the interface remains the same, showing the patient profile and the grid of visits.

Patient Contacts

List

The list of patient contacts configured in the system. Details can be viewed by clicking on the contact.

This screenshot shows the 'Edit Patient' screen in the MCREHR application. The left sidebar has a dark theme with various icons and a 'Demographics' section highlighted. The main area displays a patient profile for 'Darryl Sch' (Male, 12/15/2022). Below the profile, tabs include Demographics, Referrals, Ordering Provider, Insurance, Eligibility, Authorizations, Contacts (which is selected), and Messages. A table titled 'Patient Contacts' lists one entry: 'Alex doe' (Brother) with phone number '(123) 646-5465'. Action buttons for edit and delete are shown next to each row. Navigation controls like page numbers and a '5 / page' dropdown are at the bottom right.

Add/Edit Contact

The adding or editing the patient contact. User can select a contact as Legal Guardian or Guarantor.

This screenshot shows the 'Edit Patient' screen with a modal window for 'Add Patient Contact'. The modal has fields for First Name, Middle Name, Last Name, Date of Birth, Relationship, and various phone numbers. It also includes sections for Address, City, State, Zip Code, and Country. Buttons for 'Save' and 'Close' are at the bottom. The background shows the same patient profile and contact list as the previous screenshot.

Delete Contacts

Authorized users can delete the patient contacts. System shows a prompt to confirm before marking the patient contact as deleted.

Patient Messages

The list of messages sent by providers and staff. Details can be viewed by clicking on the message.

Clinical Dashboard

User can view patient specific healthcare data on this screen. System allows authorized user to view detail, add and update patient history, allergy, diagnosis, immunization and other healthcare data.

The screenshot shows the MCRHR Clinical Dashboard interface. On the left, a sidebar menu lists various patient management modules: Edit Patient, Clinical Dashboard, Demographics, Appointments, Documents, Diagnosis, Allergies, Medication, Lab Orders, Immunizations, Imaging Orders, and Implantable Devices. The Clinical Dashboard module is currently selected and highlighted in blue. At the top right, there is a user profile for Naveen Acharya, Cardiology Services, with icons for notifications, messages, and power. Below the header, a patient summary for Michelle Harris is displayed, showing her name, age (24 years), gender (Female), phone number (650) 215-6343, and email (harrism1@gmail.com). A "Back to Patient" button is also present. The main content area is divided into several sections: Vital Sign, History (Medical, Family, Social), Immunization, Advance Directives, Health Concern, Allergies, Diagnosis, Messages, Implantable Devices, CDS Rules, Encounters, Medication, In Active, Labs/Imaging Orders, and Appointment. Each section provides a brief overview of the patient's status or history in that category.

Appointments

The list of the patient appointments. System allows authorized user to Start or view encounter by clicking on action button.

This screenshot shows the 'Appointments' section of the MCREHR system. On the left, a sidebar menu lists various patient management options: Clinical Dashboard, Demographics, Appointments (which is selected and highlighted in blue), Documents, Diagnosis, Allergies, Medication, Lab Orders, Immunizations, Imaging Orders, and Implantable Devices. The main content area displays patient details for Michelle Harris: Female, 24 years old, born 12/31/1998, with phone number (650) 215-6343 and email harrism1@gmail.com. Below this, a table lists three appointment entries:

Appt. Time	Provider	Appointment Reason	Location	Room	Status	Confirmation	Actions
02/07/2023 11:45 am	Naveen Acharya	Follow-up visit	RiverSide Medical Center	Exam Room 1	Checked-in	Not Confirmed	<button>View Encounter</button>
12/26/2022 02:50 pm	Naveen Acharya	Follow-up visit	RiverSide Medical Center	Exam Room 1		Not Confirmed	<button>Start Encounter</button>
12/27/2022 03:30 pm	Naveen Acharya	Follow-up visit	RiverSide Medical Center	Exam Room 1	Checked-in	Not Confirmed	<button>View Encounter</button>

At the bottom right of the main content area, there are navigation buttons for page 1 of 10 and a 'Back to Patient' link.

Documents

The list of the patient documents. User can view detail by clicking on menu button.

This screenshot shows the 'Documents' section of the MCREHR system. The sidebar menu is identical to the previous screenshot, with 'Documents' selected. The main content area shows patient details for Michelle Harris and includes a 'Upload Documents' section with a 'Add Document(s)' button and a placeholder for uploaded files. Below this is a table titled 'Uploaded Documents'.

Title	Document ID	Sub Type	Type	Comments	Provider	Date	Action
Print forms batch - 1.pdf	000000017		Uploaded			12/28/2022	<button>Sign</button>

At the bottom right of the main content area, there are navigation buttons for page 1 of 5 and a 'Back to Patient' link.

Edit Document

The editing the document. User can assign the document to a provider for review and sign.

Sign Document

Authorized user can sign the document by clicking on action button. Singed document can't be updated.

Delete Document

Authorized users can delete a patient document. System shows a prompt to confirm before marking the document as deleted.

The screenshot shows the MCRHR patient management interface. On the left, a sidebar menu is open with the 'Edit Patient' header. The 'Documents' option is selected and highlighted in blue. The main content area displays a patient profile for Michelle Harris, including her photo, name, gender, age, phone number, and email. Below this is a section titled 'Upload Documents' with a button labeled 'Add Document(s)'. A modal dialog box is centered over the page, containing a large orange question mark icon at the top. The text inside the dialog reads 'Are you sure, you want to delete the document record?'. At the bottom of the dialog are two buttons: 'OK' (in blue) and 'Cancel' (in grey). In the background, there is a table titled 'Uploaded Documents' with columns for Title, Document ID, Sub Type, Type, Comments, Provider, Date, and Action. One row is visible, showing 'Print forms batch - 1.pdf', '000000017', 'Uploaded', and the date '12/28/2022'. The 'Action' column for this row contains a 'Sign' dropdown menu. The top right corner of the screen shows the user's name 'Naveen Acharya' and their role 'Cardiology Services', along with icons for notifications and other system functions.

Diagnosis

Active / Past List

The list of the patient diagnosis added in the system. System shows active and inactive diagnosis separately. Detail can be viewed by click on action icon.

Add/Edit Diagnosis

This screen is used to record diagnosis. Its chronicity, condition control and degree. System shows the relevant SNOMED code as well.

Delete Diagnosis

Authorized users can delete patient diagnosis. System shows a prompt to confirm before marking the patient diagnosis as deleted.

The screenshot shows the MCRHR patient management system interface. The left sidebar has a dark blue background with various icons and the text "Edit Patient". The "Diagnosis" icon is highlighted with a blue background. The main content area shows a patient profile for Michelle Harris, including her photo, name, gender, age, phone number, and email. Below this is a "Diagnosis" section with a "+ Add New" button. A modal dialog box is overlaid on the screen, asking "Are you sure, you want to delete the diagnosis?" with "OK" and "Cancel" buttons. In the background, there are two tables: "Active Diagnosis" and "Past Diagnosis". The "Active Diagnosis" table has two rows: one for "Abdominal rigidity" and another partially visible for "Abnormal cytological finding on antenatal...". The "Past Diagnosis" table shows "No Record Found". The top right corner of the screen shows the user's name, Naveen Acharya, and their role, Cardiology Services, along with some notification icons.

Allergies

List

The list of allergies recorded for the patient. Details can be viewed by clicking on action icon.

The screenshot shows the MCREHR software interface for managing patient allergies. The left sidebar has a dark blue background with white icons and text for navigating patient information. The main content area is titled "Edit Patient" and shows a summary for "Michelle Harris". The "Allergies" section is currently selected. It displays a table of "Current Allergies" and a table for "Past Allergies".

Current Allergies:

Allergy	Reaction	Rxnorm	Status	Updated	Action
Pet	Facial_Swelling		Active	10/13/2021	
No known Drug Allergy (NKDA)					

Past Allergies:

Allergy	Reaction	Rxnorm	Status	Updated	Action
No Record Found					

Add/Edit Allergies

Patient allergies are recorded using this screen. User can select the type of allergy, Allergy class, Type and severity of the reaction. Onset date and current status are also recorded.

The screenshot shows the MCREHR software interface. The left sidebar has a dark blue background with various icons and the text 'Edit Patient'. The 'Allergies' icon is highlighted in blue. The main content area shows a patient profile for 'Michelle Harris' (Female | 24 Y) with contact information: (650) 215-6343, harrisim1@gmail.com. Below the profile is a 'Current Allergies' section with a table showing one entry: 'Pet' with 'No known Drug Allergy (NKDA)' status. A 'Past Allergies' section is below it. A central modal window titled 'New Allergy' is open, prompting the user to enter details: 'Type*' (set to 'Specific Drug Allergy'), 'Search Drug Allergy' (empty), 'Reaction' (empty), 'Severity' (empty), 'Status' (empty), 'Onset' (empty), and 'Notes' (empty). At the bottom of the modal are 'Save', 'Reset', and 'Close' buttons. The top right corner of the main window shows the user's name 'Naveen Acharya' and 'Cardiology Services' along with notification icons.

Delete Allergy

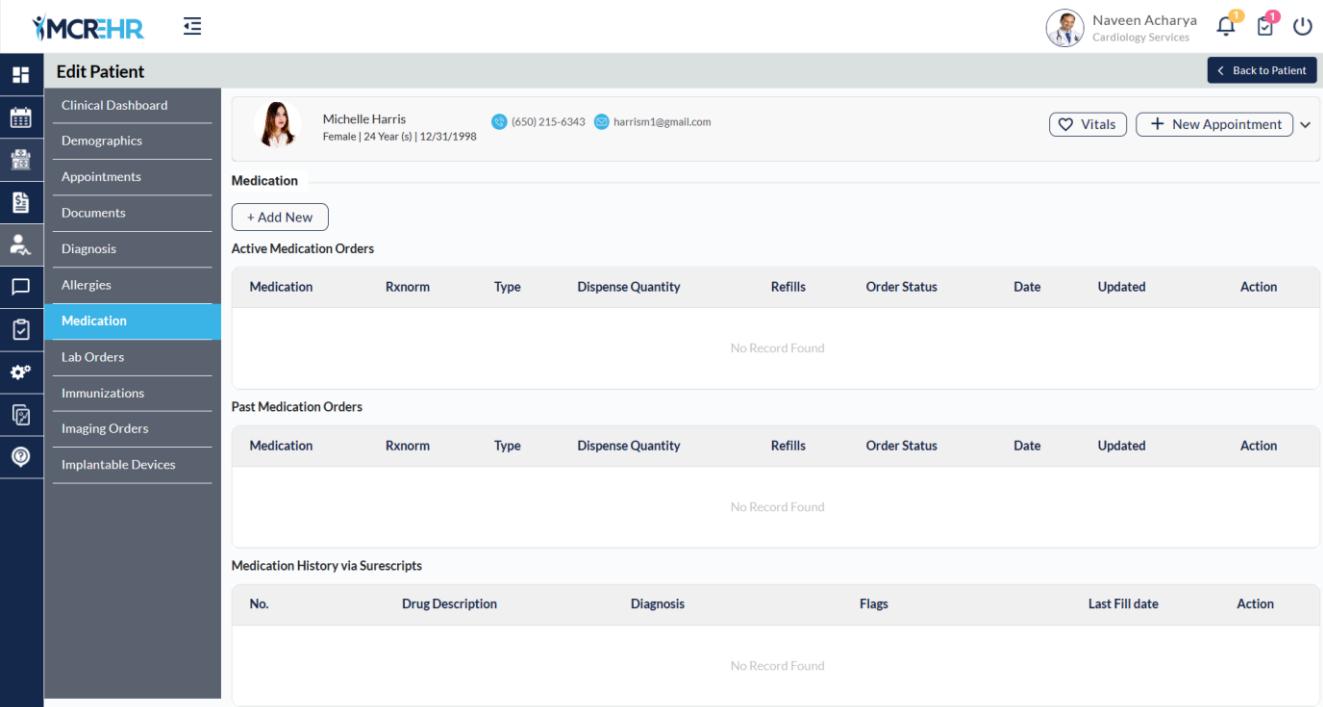

Authorized users can delete patient allergy. System shows a prompt to confirm before marking the patient allergy as deleted.

This screenshot is similar to the previous one but shows a confirmation dialog box in the center of the screen. The dialog has a question mark icon and the text 'Are you sure, you want to delete the allergy?'. Below the dialog are 'OK' and 'Cancel' buttons. The rest of the interface is identical to the first screenshot, showing the patient profile, current allergies (Pet, NKDA), and past allergies sections.

Medications

List

The list of medications prescribed for the patient. Details can be viewed by clicking on action icon.

The screenshot shows the MCRHR patient dashboard for Michelle Harris. The left sidebar has a 'Medication' link selected. The main area displays medication orders, with sections for 'Active Medication Orders' and 'Past Medication Orders', both showing 'No Record Found'. A 'Medication History via Surescripts' section also shows 'No Record Found'. At the top right, there's a patient photo, name, contact info, and a 'Back to Patient' button. Action icons like 'Vitals' and 'New Appointment' are visible.

Lab Orders

List

The list of recorded lab orders for the patient. Details can be viewed by clicking on action icon.

Add/Edit Lab Order

The adding and editing patient lab order. Provider select lab, test and associated diagnosis. They can order multiple labs to the order.

Delete Lab Order

Authorized users can delete a lab order. System shows a prompt to confirm before marking this lab order as deleted.

The screenshot shows the MCREHR clinical dashboard for a patient named Michelle Harris. The left sidebar has a 'Lab Orders' section selected. The main area displays a table of lab orders, with one row for Quest Diagnostics testing for 5-HIAA, Acetyl. A modal dialog box is overlaid on the page, containing a large orange question mark icon and the text 'Are you sure, you want to delete the Lab Order?'. At the bottom of the dialog are two buttons: 'OK' (in dark blue) and 'Cancel' (in light gray).

Immunizations

List

The list of immunization recorded for the patient. Details can be viewed by clicking on action icon.

The screenshot shows the MCR-HR software interface. On the left is a vertical sidebar with icons and a menu. The 'Immunizations' option is selected and highlighted in blue. The main content area displays a patient profile for Michelle Harris, including her photo, name, gender, age, phone number, and email. Below this is a table titled 'Immunization(s)' with columns for Vaccine, Consent Form, Ordered By, Administered By, Status, and Action. One row is shown: 'adenovirus vaccine, type 7, live, oral' ordered by Mr. John, administered by Hoang Raphael, and status is 'Administered'. At the bottom right of the main area are navigation buttons for page 1 and 10 per page.

Add/Edit Immunizations

This section is used to record immunization details. User can record administrated, historical and refused immunizations. Option is also available to record partially administrated vaccine.

The screenshot shows the 'Edit Immunization' form. It includes fields for Status (radio buttons for Administrated, Historical, and Refused), Vaccine (text input with a dropdown arrow), Dose (text input with a dropdown arrow), Unit (dropdown menu), Route (dropdown menu), Body Site (dropdown menu), Administered By (dropdown menu), Administered Date (date picker), Expiry Date (date picker), Partially Administrated (checkbox), Funding Source (dropdown menu), Funding Program (dropdown menu), Document Type (dropdown menu), VIS Date (date picker), and Consent Form (dropdown menu). At the bottom are buttons for Save, Delete, Reset, Logs, and Close.

Delete Immunization

Authorized users can delete a patient immunization. System shows a prompt to confirm before marking this patient immunization as deleted.

Vaccine	Consent Form	Ordered By	Administered By	Status	Action
adenovirus vaccine, type 7, live, oral			Hoang Raphael	Administered	

Imaging Orders

List

The list of imaging orders recorded for the patient. Details can be viewed by clicking on action icon.

Lab	Study	Order #	Ordered By	Order Date	Status	Action
Quest Diagnostics	Activated Clotting Time (ACT)				Pending	

Add/Edit Imaging Order

The adding and editing imaging order. Provider select lab, test and associated diagnosis.

They can order multiple labs to the order.

Delete Imaging Order

Authorized users can delete imaging order. System shows a prompt to confirm before marking this imaging order as deleted.

Implantable Devices

List

The list of implantable devices recorded for the patient. Details can be viewed by clicking on action icon.

Device Identifier	Name	Implant Date	Removal Date	Status	Action
D89260705514202	NES PLUTO POWDER FREE NITRILE EXAMINATION GLOVES	12/07/2022		Active	

Add/Edit Implantable Device

The adding and editing implantable device. System validates implantable device before adding.

Delete Implantable Device

Authorized users can delete implantable device. System shows a prompt to confirm before marking this implantable device as deleted.

The screenshot shows the MCREHR patient management interface. On the left, a sidebar menu lists various patient management sections: Clinical Dashboard, Demographics, Appointments, Documents, Diagnosis, Allergies, Medication, Lab Orders, Immunizations, Imaging Orders, and Implantable Devices. The 'Implantable Devices' option is selected and highlighted in blue. The main content area displays a patient profile for Michelle Harris, including her photo, name, gender (Female), age (24 years), phone number ((650) 215-6343), email (harrisim1@gmail.com), and birth date (12/31/1998). Below this, the 'Implanted Devices' section is shown with a table header: Device Identifier, Insert Date, Removal Date, Status, and Action. A single row of data is visible: Device Identifier D89260705514202, Insert Date 2022, Removal Date (empty), Status Active, and Action (with icons for edit and delete). A modal dialog box is centered over the table, containing a question mark icon and the text "Are you sure, you want to delete the implanted device?". It has two buttons at the bottom: "OK" and "Cancel".

MESSAGES

Dashboard

User can send internal messages to staff in the Messages section. Send messages to individual multiple or all users in your practice or patient.

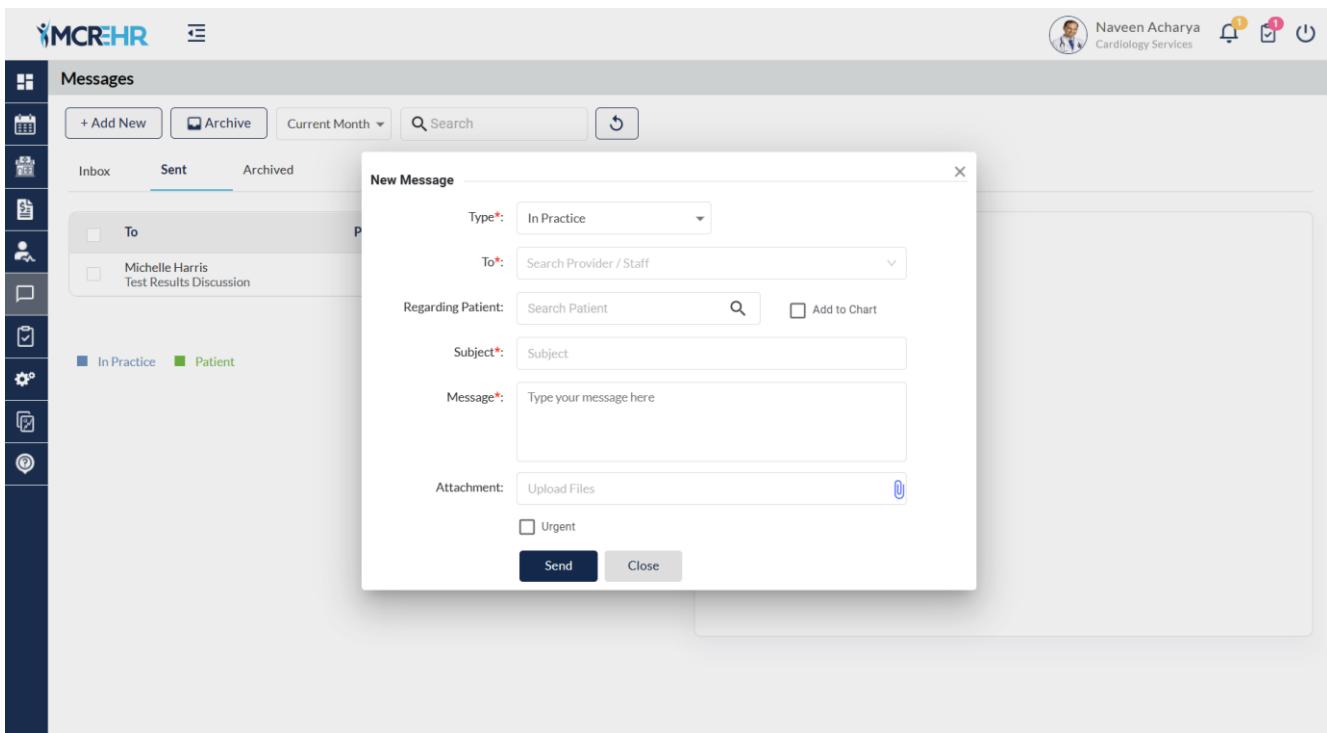

Patient and practice messages are highlighted with different colors. User can archive old messages by selecting the desired messages and clicking the archive button.

The screenshot shows the MCRHR software interface with the following details:

- Header:** MCRHR logo and a three-dot menu icon.
- User Profile:** Naveen Acharya, Cardiology Services, with a notification badge (1).
- Toolbar:** + Add New, Archive, Current Month dropdown, Search, and Refresh buttons.
- Navigation:** Inbox, Sent (selected), Archived.
- Message List:** A table showing a single message sent to Michelle Harris about Test Results Discussion on 12/28/2022 at 07:23 AM.
- Message Preview:** Details of the selected message:
 - From: Naveen Acharya
 - To: Michelle Harris
 - Subject: Test Results Discussion
 - Date: 12/28/2022 07:23 am
 - Message: Call to discuss your recent test results
- Message Actions:** Reply, Forward, Archive, Print.

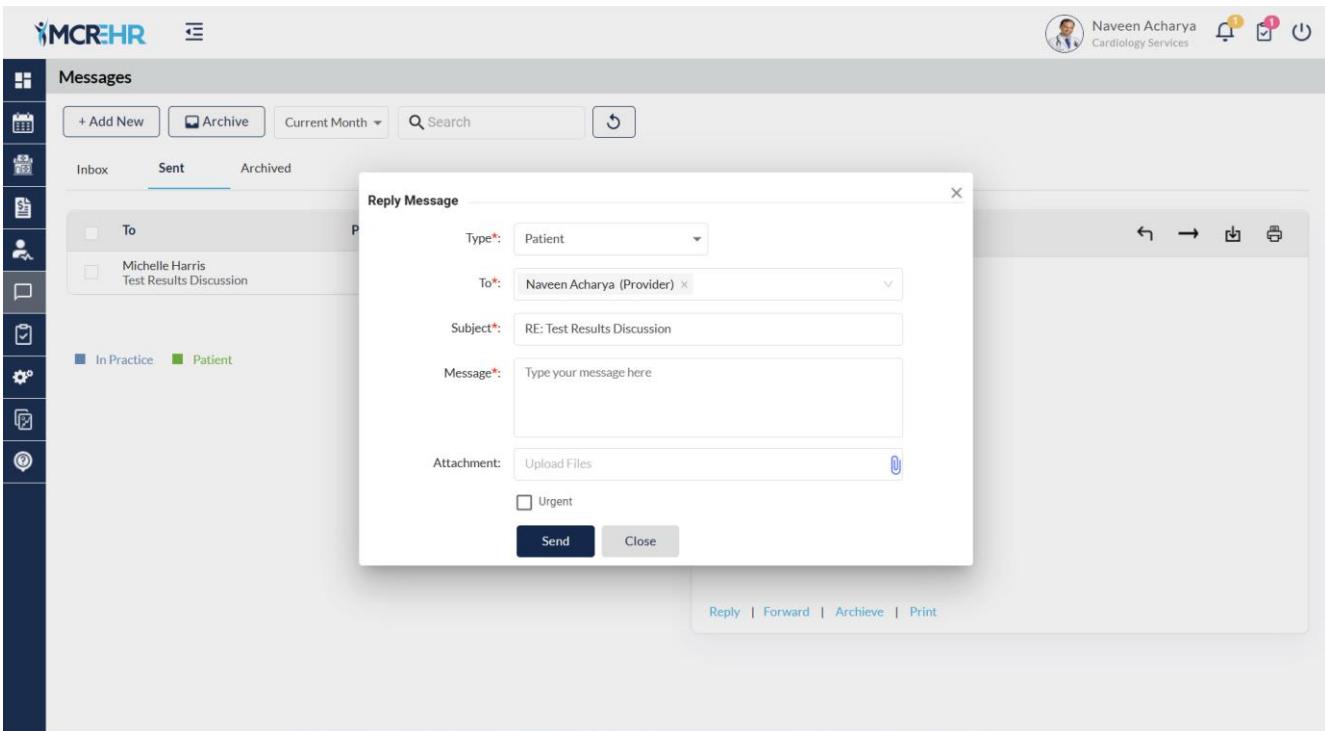

Send New

Users can send new message to practice user or patient. There is an option to tag patient and add his message to patient chart as well.

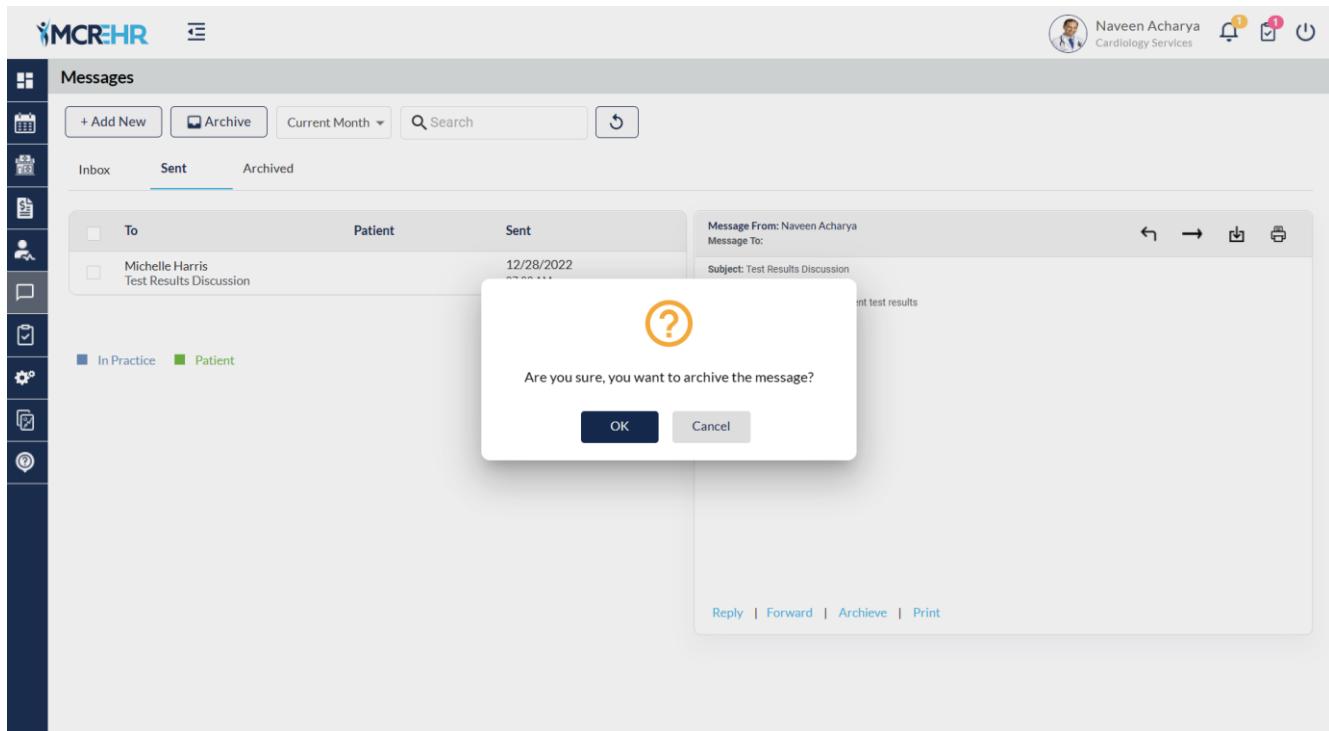

Reply

User can reply the message by clicking reply button. Attachment option is also available while replying.

Archive

User can archive old messages by selecting the desired messages and clicking the archive button. Archive messages are available in the archive section.

TASKS SETTINGS

In addition to All Tasks and My Tasks, tasks are separated out by category for easier reviewing.

Each user in your practice is able to customize the tabs that are visible and the order that they appear.

The screenshot shows the MCRHR software interface. On the left is a vertical sidebar with icons for different sections: Tasks, All Tasks, My Tasks, Unassigned Tasks, Lab/Imaging Results, Refill Requests, Reminders, and Settings (which is currently selected). The main area is titled "Settings" and contains a section called "Customize Task View". It explains that users can show or hide task tabs and change their display order. A table lists six task types with toggle switches to indicate if they are displayed as tabs:

Task Type	Display as tab
All Tasks	On (blue switch)
My Tasks	On (blue switch)
Unassigned Tasks	On (blue switch)
Lab/Imaging Results	On (blue switch)
Refill Requests	On (blue switch)
Reminders	On (blue switch)

The top right corner shows the user's profile picture, name "Naveen Acharya", and location "Cardiology Services", along with notification and power icons.

Tasks List

List of all tasks assigned to the logged in user. User can add new tasks, filter the existing tasks and delegate the tasks to other users. They can also mark the task as completed.

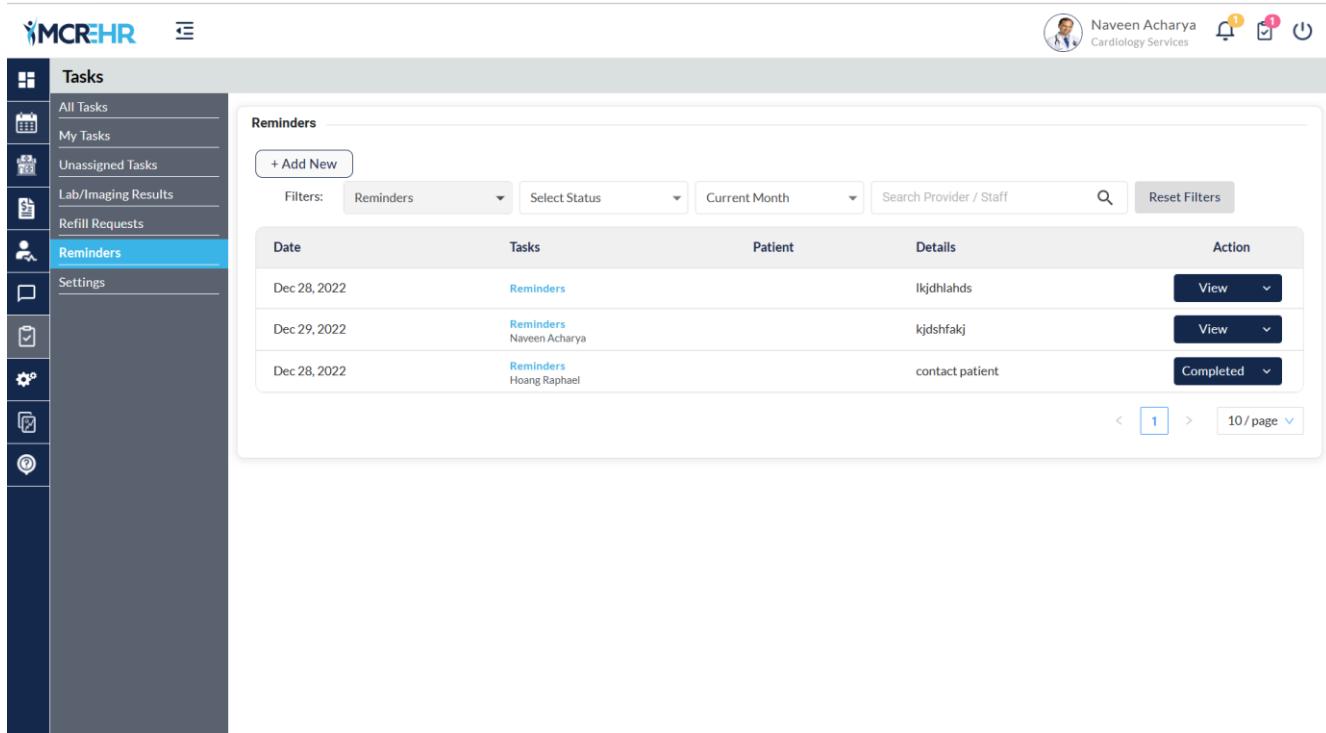

The screenshot shows the 'Tasks' section of the MCRHR application. On the left is a sidebar with icons for various modules: All Tasks, My Tasks, Unassigned Tasks, Lab/Imaging Results, Refill Requests, Reminders, and Settings. The 'All Tasks' icon is highlighted. The main area is titled 'All Tasks' and contains a table of tasks. The table has columns for Date, Tasks, Patient, Details, and Action. There are four rows of data:

Date	Tasks	Patient	Details	Action
Dec 28, 2022	Lab Order Results Naveen Acharya	Cesar Morales Male 25 years, 0 months, 2 days 01/01/1998	dfsdfsd	<button>Review</button>
Dec 28, 2022	Reminders		lkjdhlahds	<button>View</button>
Dec 29, 2022	Reminders Naveen Acharya		kjdshfakj	<button>Completed</button>
Dec 28, 2022	Reminders Hoang Raphael		contact patient	<button>Completed</button>

At the top right of the main area, there is a user profile for 'Naveen Acharya' (Cardiology Services), a notification bell with a red badge (1), a message icon, and a power button. Below the table are navigation buttons for page 1 of 10.

Reminders

Reminder tasks can be helpful for practice organization, once a custom reminder task has been generated, the assignee can locate it within the Reminder Tasks tabs.

The screenshot shows the MCRHR software interface with the 'Tasks' module selected. On the left, a sidebar lists various task categories: All Tasks, My Tasks, Unassigned Tasks, Lab/Imaging Results, Refill Requests, Reminders (which is currently selected and highlighted in blue), and Settings. The main content area is titled 'Reminders' and includes a search bar with filters for 'Filters: Reminders', 'Select Status', 'Current Month', and a search field 'Search Provider / Staff'. Below the search bar is a table with columns: Date, Tasks, Patient, Details, and Action. The table contains three rows of data:

Date	Tasks	Patient	Details	Action
Dec 28, 2022	Reminders	Ikjdhlahds		<button>View</button>
Dec 29, 2022	Reminders Naveen Acharya	kjdshfakj		<button>View</button>
Dec 28, 2022	Reminders Hoang Raphael	contact patient		<button>Completed</button>

At the bottom right of the content area, there are navigation buttons for page 1 of 10, and a dropdown menu for '10 / page'.

New Reminder

User can create new reminder task by adding the details, assigned to, patient name (if reminder is related to a patient)

The screenshot shows the MCREHR software interface. On the left, there's a sidebar with various icons and a 'Tasks' section containing 'All Tasks', 'My Tasks', 'Unassigned Tasks', 'Lab/Imaging Results', 'Refill Requests', 'Reminders' (which is selected), and 'Settings'. The main area has a 'Reminders' tab open. A modal window titled 'Add Reminder' is displayed, prompting the user to enter details like 'Task Details', 'Date' (set to Dec 28, 2022), 'Assign to:' (Search bar with 'ASSIGN TO ME' button), 'Regarding Patient:' (Search bar), 'Reminder Date:' (set to mm/dd/yyyy with buttons for Today, +1 Day, +1 Week, +1 Month, +1 Year), 'Author:' (Naveen Acharya), and 'Task Type:' (Reminders). At the bottom of the modal are 'Save' and 'Close' buttons. In the background, there's a list of tasks with columns for 'Details' and 'Action'.

Assign to Staff/Provider

This screenshot shows the same MCREHR interface as the previous one, but the 'Edit Reminder' dialog box is now open. It has similar fields: 'Details*' (Ikjdhlahds), 'Date' (Dec 28, 2022), 'Assign to:' (Hoang Raphael (Staff) with an 'ASSIGN TO ME' button), 'Regarding Patient:' (Search bar), 'Reminder Date:' (12/28/2022 with buttons for Today, +1 Day, +1 Week, +1 Month, +1 Year), 'Author:' (Naveen Acharya), and 'Task Type:' (Reminders). The 'Save', 'Delete', and 'Close' buttons are at the bottom. The background shows the same list of tasks as the previous screenshot.

Delete Reminder

User can delete a reminder task by clicking the delete button.

The screenshot shows the MCREHR software interface. On the left is a vertical sidebar with a dark blue header labeled 'Tasks' and a list of items: All Tasks, My Tasks, Unassigned Tasks, Lab/Imaging Results, Refill Requests, Reminders (which is highlighted in blue), and Settings. The main area is titled 'Reminders' and contains a table with columns: Date, Tasks, Patient, Details, and Action. The table has three rows with data: Dec 28, 2022, lkjdhlahds; Dec 29, 2022, kjdshfakj; and Dec 28, 2022, contact patient. An action dropdown for the first row shows 'View'. The action dropdown for the second row shows 'View'. The action dropdown for the third row shows 'Completed'. A modal dialog box is overlaid on the table, containing a large orange question mark icon and the text 'Are you sure, you want to delete the task?'. At the bottom of the dialog are two buttons: 'OK' (in white) and 'Cancel' (in grey). At the top right of the main area, there is a user profile for 'Naveen Acharya' (Cardiology Services) and some notification icons.

My Tasks

List of all the tasks assigned to logged-in user.

The screenshot shows the 'My Tasks' section of the MCREHR application. On the left is a sidebar with icons for Tasks, All Tasks, My Tasks (which is selected), Unassigned Tasks, Lab/Imaging Results, Refill Requests, Reminders, and Settings. The main area has a header 'My Tasks' with a '+ Add New' button and search/filter options. It displays two tasks:

Date	Tasks	Patient	Details	Action
Dec 28, 2022	Lab Order Results Naveen Acharya	Cesar Morales Male 25 years, 0 months, 2 days 01/01/1998	dfsdfsd	<button>Review</button>
Dec 29, 2022	Reminders Naveen Acharya		kjdshfakj	<button>Completed</button>

At the bottom right are navigation buttons for page 1 and 10/page.

Lab Order Result

Once lab order is submitted to the lab, order results received from lab are available in this task list. User can review and sign the orders.

The screenshot shows a modal dialog titled 'Review Manual Test Result'. It includes fields for 'Upload Documents:' and a file upload button. Below that is a 'Tests' section for '17-Hydroxyprogesterone' with a table for observations:

Observation	Result	Unit	Flag	Result Date	Status	Signed
Search Observation				12/28/2022 05:50		<input type="checkbox"/>
Search Observation				12/28/2022 05:50		<input type="checkbox"/>

Buttons for 'Add New Observation' and 'Acetylcholine Receptor (AChR) Antibody' are visible. At the bottom are 'Save' and 'Close' buttons.

Re-Fill Request

Re-fill requests by the patients are listed here. Users can review the re-fill requests and take further action accordingly.

The screenshot shows the MCRHR software interface. On the left is a vertical sidebar with a dark blue header containing the MCRHR logo and a search bar. Below the header, there is a navigation menu with icons and labels: All Tasks, My Tasks, Unassigned Tasks, Lab/Imaging Results, Refill Requests (which is highlighted in blue), Reminders, and Settings. The main content area has a light gray header with the title "Refill Requests". Below the header is a filter bar with dropdown menus for "Filters" (set to "Re-fill Requests"), "Status" (set to "Re-assigned"), and "Due Tomorrow", along with a search field and a "Reset Filters" button. The main content area is a table with columns: Date, Request, Patient, Details, and Action. A message "No Record Found" is displayed in the center of the table area. At the top right of the main content area, there is a user profile for "Naveen Acharya" from "Cardiology Services" with a small photo, and notification icons for messages and tasks.

BILLING DASHBOARD

The landing page for a billing manager, billing supervisors providing a single window for all immediate action items for the logged in billing staff. Also display different trends via chart.

This screenshot shows the MCRHR Billing Dashboard. At the top left is the MCRHR logo. On the right, there's a user profile for Naveen Acharya from Cardiology Services, along with icons for notifications, messages, and power. The main area is divided into several sections:

- Income Analysis:** A bar chart showing income across five time periods: Month to Date, Last Month, Quarter to Date, Last Quarter, and Year to Date. The Y-axis ranges from 0 to 30. The bars are dark blue.
- ERA to Review :** Errors: 3, Warnings: 7. Includes a yellow circular icon with a dollar sign and a "View All" button.
- Rejected Claims :** Includes a pink circular icon with a document and a "View All" button.
- No Pending Follow-Up:** Includes a purple circular icon with a clipboard and a "View All" button.
- Frequent Procedures:** Includes a green circular icon with a CPT code and a "View All" button.
- Account Receivable (Top Five):** A bar chart showing receivable by age group (<31, 31-60, 61-90, 91-120, 121-180, 181-365, >365). The legend indicates Cardiology Services (red) and Pediatrics (orange). The Y-axis ranges from 0 to 1600.
- Billing Summary:** DEBIT: \$2.1k, PATIENT PAYMENTS: \$0.00, CREDIT: \$30.00, ADJUSTMENTS: \$0.00. Includes a light blue circular icon with a downward arrow and a "View All" button.
- Patient Balance Ledger:** Shows "No Patient Balance Ledger Found". Includes a yellow circular icon with a patient and a "View All" button.
- Insurance Balance Ledger:** Shows "No Insurance Balance Ledger Found". Includes a grey circular icon with a ledger and a "View All" button.

CLAIMS

List

List all claims. The list can be filtered and details can be viewed by clicking on any claim.

User can submit a claim and claim status can be viewed by clicking the status detail button.

The screenshot shows the 'Claims' section of the MCRHR application. On the left is a vertical toolbar with icons for Home, Claims, Patient, Clinical, Imaging, Referrals, and Help. The main area has a header with 'Claims' and a 'Add New' button. Below the header are several search filters: Location (Search Location), Patient (Search Patient), Clinical Notes (Select Notes), Date Criteria (Date Of Service), Billing Status (Search Billing Status), Provider (Search Provider), Claim Type (Search Claim Type), Payer (Payer Name), Date From (11/07/2022) to Date To (12/08/2022), and Claim /TCN #. There are also 'Search' and 'Clear Filter' buttons. Below the filters is a table with columns: Patient Name, Visit Date, Location, Provider, Claim #, Billed, Allowed, Adjustment, Ins 1 Paid, Ins 2 Paid, Pt Paid, Ins Bal, Ins 1 Status, and Action. The table lists five claims for patients Kody Aldo, Adam Finch, Palmer Agustin, Benedict Leif, and Cain Shepard, all from AMA Health Bayview Medical on 12/07/2022, provider Ares Conner. The total for all claims is 940.00. At the bottom right are navigation buttons for page 1 of 5.

Patient Name	Visit Date	Location	Provider	Claim #	Billed	Allowed	Adjustment	Ins 1 Paid	Ins 2 Paid	Pt Paid	Ins Bal	Ins 1 Status	Action

PAYMENTS

Add Patient Payment

User can record payments received from patient in the form of co-pay, Co-Insurance etc. using this payment screen. These payments can later be applied against the patient claim.

The screenshot shows the MCRHR software interface. On the left is a vertical sidebar with various icons. The main area is titled 'Institutional Claim/Superbill Details'. It displays patient information for 'Michelle Harris' (Female, 24, born 12/31/1998, appointment 12/15/2022). Below this are fields for 'Claim' and 'Information Code'. A modal window titled 'Add Cash' is overlaid on the screen, containing fields for 'Payment Date' (12/29/2022), 'Appointment' (Select Appointment), 'Payment Method' (Select Payment Method), 'Type' (Credit), 'Notes' (Notes), and 'Amount' (\$ 0). At the bottom of the modal are 'Save' and 'Close' buttons. The background shows other claim details and navigation links like 'Back to Claim', 'Vitals', 'New Appointment', and 'Print PDF'.

Add/Edit Billing Notes

This screen is used by billing team to update the payer payment status of the claim. Users can also record the expected payment details.

Add/Edit expected payment

Details of expected payments from the payers can be recorded using this screen.

Edit Claim Diagnosis

User can edit the claim diagnosis. They can change the billing code or add an additional code to the claim.

The screenshot shows the MCREHR software interface. On the left, there's a vertical sidebar with icons for navigation. The main area has tabs for 'Chart' (which is selected) and 'Patient'. Under 'Chart', there are sections for 'Referring Provider' and 'Operating Provider'. Below these, there's a 'Diagnosis' section with a table showing one row: # 1, ICD-10 A42.1, Description Abdominal actinomycosis, and a link to 'Edit Diagnosis (s)'. There's also a 'Procedures' section with a table showing two rows: Rev Code 0521, HCPSCS Code 0001U; and Rev Code 0524, HCPSCS Code 0003M. A note below the procedures table states: 'A2-macroglobulin, apolipoprotein A-1, total bilirubin, GGT, haptoglobin, AST, glucose, total cholesterol and triglycerides) utilizing serum, prognostic algorithm reported as quantitative scores for fibrosis, steatosis and nonalcoholic steatohepatitis (NASH)'. At the bottom of the main area, there are buttons for 'Save', 'Reset', and 'Logs'. A modal window titled 'Diagnosis' is open in the center. It has a search bar 'Search Diagnosis*' with a placeholder 'Search Diagnosis' and a magnifying glass icon. Below it is a table titled 'Diagnosis Search Results' with columns 'ICD-10', 'Description', and 'Action'. It shows one result: ICD-10 A42.1, Description Abdominal actinomycosis, and a delete icon. At the bottom of the modal, there are buttons for 'Save' and 'Close'. The top right corner of the screen shows a user profile for 'Naveen Acharya' from 'Cardiology Services' with icons for notifications, messages, and power.

Edit Claim Procedures

User can edit the claim procedures. They can change the procedure code or add an additional procedure to the claim.

The screenshot shows the MCREHR software interface with the following details:

- Header:** Naveen Acharya, Cardiology Services, with notification icons for messages (1) and tasks (1).
- Billing Notes:** A link to "Edit Note(s)".
- Referring Provider:** [Redacted].
- Operating Provider:** [Redacted].
- Diagnosis:**
 - # ICD-10: A42.1
 - ICD-10 Description: Abdominal pain
 - Link: Edit Diagnosis(s)
- Procedures:**
 - Use Description from:
 - Rev Code: 0521 HCPSC Code: 0001U
 - 0524 HCPSC Code: 0003M
 - Link: Edit Procedure(s)
- Procedure Selection Overlay:** A modal window titled "Procedures" with a search bar containing "Salivary Glands, Including Biopsy". It lists several procedure codes with descriptions and actions (Delete) next to them. The listed procedures include:
 - 0001U - Red blood cell antigen typing, DNA, human erythrocyte antigen gene analysis of 35 antigens from 11 blood groups, utilizing whole blood, common RBC alleles reported
 - 0003M - Liver disease, ten biochemical assays (ALT, A2-macroglobulin, apolipoprotein A-1, total bilirubin, GGT, haptoglobin, AST, glucose, total cholesterol and triglycerides) utilizing serum, prognostic algorithm reported as quantitative scores for fibrosis, steatosis and nonalcoholic steatohepatitis (NASH)
 - 0001U - Anesthesia For Procedures Involving Plastic Repair Of Cleft Lip
 - 0001U - Anesthesia For Reconstructive Procedures Of Eyelid (Eg, Blepharoplasty, Ptosis Surgery)
 - 0003M - Anesthesia For Electroconvulsive Therapy
 - 0010U - Infectious Disease (Bacterial), Strain Typing By Whole Genome Sequencing, Phylogenetic-Based Report Of Strain Relatedness, Per Submitted Isolate
- Buttons:** Save, Reset, Logs.
- Table Headers:** Price, Billed, Pt Paid, Ins Bal, Actions.
- Total:** Totals: 22.00

Add/Edit NDC Codes

NDC codes along with quantity and units can be added against each CPT line. Only once NDC code can be added against a single CPT line.

The screenshot shows the MCREHR software interface. On the left is a vertical toolbar with icons for Home, Calendar, Patient List, Chart, Tools, and Help. The main window has sections for Diagnosis (ICD-10 code A42.1, Abdominal actinomycosis) and Procedures (Revenue Code 0521, HCPCS Code 0001U, Description: 0001U - Red blood cell antigen typing, D erythrocyte antigen gene analysis of 35 i 11 blood groups, utilizing whole blood, common RBC alleles reported; Revenue Code 0524, HCPCS Code 0003M, Description: 0003M - Liver disease, ten biochemical assays (ALT, A2-macroglobulin, apolipoprotein A-1, total bilirubin, GGT, haptoglobin, AST, glucose, total cholesterol and triglycerides) utilizing serum, prognostic algorithm reported as quantitative scores for fibrosis, steatosis and nonalcoholic steatohepatitis (NASH)). A central 'Add NDC code' modal is open, prompting for 'NDC Code*' (dropdown menu showing options like (Biomed) Instant Hand Sanitizer 10 ML In 1 BOTTLE (77917-001-02), (Biomed) Instant Hand Sanitizer 100 ML In 1 BOTTLE (77917-001-09), (Biomed) Instant Hand Sanitizer 120 ML In 1 BOTTLE (77917-001-10), (Biomed) Instant Hand Sanitizer 20 ML In 1 BOTTLE (77917-001-03)), 'Quantity*', and 'Units*'. Below the modal is a table titled 'Dx Pointers' with columns for Codes, 1, 2, 3, 4, Unit, Price, Billed, Pt Paid, Ins Bal, and Actions. At the bottom are 'Save', 'Reset', and 'Logs' buttons.

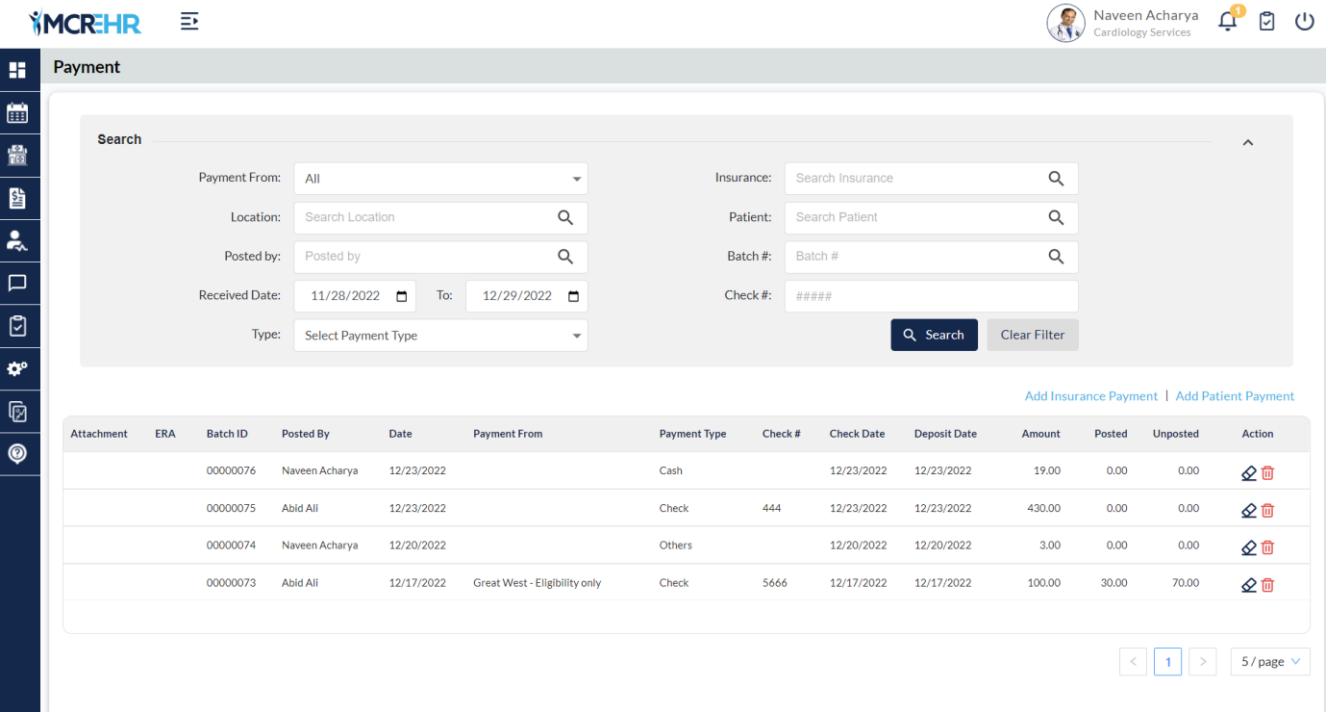

Clone Claim

Clone claim functionality is handy and help users to quickly create a claim similar to the existing claim already available in the system.

The screenshot shows the MCRHR software interface for managing institutional claims. On the left, there's a vertical sidebar with various icons. The main area displays 'Institutional Claim/Superbill Details' for patient Michelle Harris, including her photo, name, gender, date of birth, appointment details, and primary insurance information. A 'Clone Claim' dialog box is overlaid on the screen. This dialog box contains fields for 'Assign To*' (with a dropdown menu), 'Clone ICD Diagnosis' (checkbox), 'Clone CPT/HCPCS Codes' (checkbox), 'Vitals' (checkbox), and 'Show in Calendar' (checkbox). At the bottom of the dialog are 'Clone' and 'Close' buttons. The background shows other claim-related fields like 'TOC*', 'Referral #', and 'Appointment Notes'. Buttons at the bottom of the main screen include 'Save', 'Reset', and 'Logs'.

Insurance Payments

Payment dashboard list all the payment received against a claim either from payer or the patients.

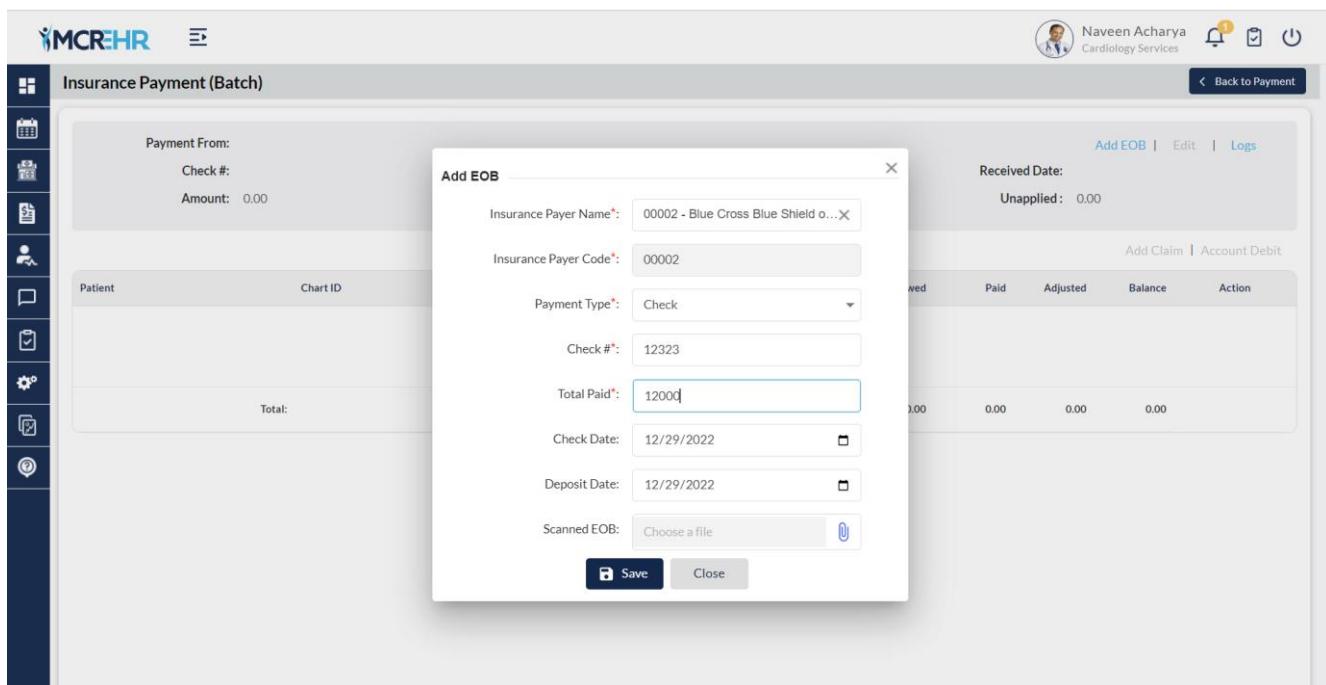

The screenshot shows the MCREHR Insurance Payments dashboard. At the top, there is a navigation bar with the MCREHR logo, a search icon, and a user profile for Naveen Acharya from Cardiology Services. To the right are icons for notifications (1), messages, and power. On the left is a vertical sidebar with various icons for different modules like Patients, Appointments, and Reports. The main content area is titled "Payment" and contains a "Search" section with filters for Payment From (All), Location (Search Location), Posted by (Posted by), Received Date (11/28/2022 to 12/29/2022), Insurance (Search Insurance), Patient (Search Patient), Batch # (Batch #), Check # (#####), Type (Select Payment Type), and a "Search" button. Below the search is a table of payment records:

Attachment	ERA	Batch ID	Posted By	Date	Payment From	Payment Type	Check #	Check Date	Deposit Date	Amount	Posted	Unposted	Action
		00000076	Naveen Acharya	12/23/2022		Cash		12/23/2022	12/23/2022	19.00	0.00	0.00

Batch payment and Adjustments

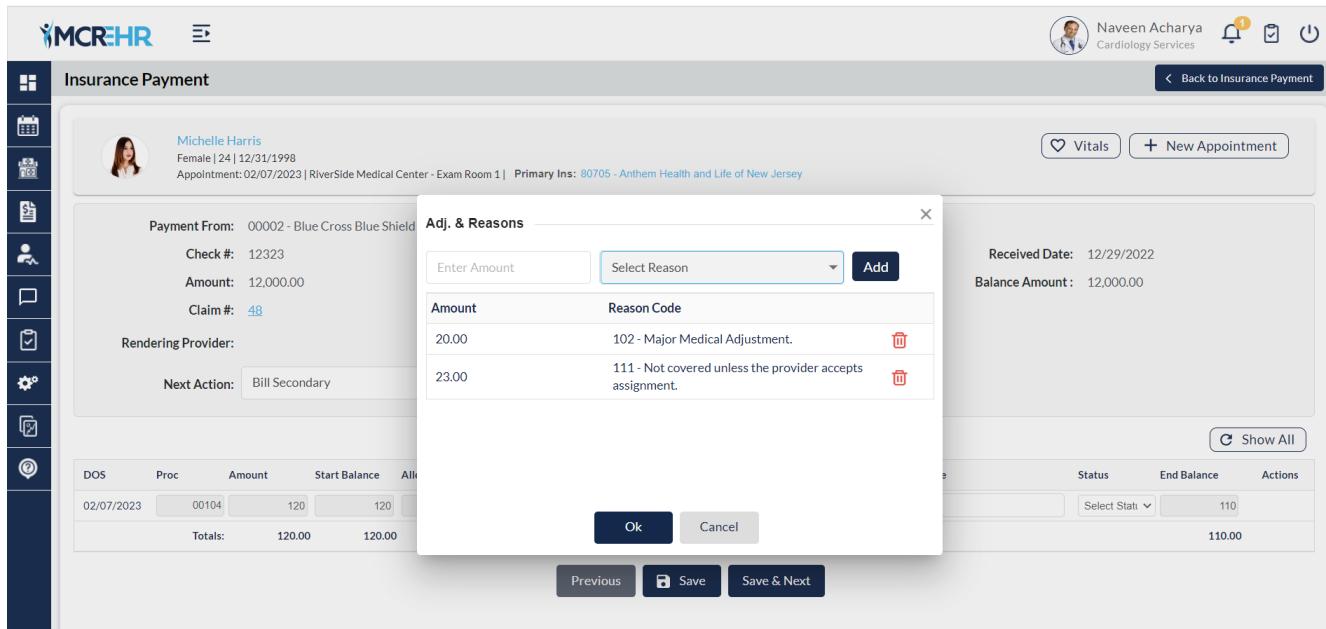

User enter the paid amount, adjustment amount and end balance are calculated accordingly.
User can add payment remarks against each line and change the payment status of the line.

The screenshot shows the MCRHR Insurance Payment interface. At the top, there's a navigation bar with icons for Home, Patient, Appointments, and more. The main header says "Insurance Payment". On the left is a vertical sidebar with icons for Home, Patient, Appointments, and other clinical functions. The patient details for "Michelle Harris" are displayed: Female | 24 | 12/31/1998 | Appointment: 02/07/2023 | RiverSide Medical Center - Exam Room 1 | Primary Ins: 80705 - Anthem Health and Life of New Jersey. Below this, the payment information is shown: Payment From: 00002 - Blue Cross Blue Shield of Illinois, Check #: 12323, Amount: 12,000.00, Claim #: 48, Rendering Provider: TCN, Next Action: Bill Secondary. The payment summary table shows a Start Balance of 120, Paid of 120, and an End Balance of 110. A modal window at the bottom right shows the "Adj. & Reasons" section where multiple reasons can be selected for the adjustment amount.

Multiple Adjustments

System allows to add multiple adjustment reasons. Adjustment amount cannot exceed the adjustment amount entered on the previous screen.

This screenshot shows the same Insurance Payment interface as above, but with a modal window open over the main content. The modal is titled "Adj. & Reasons" and contains fields for "Enter Amount" and "Select Reason". It lists two reasons: "20.00 102 - Major Medical Adjustment." and "23.00 111 - Not covered unless the provider accepts assignment." Both entries have a small trash icon next to them. At the bottom of the modal are "Ok" and "Cancel" buttons. The background of the main screen shows the same payment details and summary table as the first screenshot.

PR Codes

Patient Responsibility codes can be selected from PR Codes field available on the payment form.

The screenshot shows the 'Insurance Payment' screen for patient Michelle Harris. The PR Codes dropdown menu is open, displaying a list of codes with descriptions:

- 1 - Deductible Amount
- 10 - The Diagnosis Is Inconsistent With The Patient's Gender. Usage: Refer To The 835 Healthcare Policy Identification Segment (Loop 2110 Service Payment Information REF), If Present.
- 100 - Payment Made To Patient/Insured/Responsible Party.
- 101 - Predetermination: Anticipated Payment Upon Completion Of Services Or Claim Adjudication.
- 102 - Major Medical Adjustment.

Below the list, there is a 'Show All' link and a 'Actions' button. The main payment details are also visible on the screen.

Line Status

Using this screen user can change the individual line status of claim CPT line. Once payment is posted user can change the status to either Bill Secondary or Patient Responsibility.

The screenshot shows the 'Insurance Payment' screen for patient Michelle Harris. The 'Status' dropdown menu is open, displaying a list of status options:

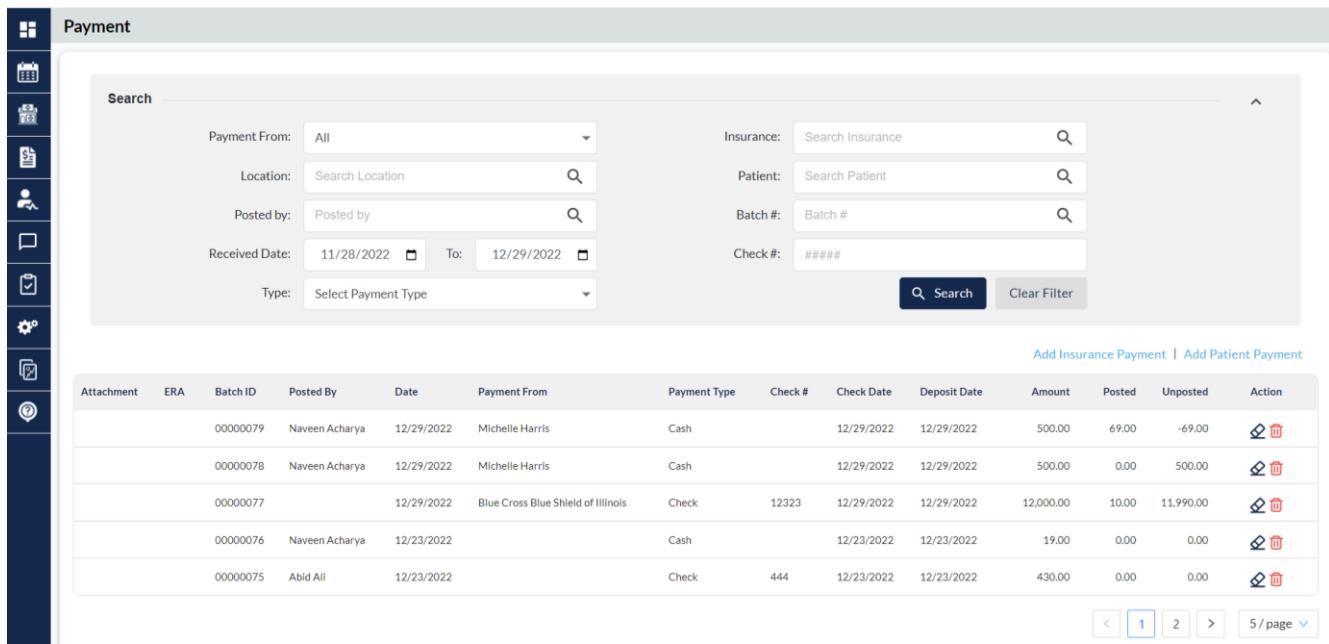

- Select Status
- Physician Query
- Payer Inquiry
- Internal Review
- Worker's Comp Claim
- Auto Accident Claim
- Durable Medical Equipment Claim
- Ready To Bill (Insurance Name)
- Submitted Claim
- Clearing House Rejection
- Payer Rejection
- Denied
- Bill Insurance

Below the list, there is a 'Show All' link and a 'Actions' button. The main payment details are also visible on the screen.

PATIENT PAYMENT

Dashboard

Payment dashboard list all the payment received against a claim either from payer or the patients. User clicks on “Add patient payment” link to record a new patient payment.

The screenshot shows the 'Payment' dashboard interface. On the left is a vertical toolbar with icons for Home, Search, Reports, Lists, Details, and Help. The main header is 'Payment'. Below it is a 'Search' section with fields for 'Payment From' (All), 'Location' (Search Location), 'Posted by' (Posted by), 'Received Date' (11/28/2022 to 12/29/2022), 'Type' (Select Payment Type), 'Insurance' (Search Insurance), 'Patient' (Search Patient), 'Batch #' (Batch #), and 'Check #' (####). There are also 'Search' and 'Clear Filter' buttons. At the bottom right of the search area are links for 'Add Insurance Payment' and 'Add Patient Payment'. The main content area displays a table of payment records:

Attachment	ERA	Batch ID	Posted By	Date	Payment From	Payment Type	Check #	Check Date	Deposit Date	Amount	Posted	Unposted	Action
		00000079	Naveen Acharya	12/29/2022	Michelle Harris	Cash		12/29/2022	12/29/2022	500.00	69.00	-69.00	
		00000078	Naveen Acharya	12/29/2022	Michelle Harris	Cash		12/29/2022	12/29/2022	500.00	0.00	500.00	
		00000077		12/29/2022	Blue Cross Blue Shield of Illinois	Check	12323	12/29/2022	12/29/2022	12,000.00	10.00	11,990.00	
		00000076	Naveen Acharya	12/23/2022		Cash		12/23/2022	12/23/2022	19.00	0.00	0.00	
		00000075	Abid Ali	12/23/2022		Check	444	12/23/2022	12/23/2022	430.00	0.00	0.00	

At the bottom right of the table are navigation buttons for page 1 of 5.

Add /Edit Payment

User can record the patient payment by adding patient name, date of payment and method of payment i.e. Cash / Check and the amount paid.

The screenshot shows the MCRHR Patient Payment interface. A modal window titled "Patient Payment" is open, prompting for payment details. The fields include "Payment From:" (Michelle Harris), "Payment Date:" (12/29/2022), "Payment Method:" (Cash), "Type:" (Credit), and "Amount:" (\$ 500). There is also a "Notes" field containing "Notes". At the bottom of the modal are "Save" and "Close" buttons.

Apply Payment

Once patient payment is recorded system displays all the pending payment with the patient (Patient Responsibility).

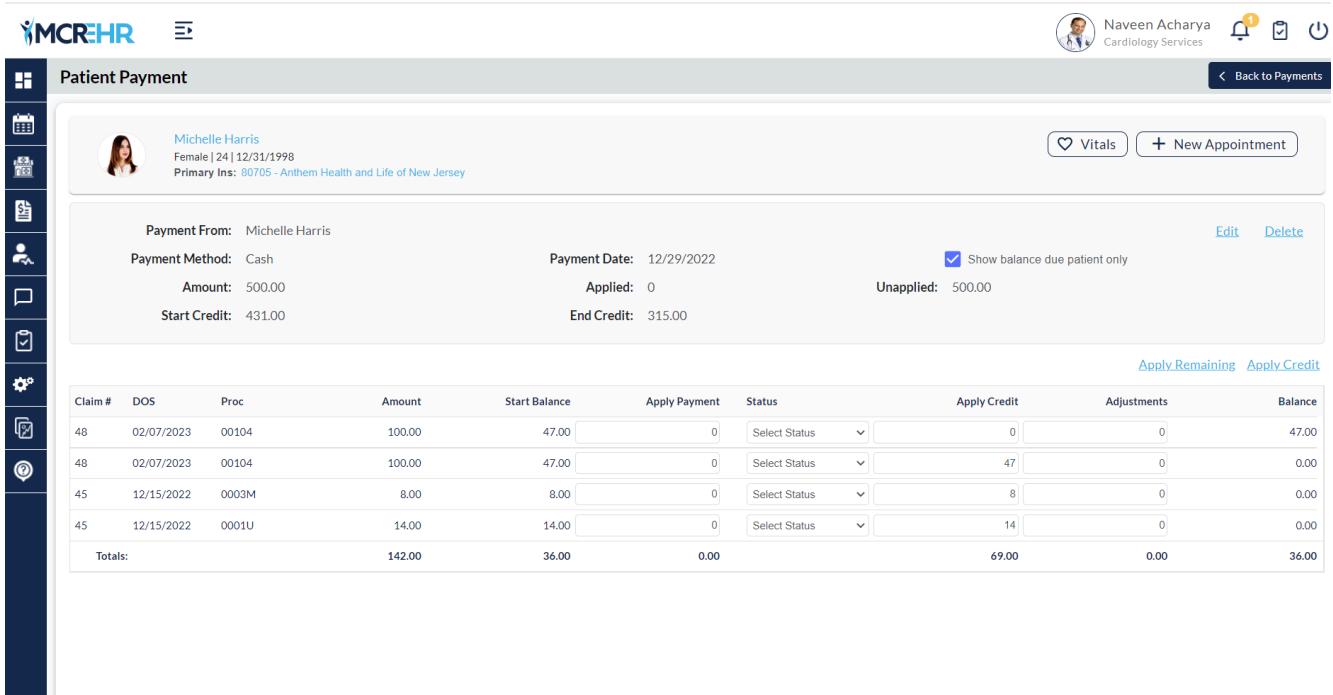

The screenshot shows the MCRHR Patient Payment interface displaying a list of pending payments for Michelle Harris. The patient's details are shown at the top: Michelle Harris, Female | 24 | 12/31/1998, Primary Ins: 80705 - Anthem Health and Life of New Jersey. The payment record listed is: Payment From: Michelle Harris, Payment Method: Cash, Amount: 500.00, Start Credit: 431.00, Payment Date: 12/29/2022, Applied: 0, Unapplied: 500.00, End Credit: 315.00. Below this, a table lists four claims with their respective details and status columns.

Claim #	DOS	Proc	Amount	Start Balance	Apply Payment	Status	Apply Credit	Adjustments	Balance
48	02/07/2023	00104	100.00	47.00	0	Select Status	0	0	47.00
48	02/07/2023	00104	100.00	47.00	0	Select Status	47	0	0.00
45	12/15/2022	0003M	8.00	8.00	0	Select Status	8	0	0.00
45	12/15/2022	0001U	14.00	14.00	0	Select Status	14	0	0.00
Totals:			142.00	36.00	0.00		69.00	0.00	36.00

Apply Credit/Remaining

Apply Remaining button fill in the payment amount on individual lines automatically starting from the first DOS (Date of Service).

Apply credit will apply any advance payment collected from patient before the creation of claim i.e., Copay etc.

The screenshot shows the MCRHR Patient Payment interface. At the top, there's a navigation bar with icons for Home, Search, and Notifications (with 1 notification). On the right, it shows a profile picture of Naveen Acharya, Cardiology Services, with a phone icon, a message icon, and a power icon.

The main area is titled "Patient Payment" and shows a summary for Michelle Harris, Female | 24 | 12/31/1998, Primary Ins: 80705 - Anthem Health and Life of New Jersey. It includes buttons for "Vitals" and "+ New Appointment".

Below the summary, there are payment details: Payment From: Michelle Harris, Payment Method: Cash, Payment Date: 12/29/2022, Amount: 500.00, Applied: 0, Unapplied: 500.00, Start Credit: 431.00, End Credit: 315.00. There are "Edit" and "Delete" links next to these details.

A checkbox labeled "Show balance due patient only" is checked. At the bottom right of this section are "Apply Remaining" and "Apply Credit" buttons.

The main table lists transactions:

Claim #	DOS	Proc	Amount	Start Balance	Apply Payment	Status	Apply Credit	Adjustments	Balance
48	02/07/2023	00104	100.00	47.00	0	Select Status	0	0	47.00
48	02/07/2023	00104	100.00	47.00	0	Select Status	47	0	0.00
45	12/15/2022	0003M	8.00	8.00	0	Select Status	8	0	0.00
45	12/15/2022	0001U	14.00	14.00	0	Select Status	14	0	0.00
Totals:			142.00	36.00	0.00		69.00	0.00	36.00

ERA (Electronic Remittance Advise)

List

The list of all ERA received from payers. The list can be filtered and details can be viewed by clicking on any ERA. User can also import ERA file received from other sources.

This screenshot shows the 'ERA Review' section of the MCRHR application. At the top, there is a search bar with fields for 'ERA From' (mm/dd/yyyy), 'ERA To' (mm/dd/yyyy), 'Patient' (Patient Name), 'Payer' (Payer Name), 'Trace #' (#####), 'TCN #' (#####), 'Check Date' (mm/dd/yyyy), 'Check Amount' (\$), and a checkbox for 'Include Applied Checks'. Below the search bar is a table with columns: Applied, Payer, Rpt Date, Method, File Name, Trace #, Amount, Payments, Check Date, and Action. Two entries are listed:

Applied	Payer	Rpt Date	Method	File Name	Trace #	Amount	Payments	Check Date	Action
	80705 - Anthem Health and Life of New Jersey	03/18/2022	CHECK		322233	500.00	1	03/18/2022	
	80705 - Anthem Health and Life of New Jersey	03/18/2022	CHECK		6544022	1,000.00	1	03/18/2022	

At the bottom right, there are navigation buttons for page control and a link to 'Import ERA'.

Review

All ERA are automatically posted to the system. ERA which needs further attention are listed in this screen for detailed review.

This screenshot shows the same 'ERA Review' screen as above, but with a modal window open over the table. The modal displays details for a specific applied check. The fields shown are: Check # (322233), Amount (\$500.00), and Payments (1). At the bottom of the modal are 'Save' and 'Review' buttons.

Details

User can review the ERA details and correct any discrepancy before posting to the system.

PATIENT STATEMENT

Settings

User can set whether patient statement will be sent electronically or they will be printed and send via courier/mail. User can also set templates for reminder notices.

The screenshot shows the 'Patient Statement Settings' page in the MCRHR application. The left sidebar has icons for Home, Calendar, Reports, and Help. The main header says 'Patient Statement Settings'. Below it, there are two tabs: 'Statement' (selected) and 'Setup'. Under 'Statement Setup', 'Statement Mode' is set to 'Electronic' (radio button selected). 'Create Statement' is set to 'Auto' (radio button selected). 'Card Type' is set to 'Master'. Under 'Letter Setup', 'Reminder Letter' is set to 'Template' (radio button selected), 'Debt Letter' is set to 'Template' (radio button selected), and 'Final Notice' is set to 'Template' (radio button selected). There are three empty text input fields next to these settings. At the bottom are 'Save' and 'Reset' buttons.

Setup

User can select options for Pay to address and return address for patient statement. Options for minimum balance, Statement Days and logos can be set using this screen.

The screenshot shows the 'Patient Statement Settings' page in the MCREHR application. The left sidebar has icons for Home, Practice Setup, and other functions. The main header says 'Patient Statement Settings'. Below it, there are two tabs: 'Statement' and 'Setup', with 'Setup' being the active tab. A 'Practice Setup' section is visible above the main configuration area. The 'Pay to Address' section contains fields for Facility (selected as 'Facility'), Address (300 Riverside Drive East Suite 2010, Bradenton), City (Bradenton), Zip (34208), State (Florida), and Country (USA). The 'Return to Address' section is identical. Below these are fields for Minimum Balance (0), Statement Days (730), Due Days (30), and Max Statements (15). There is a 'Statement Message' text area and a 'Statement Logo' file input field. At the bottom are 'Save' and 'Reset' buttons.

Patient Report

The list of all Patients. Report can be filtered to find patients details against a criterion.

The screenshot shows the MCREHR Patient Report interface. On the left, there is a navigation sidebar with various reports and clinical modules. The main area is titled "Patient Report" and contains several filter fields and a table of patient data.

Filters:

- Appointment: mm/dd/yyyy To: mm/dd/yyyy
- Gender: Select Gender
- Ethnicity: Select Ethnicity
- Demographic Recorded: mm/dd/yyyy To: mm/dd/yyyy
- Smoking Status: Select Smoke Status
- Age: From _____ To: _____
- Race: Select Race
- Preferred Language: Select Preferred Language
- Preferred Communications: Select Preferred Communication
- Patient Status: Select Patient Status

Table Data:

Chart ID	Patient	Age	Sex	Race	Ethnicity	Pref.Lang	Recorded	Pref.Comms	Pref.Comms.Updated	Smoking Status
DASC-000038	Darryl Ich	0	Male				12/23/2022			
BOHU-000037	Boris Hunter	0	Male				12/16/2022			
WAMU-000036	Warren Murak	0	Male				12/15/2022			Current every day smoker
VICH-000035	Victor Chapman	0					12/16/2022			
RILE-000033	Ridoo Ledger	37					11/23/2022			
JAEI-000032	James Elliot	0	Male				11/23/2022

OTHER REPORTS

eCQMs Dashboard

The list of all eCQMs configured in the system. Shows current progress on the eCQM based upon eCQM criteria. The list can be filtered by Measures.

The screenshot shows the eCQM Dashboard interface. On the left is a navigation sidebar with 'Reports' expanded, showing 'eCQM' under it. The main area has a header with 'eCQM Dashboard'. It includes filters for 'Group' (Select Facility Group), 'Performance Year' (2022), and a search bar for 'Measures' with a placeholder 'Search by Measure ID or Name'. Below this is a table for 'eCQM' with a single row: 'Percentage of patients aged 18 years and older with a BMI documented during the current encounter...' with a score of 0%, NMT/DNMT of 0/0, and Excl/Exc of 0/0. The bottom right of the dashboard shows pagination controls (1, 2, 3, 4, 5, ..., 42, 10/page).

Audit Log Report

The list contains all activity log including emergency access log and change logs. It can be used to track change by applying provided filters.

The screenshot shows the Audit Log Report interface. The left sidebar has 'Reports' expanded, with 'Audit Log Report' selected. The main area has a header with 'Audit Log Report'. It includes filters for 'Patient Name' (Search Patient), 'User Name' (Search User), 'Activity' (Select Activity), 'Date From' (11/29/2022), and 'To' (12/29/2022). Below this is a table with columns: Session ID, Date/Time, Patient, User, Area, Activity, and Details. The table lists several sessions, such as session 205 at 12/15/2022 01:09 AM by Abid Ali in the Patient area performing a loadPatientGrid activity. At the bottom right are pagination controls (1, 2, 3, 4, 5, ..., 42, 10/page) and an 'Export' button.

Productivity Report

Report will reflect productivity of Healthcare Providers by appointments count, appointments hours, Breaks count and Break Hours.

The screenshot shows the MCREHR Productivity Report interface. On the left is a sidebar with a navigation menu:

- Reports
 - Financial Reports
 - Procedure
 - Remittance
 - Underpaid Item
 - Day Sheet
 - Transactions by Appointment
 - Account Receivable
 - Unmatched ERAs
 - Unmatched ERAs
 - Billing Report
- Clinical Reports
 - Authorization
 - Medication
 - Diagnosis
 - Allergy
 - Drug Interaction
 - Patient Report
- Other Reports
 - eCQM Dashboard
 - Audit Log Report
 - Productivity Report
- Help

The main area is titled "Productivity Report". It includes search fields for Location (Search Location) and Provider (Search Provider), with a dropdown for "Naveen Acharya" and a clear button. There are date filters for "Report From: 11/29/2022" and "To: 12/29/2022". A checkbox for "Include Rescheduled and No Show appointments" is present, along with "Search" and "Clear Filter" buttons.

Two summary cards are displayed:

- Total Appointments**: 2
- Total Appointment Hours**: 1

A table provides detailed data:

Location	Provider	Appointments	Appointment Duration	Breaks	Breaks Duration
RiverSide Medical Center	Naveen Acharya	2	01:00	100	12:00

Navigation buttons for the table and a "10 / page" dropdown are at the bottom right.
